

## West Sussex County Council

### Proposed Executive Decision for **20 November 2020** call-in deadline **5 p.m. on 1 December 2020**

The following proposed key decision has been endorsed by an officer and will come into effect at the end of the call-in period unless the call-in procedure is activated.

<b>Decision Title &amp; Ref No:</b>	Extension of Dynamic Purchasing System for 16+ services - OKD44 (20/21)
<b>Officer responsible for Decision</b>	Lucy Butler - Executive Director Children, Young People and Learning
<b>West Sussex Plan priority</b>	Best Start in Life
<b>Electoral Divisions</b>	All Divisions
<b>Key Decision</b>	Yes
<b>Purpose</b>	<p>The County Council sources a range of different accommodation options as part of preparing young people aged 16 years and over who are looked after for living independently. These accommodation services are accessed via a dynamic purchasing system (DPS), a mechanism that enables the Council to match a young person's needs with a suitable accommodation provider.</p> <p>The 16+ services DPS sets out the minimum standards that the Council requires to evidence that the organisations with which young people are placed are safe, appropriate and of good financial standing. The DPS is the mechanism used to form a preferred provider list and enables the Council to carry out further inspections to ensure that services continue to operate in a safe and appropriate way. These processes and mechanisms are critical for 16+ services, as they are not regulated by Ofsted and therefore the Council must take full responsibility for monitoring.</p> <p>The current DPS for 16+ services has run for an initial contract term of 3 years, which ended in March 2020. The contract allows for an extension period of two years and it is proposed to utilise this option. New applicants are currently waiting to join the DPS, which would increase the supply of services available to young people. Extending the DPS will also allow the Children's Commissioning and Contracts Team the time to consider future options for services for young people aged 16+, including reviewing the service model to enable greater strategic alignment with the goals of Children, Young People and Learning.</p>
<b>Decision</b>	(1) The Executive Director of Children, Young People and Learning has approved the reopening of the Dynamic

	Purchasing System (DPS) portal for accommodation services for young people aged 16 years and over and the extension of the DPS for 2 years from the point of closure, to 31st March 2022.
