### **Crawley Community Initiative Funding (C07(19/20))** (Item No. 10)

The Community Initiative Fund is a County Local Committee (CLC) administered fund that provides assistance to local community projects. Bids should show evidence of projects that have the support of the community and make a positive impact on people's wellbeing and support [The West Sussex Plan](#).

At its meeting on 25 February 2020 the Crawley County Local Committee considered the Community Initiative Funding applications received via the West Sussex Crowd as set out in Appendix A.

The following pledges were approved:-

465/C - Special Support Centre Parents and Friends Association, 'Climbing frame SSC Desmond Anderson', £2100.00, towards replacing a wooden climbing frame for children with processing disorder.

460/C - Arctic Handball Club, 'Handball in professional style', £1800.00 towards the cost of enrolling staff on coaching and refereeing qualifications. This project was in preparation stage and the pledge was conditional on it entering fundraising stage by the end of the financial year (April 2020).

preparation stage and the pledge was conditional on it entering fundraising stage by the end of the financial year (April 2020).

During the Urgent Matters agenda item the Committee also agreed to give further consideration to two previously awarded projects.

372/C – Langley Green Primary School PTA, Outdoor learning shelter/gym. The Committee noted that the Langley Green project's costs had significantly changed since the decision to allocate funding in June (C01(19/20)).

The Committee agreed to amend the pledge to £1652.15 given the new, reduced total cost of the project.

420/C – Nicky's WorkShop, 'Where warriors are made'. The Committee decided to reduce the pledge restriction made in the decision in November (C04(19/20)).

The Committee agreed to award the funding immediately and not wait for the project to reach 50% of its crowdfunding total.

The call in deadline for this is 4 March 2020
