

Forward Plan of Key Decisions

The County Council must give at least 28 days' notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet. Due to the continuing public health measures, there will be limited public access to the meeting. Admission is by ticket only, bookable in advance via: democratic.services@westsussex.gov.uk. The meetings will be available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council's budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as 'rolling decisions'.

Each month the Cabinet will consider the Council's performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council's budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

Executive Director Children, Young People and Learning

Award of block contract accommodation services for young people aged 16+

A new Framework Agreement has recently been established to enable the County Council to purchase accommodation services for looked after young people aged 16+ and care leavers (decision [OKD13 \(21/22\)](#) refers).

Block contracts provide the Council with whole services of supported accommodation for young people. Increasing the number of young people in these arrangements reduces the need to commission individual placements and offers better value for money. Under the terms of the framework agreement a mini-competition process will be undertaken to award a number of block contracts to provide local accommodation for older looked after young people and care leavers.

The Executive Director of Children, Young People and Learning will be asked to approve the award of block contract awards to successful bidders on completion of the mini-competitions.

Procurement of residential provision for children with complex needs

The County Council has a duty to take steps to secure, so far as reasonably practicable, sufficient accommodation within its area which meets the needs of children within its care. Sourcing stable placements which adequately meet the requirements of children with complex needs is a particular challenge, and this picture is reflected nationally.

The County Council has been working with other local authorities, as well as national associations representing providers of residential care, to identify potential solutions to these issues, the culmination of which will be the procurement of a new service, or

services. The procurement will be conducted in partnership with other local authorities within the South East region, with the aim of developing new and innovative approaches to residential care provision for looked after children with complex needs, to better support sufficiency within the region.

The Cabinet Member for Children and Young People will be requested to approve the commencement of a procurement process for residential provision for looked after children with complex needs. The Cabinet Member will also be asked to delegate authority to the Executive Director of Children, Young People and Learning to award the contract

The DPS was procured with an initial contract period of 3 years with the option to extend for up to a further 4 years. The initial contract period is due to conclude at the end of February 2022 and it is proposed to take up the option of extending the DPS for two years. Procurement of a Dynamic Purchasing System for Therapeutic Services for Children and Young People	
As part of its statutory obligations the Council provides therapeutic assessments and therapeutic interventions for children and young people. This includes the provision of therapies from different disciplines for example psychotherapy, occupational therapy, play therapy. Currently this need is predominately for children With Special Educational needs, receiving Social Care support, or in the Council's Care. Whilst the County Council provides some of these services, the demand is such that a significant amount of provision has to be purchased from the external market and evaluation shows this is a trend expected to continue. In order to meet this demand, it is proposed to set up a Dynamic Purchasing System (DPS) to enable the efficient sourcing of therapeutic services from qualified suppliers. The Cabinet Member for Children and Young People will be asked to approve: - • The commencement of a procurement to set up a DPS to enable the purchase of therapeutic services and • The delegation of authority to the Executive Director Children, Young People and Learning to award places on the DPS

Burgess Hill Northern Arc - New Secondary School - Allocation of Capital Funding for Enabling Works
Homes England has secured planning permission for a new 3500 home development on land known as the Northern Arc of Burgess Hill. As part of the overall plan, a site for a new Secondary School has been provided to ensure sufficient secondary school places to serve the development. In addition, a financial contribution of £18m has been secured through a Section 106 Agreement to contribute towards the construction costs of the new school. The school is proposed to open in September 2024. All Year 7 places at local Secondary Schools are full for September 2021. In July 2021 the Cabinet Member for Learning and Skills approved the capital funding to enable the detailed design for building the new school to be progressed through the County Council's Multi-Disciplinary Consultant (MDC), Faithful+Gould Ltd (decision LS03(21/22) refers). The Cabinet Member for Learning and Skills will be asked to approve:-

- (1) The commencement of a procurement exercise for appointment of a building contractor
- (2) The allocation of funds required to enter into a pre-construction services agreement and enabling works package and
- (3) The delegation of authority to the Director of Property and Assets to award the contract for pre-construction services and enabling works and the submission of a reserved matters planning application.

Allocation of S106 Funding for Additional Accommodation at St Philip Howard Catholic Voluntary Academy, Barnham	
St Philip Howard Catholic Voluntary Academy is a 6 form entry Secondary School with a Sixth form. The school has grown in recent years to meet the demand for places which has led to the requirement for more teaching and administrative space, as well as washroom facilities. The school has continued to take additional children over and above their Published Admission Number (PAN) and projections indicate an ongoing need for the additional places created. The school is proposing to deliver a new teaching block incorporating 8 classrooms, office space, toilets and a lift for disabled access. Section 106 funds have been received totalling £970,000 which must be spent on additional educational infrastructure and/or equipment at St Philip Howard Catholic Voluntary Academy and will assist with funding this development. Following detailed design and associated cost estimates provided by the school, the Director of Property and Assets will be asked to approve the allocation of the S106 funds to the school to enable the project to proceed.

Proposed Expansion of Yapton CE Primary School - Allocation of Design Fees	
The County Council has a statutory duty to ensure there are sufficient primary and secondary school places for all children who need a place. The Basic Need requirements are reviewed annually to identify the next tranches of projects and to ensure planned projects are still required following review of projection data of pupil numbers. The requirements across the county are set out in the annual update of the Planning School Places document. Pupil projections for the Barnham/Westergate planning area are indicating there are insufficient places for children starting school which is in part due to the significant house building across the area. The County Council are often unable to offer local places to movers into the area outside of the annual admissions round as all schools are full. It is therefore proposed that Yapton CE Primary School is expanded from 1.5 form entry (FE) (315 places) to 2FE (420 places) to meet the current demand for places. Additional land has been secured through a S106 Agreement to support the expansion of the school. Following conclusion of a feasibility study to consider how best to expand the school to meet Department for Education (DfE) and West Sussex guidelines for school accommodation, further design work is now required to develop an expansion project that will meet the overall programme for delivery of places by 2024. The Cabinet Member for Learning and Skills will be asked to approve the allocation of funds to enable the design work to commence.

School Funding 2022/23

West Sussex County Council is required, under national funding regulations, to consult schools and the Schools Forum on proposed changes to funding arrangements affecting mainstream school budgets. The [School Funding Review 2022/23 consultation document](#) was published on 20th October 2021. Responses to the consultation and feedback from Schools Forum have been taken into account in the development of the local funding formula for mainstream schools in 2022/23.

To help fund the DSG recovery plan a proposal to transfer £1.2m of funding from the Dedicated Schools Grant (DSG) Schools block to the DSG High Needs Block was also included as part of the schools funding consultation. Under the funding regulations, any transfer between blocks is a decision that is taken by Schools Forum, although the County Council can seek to overturn this by applying to the Secretary of State for Education through a disapplication request.

Following consideration of the responses to the consultation and the feedback from Schools Forum the Cabinet Member for Learning and Skills will be asked to approve the 2022/23 local funding formula for all mainstream schools in the county.
