Recycling Centres Booking System Review

Report by Director of Law and Assurance

Electoral divisions: All

Summary

A pilot booking scheme for some of West Sussex County Council's recycling sites was launched in April 2021, following public consultation. The proposal was considered and supported by the Committee [at its meeting](#) in March 2021.

The Cabinet Member for Environment and Climate Change now proposes to make the pilot arrangements permanent, and to expand the scope of the arrangements.

Focus for Scrutiny

The Committee is invited to consider:

1. How the pilot scheme worked, and any learning arising from the pilot;
 2. The extent to which the evidence supports making the arrangements permanent, and the proposed widening of scope; and
 3. How well learning from the pilot will be addressed in the proposed future arrangements.

Proposal

1 Background and context

The Cabinet Member for Environment and Climate Change currently plans to make a decision in October 2021, following consideration of the Committee's feedback and allowing time to explore how best this might be addressed.

The background and context to this item for scrutiny are set out in the attached draft decision report (listed below), including resource and risk implications, Equality, Human Rights, Social Value, Sustainability and Crime and Disorder Reduction Assessments
