### **Part I**

#### **73. Declarations of Interest**

73.1 No declarations of interest were made.

#### **74. Minutes**

74.1 Resolved – that the minutes of the meeting held on 23 February be approved as a correct record and that they be signed by the Chairman.

#### **75. West Sussex County Council COVID-19 Pandemic Report - March 2021**

75.1 The Leader explained that 23 March marked one year since the first national lockdown and wished to recognise the many challenges faced due to the pandemic and the sadness caused by the loss of many loved ones. As a day of national reflection takes place, there is optimism ahead as the vaccination programme gains momentum and communities continue to work hard together to protect themselves and each other.

75.2 Cabinet considered a report by the Chief Executive introduced by Cllr Amanda Jupp, Cabinet Member for Adults and Health who outlined the steady reduction of cases in West Sussex and progress with the vaccination programme. Dr Tony Hill, Interim Director of Public Health provided specific case and hospital numbers for the county, an update on lateral flow testing and said that no substantial issues had arisen with the return to school.

75.3 Cllr Bob Lanzer, Cabinet Member for Economy and Corporate Resources advised a programme of webinars on economic recovery had been well attended by businesses. He highlighted that whilst overseas travel remained unavailable, domestic tourism would be

supported through the Experience West Sussex initiative and promotion of the County.

- 75.4 Cllr Duncan Crow, Cabinet Member for Fire and Rescue and Communities advised that libraries should reopen on 12 April with appropriate measures in place to keep people safe and outlined the work done by libraries throughout the pandemic.
- 75.5 Cllr Jacquie Russell, Cabinet Member for Children and Young People said there had been a gradual increase in face to face contacts between families and social workers where safe and possible and that these would increase from 29 March.
- 75.6 Cllr Roger Elkins, Cabinet Member for Highways and Infrastructure highlighted the good work of the service in continuing to deliver highway maintenance throughout the pandemic. Transport management as children return to school would factor in additional capacity required for social distancing.
- 75.7 Cllr Jeremy Hunt, Cabinet Member for Finance reflected on the additional government grant funding received by the County to enable the continuing support to residents, particularly in respect of the council tax support grant which had been shared with district and borough councils for those in hardship.
- 75.8 Cllr Nigel Jupp, Cabinet Member for Education and Skills highlighted the good school attendance figures for West Sussex and the free school meal voucher scheme available to qualifying families over the Easter break. He advised additional support would be available to school leavers to prevent cases of young people not in education, employment or training.
- 75.9 Cllr Deborah Urquhart, Cabinet Member for Environment gave thanks to staff for their work during difficult circumstances and that through collaborative working the waste and other teams had developed new strengths.
- 75.10 Cllr Bryan Turner, Chairman of Health and Adults Social Care Scrutiny Committee praised teachers, governors and officers for their work and felt the community hub had provided real value to residents. He asked about the effectiveness of the Local Tracing Partnership (LTP). The Interim Director of Public Health advised that two thirds of people contacted by the LTP would otherwise have not been reached, and that this was positive. Cllr Steve Waight, Chairman of Fire and Rescue Service Scrutiny Committee noted the good performance of the fire service in response to the pandemic.
- 75.11 Cllr Michael Jones, Leader of the Labour Group paid tribute to the NHS, public sector and WSCC staff on the day of reflection.
- 75.12 The Leader summarised that whilst the situation showed signs of improvement there was still a lot to do in terms of social care and

recovery of the economy. He thanked staff and partners for their continued hard work.

75.13 Resolved – that Cabinet notes the update and discussion on the council’s response to the pandemic.

**76. Quarterly Performance Monitor (a) and Quarterly Capital Programme (b)**

76.1 Cabinet considered a report by the Director of Finance and Support Services. The report was introduced by Cllr Jeremy Hunt, Cabinet Member for Finance who highlighted the financial position and expected outturn for the council. An underspend was predicted however this was a changing picture due to covid expenditure and grants received. The pandemic had impacted some Key Performance Indicators (KPIs) however broadly performance was pleasing.

76.1 Cllr Joy Dennis, Chairman of Performance and Finance Scrutiny Committee noted the non-delivery of some savings and expressed concern about the Designated Schools Grant overspend and children’s services spend forecast.

76.2 Cllr Bob Lanzer, Cabinet Member for Economy and Corporate Resources highlighted the efficient work of IT and staff to enable safe working from home, which had resulted in an underspend. He advised the superfast fibre broadband project had achieved 96.7% coverage and rural business connectivity had been topped up. Staff appraisals, induction and training rates were good.

76.3 Cllr Jacquie Russell, Cabinet Member for Children and Young People advised that February saw a reduction in the number of children in care and work had helped to stabilise children in need whilst open and transparent managerial approaches had been embedded.

76.4 Cllr Amanda Jupp, Cabinet Member for Adults and Health noted the exception report which demonstrated an amber level of care homes at good or outstanding was due in part to fewer inspections being carried out currently and that work with the market was ongoing to address any quality challenges.

76.5 The Leader summarised that the QPM indicated the budget was likely to be met, thanked central government for its support at a critical time and that this had in turn enabled additional support for residents.

76.6 Resolved – that Cabinet:

1. Notes the overall projected underspend position for 2020/21
2. Notes the other performance information in the QPM, including the Performance Indicators, Workforce Key Performance Indicators and the Corporate Risk Register.

**77. Emerging Issues**

- 77.1 Cllr Duncan Crow, Cabinet Member for Fire and Rescue and Communities noted the recognition of West Sussex's Fire and Rescue Service in the recent national Annual State of Fire and Rescue Services report which signposted accelerated improvement work, increased staff numbers, a focus on prevention and protection work and clearing a backlog and he welcomed the external validation of this progress.

