

# Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

### Endorsement of design and procurement process: Worthing Public Realm Improvements programme: Railway Approach Scheme

The Worthing Growth Programme (2017) identified a Worthing Public Realm Improvements (WPRI) programme in Worthing town centre to support the revival of the local economy by improving the quality and accessibility of public areas connecting Worthing station, the town centre and the seafront.

Leader key decision ([LDR01 18/19](#)) confirmed WSCC commitment of £5m of growth funding to deliver the initial phases of a £12m programme of up to eight public realm schemes between the station and the seafront. Worthing Borough Council identified developer contributions, including the Community Infrastructure Levy to fund the later phases of the public realm improvement programme.

The Executive Director Place Services confirmed progression to the detailed design stage of the Railway Approach project in December 2021 ([OKD33 21/22](#)) and to endorse funding arrangements.

The Cabinet Member for Support Services and Economic Development will now be asked to endorse the detailed designs for the scheme and commencement of a procurement process under Lot 6 of the Highways Construction Framework, for a construction contractor anticipated to start work on site in early 2023 and completion in late Autumn 2023 and to delegate to the Executive Director Place Services the award of contract in due course. A further decision report will be published at that time.
