County Council 22 October 2021

Item 9(a) Notice of Motion from Cllr Wall on Gatwick Airport Runway Capacity

Amendment by Cllr Lord

West Sussex County Council is a statutory consultee in the Development Consent Order process with regard to the proposal by Gatwick Airport Ltd (GAL) to bring the Northern/Emergency runway into routine use (for departures only). This Council notes the proposed economic benefits and likely adverse social and environmental impacts of GAL's Northern Runway Project.

This Council resolves to ask the Cabinet to seek **and be satisfied by** evidence and assurance from GAL that it will mitigate the following key impacts as part of the proposed development **before any final position on the proposal can be taken by the Council:**

- (1) Any increase in aircraft noise levels/noise distribution pattern.
- (2) Any adverse traffic and surface access impacts (forecasting, transport assessment methodology, modal shift).
- (3) Any additional social and environmental impacts, including on health and well-being, air quality and carbon reduction targets.
- (4) Any increase in the need for new homes (supply/demand from anticipated additional workforce) and supporting infrastructure, including County Council services.

In addition, whilst not part of the formal consultation, the safeguarded land allocation to the south of the existing runway for an additional runway should be reviewed and recommendations as to its future use **in line with the Council's Climate Change Strategy** should be made by the Cabinet to Her Majesty's Government.

Item 9(b) Notice of Motion from Cllr Milne on Land Use

Amendment by Cllr Duncton

This Council **confirms that** ~~calls upon~~ the Cabinet Member for Finance and Property **has** ~~to~~ put in place a clear process, such that any currently-owned Council land **is** ~~will~~ always be first considered for possible social, community or environmental use, particularly where this **could** complements the Council's ambitions relating to climate change, prior to deeming it surplus to requirements, **one of** which **options** could **be** ~~see it allocated~~ for development ~~within West Sussex~~ **by the** County Council's Joint Venture development company.
