West Sussex County Council

Proposed Executive Decision for 15 July 2022 call-in deadline 5 p.m. on 26 July 2022

The following proposed decision has been endorsed by the Cabinet Member and will come into effect at the end of the call-in period unless the call-in procedure is activated.

Decision Title & Ref No: A284 Lyminster bypass (north) - funding allocation and award of construction contract HT06 (22/23) Cabinet Member responsible for decision Cabinet Member for Highways and Transport (Councillor Joy Dennis) Electoral Divisions Arundel & Courtwick Key Decision Yes Purpose The A284 Lyminster Bypass is an important north-south link between the A27 at Crossbush and Littlehampton and the County Council is delivering the northern section. Jackson's Civil Engineering was awarded the design and build contract and the scheme was granted planning permission on 26 March 2019. The Compulsory Purchase Order was confirmed by the Secretary of State on 16 September 2021 following a Public Inquiry. The Department for Transport (DfT) has previously approved the Outline Business Case and has been asked to contribute additional funding on review and approval of the Full Business Case. As the final stage of the scheme, subject to the DfT approving the funding, the Cabinet Member for Highways and Transport will be asked to confirm the funding allocation and award the construction contract for the A284 Lyminster bypass (north). Decision The Cabinet Member for Highways and Transport has: (1) approved the remaining capital allocation of £2,182m; and (2) awarded the construction contract of £23,813,732.13 for the A284 Lyminster Bypass (North) to Jackson Civil Engineering Group Limited. Interest and nature of interest declared Mark Martin - Tel: 033 022 25922