**78. Date of Next Meeting**

- 78.1 The next meeting of the Cabinet will be held on 15 June 2021.

The meeting ended at 3.51 pm

## **Report to Cabinet**

**June 2021**

### **Review and Appointments to Outside Bodies**

#### **Report by Director of Law and Assurance**

**Electoral division(s): All**

---

#### **Summary**

Outside bodies are external organisations, including partnerships to which the County Council is a party, which have requested that the County Council appoints an elected member or a representative to them or to which the Council expects to make appointments. Following the recent County Council election the Cabinet is asked to review the Outside Bodies list to ensure it is fit for purpose and to consider the appointments to those Outside Bodies appointments to which fall to the Leader and Cabinet (Appendix C).

#### **Recommendations**

That Cabinet approves:

1. Appointments are no longer made by the County Council to the Outside Bodies listed in Appendix A and that they be deleted from the County Council's Outside Bodies list.
2. The Outside Bodies listed in Appendix B, part 1, are retained, along with any additions of new Outside Bodies, to which the Cabinet, Cabinet Members or Committees appoint as set out in that table and that each of these appointments be an approved duty for which expenses can be claimed.
3. Appointments are made by the Leader, Cabinet and Cabinet Members to the Outside Bodies as listed in Appendix B, part 2, until the end of the term of the County Council in May 2025.
4. That any vacancies remaining be reviewed by the Cabinet at the July meeting.

#### **Proposal**

##### **1 Background and context**

- 1.1 The Council maintains a list of outside bodies which have requested that the County Council appoints an elected member or a representative to them. Participation in outside bodies:

## Agenda Item 5

- Contributes to the County Council's strategic functions, priorities or community leadership roles.
- Supports partnership and joint working.
- Enables Members to gain and share knowledge and expertise.

### 1.2 The criteria for appointments to outside bodies as set out in the Constitution are:

- That the interests of the County Council can be assisted by the making of the appointment or renewal of the appointment.
- That the Councillor is able to devote the time needed to meet the expectations of the external body and the Council.
- That, where the external body has a geographical limit to its functions, whether the Councillor's Division falls within or close to that area should be taken into consideration.
- That the Councillor has the knowledge, skills or interest in the work of the organisation that may be required.
- That the Councillor is prepared to provide such information on his or her participation in the work of the outside body as may be required.

### 1.3 All Councillors are eligible to be appointed as representatives of the County Council on outside bodies. Political proportionality does not apply to the arrangements for making appointments to outside bodies. The decision maker can consider whether a person who is not an elected member may be more suited to act as the appointee of the County Council in any particular case Councillors appointed to outside bodies must respond to all reasonable requests for information about the work of the outside body and their participation in it.

## **2 Proposal details**

### 2.1 A review of the outside bodies to which the County Council appoints takes place at the beginning of each new Council term, and once appointments to other member roles has taken place, in order to assess whether appointments continue to be relevant to its priorities and what considerations should apply to particular appointments. It is also important to ensure that elected members' time is spent effectively and productively.

### 2.2 All outside bodies to which the County Council made appointments during the previous Council term were approached to confirm that they still required, or wished to have, County Council representation. As a result of this review, a number of outside bodies, as listed in Appendix A, are recommended for removal from the County Council's list, for reasons set out in that table. A number of outside bodies are also proposed to be added to the list as set out in Appendix B, for reasons set out in that Appendix.

### 2.3 The Cabinet is also asked to confirm the appointments to the outside bodies which precept on the County Council. The list of the outside bodies for appointment by the Cabinet is set out in Appendix B. Following the decisions of the Cabinet and the Cabinet Members the relevant Committees will be asked to take a decision to confirm their respective appointments.

### 2.4 In respect of any appointment where the Cabinet or Cabinet Member is not yet in a position to make a final appointment these will be deferred and reviewed at

the next meeting of the Cabinet or dealt with by the relevant Cabinet Member at the appropriate time.

**3 Other options considered (and reasons for not proposing)**

3.1 The Cabinet may choose not to appoint to outside bodies but should consider whether there are any implications arising for the County Council by not making those appointments.

**4 Consultation, engagement and advice**

4.1 All outside bodies to which the County Council has made appointments during the previous Council term have been contacted for information and terms of reference. A number of responses and representations were made.

4.2 The Cabinet has been consulted on the review of outside bodies to ensure that the County Council continues to appoint to bodies that assist the County Council and are consistent with its priorities.

**5 Finance**

5.1 There are no financial or resource implications.

**6 Risk implications and mitigations**

Risk	Mitigating Action (in place or planned)
Conflicting interests	All councillors appointed to an outside body must declare a personal interest in any business of the county council where it relates to a body to which they are appointed to by the county council.
Ineffectiveness in the role	Appointees should obtain key documents regulating the organisation - constitution or terms of reference - to ensure they are aware of what the body does and receive a briefing on it and their role within it

6.1 There is a risk in not making such appointments as this could hinder the County Council in furthering its interests and priorities, and not develop the wider community role of Members.

**7 Policy alignment and compliance**

7.1 The equality duty is not applicable as this report deals with appointments to outside bodies. There are no social value, crime and disorder or human rights implications.

- Set out the process for assessing local project proposals for support from the CIL neighbourhood fund where applicable.

Consider the draft IIP for consultation with stakeholders including developers, infrastructure providers and parish councils.

<sup>2</sup> \*\*The A27 Arundel Elected Representatives' Forum provides a way for Highways England to engage with communities local to the A27 Arundel scheme.
