- A resident raised a query on the lack of progress with the Highways Depot in Midhurst and requested that the Committee urge the South Downs National Park to consider alternative options for the site. – *Adam Chisnall resolved to investigate this with the legal team.*
- A resident raised a query on the carriageway damage on Rumbolds Hill and the temporary fixing. – *Chris Dye explained that resurfacing was not sufficient for the road and that construction work was required which was complex and therefore harder to schedule. It was hoped to be completed early in the new financial year. Temporary fixes would continue in the short term to ensure safety compliance.*
- A resident raised a query on the lack of support from the County Council for General Data Protection Regulation (GDPR) to Parish Councils and schools. – *The Committee discussed training opportunities, such as SALC and Petworth Community Association. A request was made to investigate if the education department was providing support to schools. Rachel North resolved to look into the support the County Council could offer.*
- A resident raised a query on the delay for bus subsidies in Midhurst. – *Kate O'Kelly explained that short term support would cover 1 year. It was explained that Kate O'Kelly and David Bradford were on the Passenger Transport Task and Finish Group that was looking into this.*

- A resident raised a query on whether there was County Council sign off after utility providers had finished works on the highway. – *Chris Dye explained that there was a process in place to sign off works and that utilities had to cover their works for 2 years at their own expense. The public were encouraged to utilise Love West Sussex to report any issues.*

Consultation opened on 26 April 2018 on the SDNP website and is now closed. Having reviewed options the County Council is unaware of any other sites, outside of the proposed development brief site, that would be suitable for this purpose. It is therefore assumed that if not retained in the existing location another part of the development site would need to be allocated for this.</p> <p>The Highways Depot site (excluding the HWRC) was declared surplus to County Council operational uses in January 2018 in a Key Decision by the Cabinet Member for Finance and Resources. North Chichester County Local Committee**Community Initiative Funding****19 June 2018****Report by Director of Law and Assurance****Key Decision:
No****Part I****Electoral Divisions:
All in North
Chichester CLC Area****Recommendation**

- i) That the Committee considers the pitches made to the Community Initiative Funding as set out in Appendix A and pledge funding accordingly.

Proposal**1. Background and Context**

The Community Initiative Fund (CIF) is a County Local Committee (CLC) administered fund that provides assistance to local community projects. Bids should show evidence of supporting one or more of The Five Ways to Wellbeing - a set of evidence-based actions which promote people's wellbeing. They are: Connect, Be Active, Take Notice, Keep Learning and Give.

The terms and conditions, eligibility criteria and overall aim of the CIF have been agreed by all CLC Chairmen and they, along with details of the Five Ways of Wellbeing, can be found on the County Local Committee pages of the West Sussex County Council website using the following link

http://www.westsussex.gov.uk/your_council/meetings_and_decision-making/county_local_committees/community_initiative_funding.aspx

For projects to be considered for funding they must upload their project idea to the West Sussex Crowd (www.westsussexcrowd.org.uk) funding platform and pitch to the Community Initiative fund.

2. Proposal

That the Committee considers the pitches to the Community Initiative Funding as set out in Appendix A.

Pledges will be considered in the preparation and fundraising stage. When considering pitches in the preparation stage, decisions are subject to the applicant receiving full verification from locality and starting fundraising by the end of the financial year.

3. Resources

For the 2018/19 financial year, North Chichester CLC has a total of £15,792.84 for allocation. Details of awards made in the last year are included in Appendix B.

There are currently no new pitches for consideration by the Committee. Pitches, when submitted, are outlined in Appendix A and can also be viewed at: www.westsussexcrowd.org.uk

CIF is intended for applications up to £5,000.

Factors taken into account

4. Consultation

Before a project can be added to the West Sussex Crowd it must be eligible for the [Spacehive](#) platform, and then before beginning crowd funding must be verified by [Locality](#). This involves inspecting the project to make sure it's viable and legitimate. The Democratic Services Officer, in consultation with the local County Councillor, will preview all projects that have then gone on to pitch to the Community Initiative Fund to ensure they meet the criteria.

District and Borough Council colleagues are consulted on whether applicants have applied to any funds they administer. In addition, some CLCs have CIF Sub Groups that preview pitches and make recommendations to the CLC.

5. Risk Management Implications

There is a risk in allocating any funding that the applicant will not spend some or all of it or that it might be spent inappropriately. Therefore the terms and conditions associated with CIF provide for the County Council to request the return of funds.

6. Other Options Considered

The pitching process asks for information about whether a project could proceed if the organisation only received 90 per cent of the funding applied for. The CLC is invited to take this into consideration in deciding the level of any award.

The Committee do have the option to defer or decline pitches but must give valid reasons for doing so.

7. Equality Duty

Democratic Services Officers consider the outcome intentions for each pitch. It is considered that for the following pitches, the intended outcomes would:

- advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- foster good relations between people who share a protected characteristic

and people who do not share it.

The CLC in considering any pitch should be alert to the need to consider any equality implications arising from the bid or the way the money is to be used if any are indicated in the information provided.

8. Social Value

The criteria for the Community Initiative Funding asks applicants to evidence support for one or more of the Five Ways to Wellbeing - a set of evidence-based actions which promote people's wellbeing.

9. Crime and Disorder Act Implications

The applications for decision contain projects that will positively benefit the community and contribute toward the County Council's obligations to reduce crime and disorder and promote public safety in section 17 of the Crime and Disorder Act 1998.

10. Human Rights Act Implications

The County Council's positive obligations under the Human Rights Act have been considered in the preparation of these recommendations but none of significance emerges.

