decision prior to the next CLC meeting.

The following pitches were refused:

- 374/W Songs alive. Members agreed there was not enough background information to make an informed decision and the project had only 11 days left to fundraise so was very unlikely to be successful. The Committee advised the project manager that the project was more suited to applying to the Microfund. The project manager agreed to complete an application.
- 343/W Daisy Chain Project, Drop -ins. The project manager advised the Committee that funding for the project had been acquired through other means and the committee therefore agreed not to contribute a pledge.

The call in deadline is 16 July 2019.
