

Supplementary Cabinet Report: Delivering the West Sussex Plan 2017-22

This report sets out the key strategic decisions, policy and programme initiatives, consultations, government announcements and key events within each Cabinet portfolio area to deliver our strategic priorities.

**A STRONG, SAFE AND SUSTAINABLE PLACE****Cabinet Member for Environment – Deborah Urquhart**

- Following the Climate Change motion agreed in April, the County Council is stepping up its work in this area including raising awareness of the issues and ways in which residents and businesses can contribute to mitigation of climate change. An [on-line pledge campaign](#) has also been launched to encourage all of us to make low carbon journeys, save water and energy, pass on plastic, shop local and fight against food waste.
- The [Halewick Lane Battery Storage facility](#) forms part of the emerging new smart electricity grid system in the UK and is a critical component of the national decarbonisation strategy. The facility will ensure the creation and retention of jobs in the area and ecological enhancements will be made to the site to improve the appearance of the amenity.