North Chichester County Local Committee**19 June 2018****Nominations for Local Authority Governors to Maintained Schools and Academy Governing Bodies****Report by Director of Education and Skills****Ref: NC01 (18/19)****Key Decision:
No****Part I****Electoral
Divisions: All in
CLC Area****Executive Summary**

The County Local Committee (CLC) duty regarding school governance is to stimulate interest and commitment to the governance of maintained schools and academies in the area and to identify and nominate suitable persons to serve as school governors on behalf of the County Council.

This report asks the Committee to make nominations of Local Authority Governors as outlined below.

Recommendation

That the nominations for appointments of Local Authority Governors set out in Appendix A, be approved.

Proposal**1. Background and Context**

- 1.1 The function of the nomination of school governors to maintained schools and academies is delegated to County Local Committees (CLCs) because it enables local county councillors to maintain a valuable link with the schools and helps promote to the wider public the important role of school governors.
- 1.2 Local authority governors are nominated by the local authority but appointed by the governing body. The CLC can nominate any eligible person as a local authority governor, but it is for the governing body to decide whether their nominee has the skills to contribute to the effective governance and success of the school and meets any other eligibility criteria they have set. The duty of the CLC is therefore to identify and nominate suitable persons to serve as school governors for maintained schools and academies on behalf of the County Council. The CLC, as representatives of the local authority, should make every effort to understand the governing body's requirements and identify and nominate suitable candidates. Without a CLC nomination a school is not able to appoint a Local Authority governor.
- 1.3 CLCs' delegated powers include the ability to appoint Authority, Community and Parent Governors to temporary governing bodies. Further changes are expected in due course in relation to temporary governing bodies.

- 1.4 CLCs also have the function to make nominations for the County Council to governing bodies of academies in accordance with either the funding agreement with the relevant government department or instrument of governance, as appropriate.

2. Nominations for Local Authority Governors

- 2.1 All county councillors are entitled to nominate for any school, although normal practice has dictated that the local county councillor's nomination can take precedence. County councillors should aim to familiarise themselves with the schools in their local area and are advised to consult the chairman of governors and/or head teacher concerning any local authority governing body vacancies.
- 2.2 The role of a governor can be complex as specific actions or ways of operating will vary depending on the type of school, its individual ethos and current circumstances. Governors provide the strategic leadership for schools alongside the head teacher. They should look to provide support and challenge for the school. Experience gained through a range of activities e.g. work, voluntary service or family life, where relevant, should be given equal consideration.
- 2.3 The 2012 Regulations (as amended) require that any newly-appointed governor has, in the opinion of the person making the appointment, 'the skills required to contribute to the effective governance and success of the school'. This could include specific skills such as an ability to understand data or finances as well as general capabilities such as the capacity and willingness to learn.
- 2.4 The following criteria are in place for the nominations of local authority governors:
 - i) governors are nominated on the basis of suitability and not in accordance with political party affiliations,
 - ii) applicants will not normally be nominated as local authority governors at a school if they are the husband, wife or partner of a permanent member of staff at that school,
 - iii) where the local authority appoints additional members to the governing body of a school identified by Ofsted as having serious weaknesses or requiring special measures, such governors will be appointed by the relevant Cabinet Member on the nomination of the relevant Director since it is usually advantageous to bring in experienced governors from other areas
 - iv) where the local authority appoints additional members to the governing body of a school identified by Ofsted as having serious weaknesses or requiring special measures, such governors will be appointed by the relevant Cabinet Member on the nomination of the relevant Director since it is usually advantageous to bring in experienced governors from other areas
 - v) if a county councillor is appointed as a local authority governor, and either does not stand for re-election or does not retain the seat during

the quadrennial County Council elections, his/her term of office will automatically end on 31 August next following the elections. A county councillor, who resigns his /her seat on the Council, will within 4 months of his/her resignation cease to be a local authority governor. In either case, he/she is, of course, eligible for re-appointment if nominated by a county councillor.

- 2.5 If there are more applications than vacancies this will be made clear in Appendix A. Any discussion of the relevant merits of the candidates will be discussed in Part II of an agenda, in the absence of the press and public. This should then not discourage any potential candidates from applying, knowing that any discussion of their application will occur in private session.

3. **Reappointments**

- 3.1 Details of local authority governors seeking nomination for reappointment are forwarded to the governing body chairman and to the local county councillor. These nominations automatically progress to the next CLC meeting for decision unless an objection is received from a member by the given closing date. The governing body would be asked for comments on the nomination, and an objection may be lodged on the grounds of poor attendance.

4. **Current Vacancies**

- 4.1 The current vacancies in the CLC area are detailed in Appendix B.
- 4.2 Information about the role of school governors is available on the County Council website via this link:

<https://www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/information-for-governors/>

5. **Proposal**

That the Committee makes the nomination (s) of Governors as set out in the recommendation above and Appendix A.

6. **Resources**

There are no resource implications arising from this decision as it is a nomination to a governing body.

Factors taken into account

7. **Consultation**

Local county councillors, head teachers and chairmen of governors have been consulted on all applications received. It is assumed that all are in support unless objections are received by Governor Services and/or the local county councillor.

8. **Risk Management Implications**

There may be a risk that on-going vacancies on a school governing body above a level of 25% will weaken its effectiveness.

9. **Other Options Considered**

County councillors can decide not to make a nomination to a governing body. They may defer an application if they require further information or consultation to enable them to come to a decision. In such a case the Governing Body cannot make an appointment.

10. **Equality Duty.**

The Equality Duty does not need to be addressed as it is a decision making an appointment or nomination to a governing body.

11. **Social Value**

None

12. **Crime and Disorder Act Implications**

None

13. **Human Rights Implications**

None
