

# Forward Plan of Key Decisions

The County Council must give at least 28 days' notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council's budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as 'rolling decisions'.

Each month the Cabinet will consider the Council's performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council's budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.
