The LGPS is funded. Contribution from members and employers are invested by the Fund. However, as a 'defined benefit' Scheme pension benefits are guaranteed, based on a members' pensionable pay and are not dependent on the returns achieved by the Fund on its investments.

The Fund has a key objective to ensure the accuracy and completeness of the information held to deliver a good administration service to all stakeholders.

Hampshire County Council has provided the Pension Administration service for the Fund since 4 March 2019.

6,894 key member processes were completed in 2020/21 and 100% of Key Performance Indicators were met.
