Prioritisation of Traffic Regulations Orders (NC03(19/20)) (Item No. 7)

Community requests for Traffic Regulation Orders (TROs) that cost under £3,000 to implement are considered annually by County Local Committees (CLCs). More complex TROs are considered for progression as a Community Highways Scheme and so fall outside the process.

The TRO requests received since July 2018 have been assessed and scored and the results are attached for the CLC to consider and prioritise in line with the Cabinet Member Report for Traffic Regulation Orders – Assessment and Implementation Process (see link in Background Papers) for progression in the 2020/21 works programme.

At its meeting on 12 November 2019 the North Chichester County Local Committee **agreed** to progress the highest scoring TRO from the list attached at Appendix A:

- A286 North of Cocking Village – Speed Limit.

This TRO was agreed for inclusion under decision NC03(19/20)

The call-in deadline for this decision is 20 November 2019.
