Community Initiative Funding (WA07(19/20)) (Item No. 9)

The Community Initiative Fund is a County Local Committee (CLC) administered fund that provides assistance to local community projects. Bids should show evidence of projects that have the support of the community and make a positive impact on people's wellbeing and support The West Sussex Plan.

At its meeting on 11 March 2020 the County Council Members of the Joint Western Arun Area Committee considered the Community Initiative Funding applications as set out in Appendix A:

The following applications were approved:

- 477/JWAAC – Bognor Regis Town Youth FC, 'Footballs for the girls', £719.00 – towards purchasing footballs.
- 502/JWAAC – 'Apulstock 2020', £2,500.00 - towards venue hire and event guide production for an inclusive, community music festival aimed at people with learning disabilities and their families.
- 445/JWAAC – Frame of Mind CIC, 'Picturing a brighter future', £3,806.58 - to hold two 10-week blocks of vocational training for ten adults, who have been long-term unemployed or who are living with mental health difficulties.

The following application was declined:

- 416/JWAAC – Bognor Regis Baptist Church, 'Bognor Church toilet facilities', towards installing a disabled toilet and improving baby change facilities. This was declined as Members felt the project had not gained the community support intended for a crowdfunding project.

It was also noted that application 457/JWAAC had been withdrawn by the applicant.

The call in deadline for this decision is 19 March 2020.
