

## West Sussex County Council

### Urgent Action

The following decision has been taken under the urgent action procedure by the Director of Law and Assurance, in consultation with the Chairman of the Adur County Local Committee and relevant Select Committee Chairman.

<b>Decision Title &amp; Ref No:</b>	Adur CLC Prioritisation of Traffic Regulation Orders (A05 20/21) Urgent Action
<b>Officer responsible for Decision</b>	Tony Kershaw, Director of Law and Assurance
<b>Committee</b>	Adur County Local Committee
<b>Electoral Divisions</b>	All in Adur CLC area
<b>Key Decision</b>	No
<b>Purpose</b>	Community requests for Traffic Regulation Orders (TROs) that cost under £3,000 to implement are considered annually by County Local Committees (CLCs). More complex TROs are considered for progression as a Community Highways Scheme and so fall outside the process.
<b>Decision</b>	<p>The Director of Law and Assurance, in consultation with the Chairman of Adur County Local Committee and the Chairman of the Environment and Communities Scrutiny Committee, has used his delegated powers under Standing Order 3.45 to agree to progress the two highest scoring TROs from the list attached at Appendix A. The following TRO is agreed for progression:</p> <p>Manor Road, Lancing – Double Yellow Lines Oldfield Crescent, Southwick – Double Yellow Lines</p>
<b>Interest and nature of interest declared</b>	None
<b>Reason for urgency</b>	The urgency of this matter is because all County Local Committee meetings scheduled for October and November have been cancelled due to the current public health emergency. However, there are decisions required before the next round of meetings scheduled for February and March and it was agreed that the urgent action procedure should be used for these decisions.
