### **Prioritisation of Traffic Regulation Orders 2018/19 SC06(18/19)** (Item No. 10)

Community requests for Traffic Regulation Orders (TROs) that cost under £3,000 to implement are considered annually by County Local Committees (CLCs). More complex TROs are considered for progression as a Community Highways Scheme and so fall outside the process.

The TRO requests received since July 2017 have been assessed and scored and the results are attached for the CLC to consider and prioritise in line with the Cabinet Member Report for Traffic Regulation Orders – Assessment and Implementation Process (see link in Background Papers) for progression in the 2019/20 works programme.

At its meeting on 30 October 2018 the South Chichester County Local Committee agreed to progress the two highest TROs from the list attached at Appendix A

The following TROs were agreed for progression:

- King George Gardens – Parking Issue

### **Nominations for Local Authority Governors to Maintained Schools and Academy Governing Bodies (SC08(18/19)) (Item No. 13)**

The function of the nomination of school governors to maintained schools and academies is delegated to County Local Committees (CLCs) as it enables county councillors to maintain a valuable link with the schools and helps promote to the wider public the important role of school governors.

Under the Education Act 2011 local authority governors are nominated by the local authority but appointed by the governing body. The CLC can nominate any eligible person as a local authority governor, but it is for the governing body to decide whether their nominee has the skills to contribute to the effective governance and success of the school and meets any other eligibility criteria they have set.

At its meeting on 30 October 2018 the South Chichester County Local Committee considered the nomination for appointment of Local Authority Governor set out in Appendix A:
