

Forward Plan of Key Decisions

Explanatory Note

The County Council must give at least 28 days' notice of all key decisions to be taken by members or officers. The Forward Plan includes all key decisions and the expected month for the decision to be taken over a four-month period. Decisions are categorised in the Forward Plan according to the [West Sussex Plan](#) priorities of:

- Best Start in Life
- A Prosperous Place
- A Safe, Strong and Sustainable Place
- Independence in Later Life
- A Council that Works for the Community

The Forward Plan is updated regularly and key decisions can be taken daily. Published decisions are available via this [link](#). The Forward Plan is available on the County Council's website www.westsussex.gov.uk and from Democratic Services, County Hall, West Street, Chichester, PO19 1RQ, all Help Points and the main libraries in Bognor Regis, Crawley, Haywards Heath, Horsham and Worthing.

Key decisions are those which:

- Involve expenditure or savings of £500,000 or more (except decisions in connection with treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	The title of the decision, a brief summary and proposed recommendation(s)
Decision By	Who will take the decision
West Sussex Plan priority	See above for the five priorities contained in the West Sussex Plan
Date added to Forward Plan	The date the proposed decision was added to the Forward Plan
Decision Month	The decision will be taken on any working day in the month stated
Consultation/ Representations	Means of consultation/names of consultees and/or dates of Select Committee meetings and how to make representations on the decision and by when
Background Documents	What documents relating to the proposed decision are available (via links on the website version of the Forward Plan). Hard copies of background documents are available on request from the decision contact.
Author	The contact details of the decision report author
Contact	Who in Democratic Services you can contact about the entry

For questions about the Forward Plan contact Helena Cox on 033022 22533, email helena.cox@westsussex.gov.uk.

Cabinet Member for Children and Young People

Adoption of an Improvement Plan for Children's Services	
<p>The County Council's Children's Services were the subject of an inspection by Ofsted in late February/early March 2019. The report detailing the inspection outcome was published on 8 May 2019 with the inspectors finding the overall effectiveness of Children's Services to be 'inadequate'.</p> <p>In response an Improvement Plan is being developed to address the findings of the report and set out how the County Council will implement the necessary measures to deliver improvement within Children's Services.</p> <p>The Cabinet Member for Children and Young People will be asked to approve the adoption of the Improvement Plan for Children's Services for submission to the Department for Education.</p>

Cabinet Member for Education and Skills

<p>Allocation of Funding for Investment in Site Security and Fencing Improvements in West Sussex Maintained Schools</p>
--

The County Council has 284 school sites making up 29% of the total Council estate. Current funding available in the Capital Programme for schools is solely for the purposes of Basic Need (increasing school places) and Capital Maintenance (condition issues).

Following distribution of the County Council School Lockdown Policy, which provides guidance on managing the safety of staff and pupils during a potential incident, and as a result of individual school risk assessments, a number of schools have requested exceptional support with funding improvements to school sites which directly link with ensuring the safeguarding of the children in their care. These requests mainly relate to the need for improved boundary fencing to secure the school site. Current funding devolved to schools direct, i.e. Devolved Formula Capital Grant is not proving sufficient to fully fund these works.

The Capital Maintenance budget for the 2019/20 year is fully committed, therefore a specific capital allocation is sought to enable improvements to be carried out at a number of school sites to minimise the risk to pupils and staff of intruders and/or to ensure the site is sufficiently secure to ensure our most vulnerable pupils are safe and secure whilst on site.

The Cabinet Member for Education and Skills will be asked to approve the allocation of £619,000 for funding these works to be financed from future years' Schools Capital Maintenance budgets.

Executive Director of Place Services

Award of Contract for the expansion works to Nyewood Junior School, Bognor Regis

Due to growing demand for school places, an expansion project was undertaken at Nyewood Junior School in 2015 to increase the published admission number from 75 to 90 places per year. A new school hall is required to complete the expansion. The Cabinet Member for Education and Skills will be asked to approve the allocation of funds required

to enable the project to proceed and to delegate authority to the Executive Director of Place Services to award the contract for the works.

Following receipt of this approval from the Cabinet Member, the Executive Director of Place Services will be asked to award the construction contract for the new hall for Nyewood Junior School.

Cabinet Member for Children and Young People

Formation of a Regional Adoption Agency	
<p>Following the Government Paper in 2016- Adoption- A Vision for Change, all Local Authority Adoption Agencies are required to form Regional Adoption Agencies (RAA) to assist in increasing the number of children placed locally and improve outcomes for children.</p> <p>In order to work towards establishing a RAA for the Sussex and Surrey area, West Sussex County Council, East Sussex County Council, Surrey County Council and Brighton & Hove City Council have been working together under an informal arrangement - Adoption South East (ASE) since June 2016. This arrangement now requires formalising to meet the Government's expectation that all local authorities become part of a RAA by 2020.</p> <p>The Cabinet Member for Children and Young People will be asked to agree that the County Council forms a Regional Adoption Agency with East Sussex County Council, Surrey County Council and Brighton and Hove City Council, to be operational from April 2020</p>

Cabinet Member for Education and Skills

Small Schools Assessment	
<p>The West Sussex County Council School Effectiveness Strategy 2018-22 sets out the need for a diverse supply of strong schools across the county. It highlights that, where schools are identified as being at risk, in terms of their viability for optimum quality of provision, options for change need to be considered.</p> <p>A high level impact assessment is being undertaken to ascertain whether any schools may reasonably be considered to be at risk in relation to factors which represent indicators for viability and meet the case for consideration for change, namely federation, merger, relocation or closure, when assessed against the Department for Education statutory guidance.</p> <p>The Cabinet Member for Education and Skills will be asked to consider the outcome of this assessment work and determine the next steps, including engagement and undertaking consultation should specific proposals emerge that may lead to change at the following schools:-</p> <ul style="list-style-type: none"> • Clapham and Patching CE Primary School, Clapham, Worthing • Compton and Upmarden CE School, Compton, Chichester • Rumboldswyke CE Infants School, Chichester • Stedham Primary School, Stedham, Midhurst • Warninglid Primary School, Warninglid, Haywards Heath

Cabinet Member for Education and Skills

Woodlands Meed College Site, Burgess Hill - Allocation of Funding for Project Delivery	
<p>Woodlands Meed is a Special School and College for 2-19 year olds located in Burgess Hill. The existing accommodation at the College site has significant suitability and condition issues meaning the College is unable to offer the full curriculum and unable to accommodate the full range of Special Educational Needs.</p> <p>In order to address this, in February 2019 the Cabinet Member for Education and Skills took a decision (ES18 (18/19)) to approve the allocation of £0.5m from the Capital Programme to enable a costed design to be produced for rebuilding and expanding Woodlands Meed College on its current site. This has involved the appointment of a full design team through the County Council's Multi-Disciplinary Consultant to undertake the design work required to develop the feasibility design into a formal proposal enabling costs to be sought for all elements of the proposal.</p> <p>The Cabinet Member for Education and Skills will be asked to agree the allocation of funds from the Capital Programme to enable the rebuilding and expansion project at Woodlands Meed to proceed.</p>

Cabinet Member for Education and Skills

Expansion of Manor Green Primary School, Crawley
The Special Educational Needs and Disability (SEND) Strategy 2016-2019 aims to

provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision to meet two specific areas of SEND - Autistic Spectrum Condition and Social, Emotional and Mental Health.

Following a review of current provision and anticipated future need, in early January 2019 the Cabinet Member for Education and Skills agreed a statutory notice to increase space at Manor Green Primary School in Crawley ([Decision reference ES16 \(18/19\)](#)). The school caters for a wide-range of Special Educational Needs, particularly for children with moderate and severe learning difficulties, complex social and communication difficulties or those who have been identified as having an Autistic Spectrum Condition. The increase in space would enable the school to increase planned places by 36 from 164 to 200.

To accommodate the additional pupils two further classrooms will need to be built. The feasibility work for the project has now been completed. Following detailed design and a competitive tendering exercise the Cabinet Member will be asked to approve the allocation of the funds required to enable the project to proceed.

Cabinet Member for Education and Skills

SEND and Inclusion Strategy 2019-2024
West Sussex County Council has been developing a new Strategy to support the inclusion of all children and young people, particularly those with Special Educational Needs and Disabilities (SEND). This Strategy builds on the County Council's current SEND Strategy for 2016-2019 and the outcomes of the 2018 Ofsted/CQC SEND Local Area Inspection.

The new SEND and Inclusion Strategy for West Sussex 2019-2024 has been co-produced with key stakeholders including education representatives, parents and carers. The draft Strategy has been the subject of public consultation to seek feedback on the proposed vision, priorities and activities by which the Council will shape its work and decisions in relation to SEND over the next five years, and to inform the development of the new Strategy.

The Cabinet Member for Education and Skills will be asked to consider the outcome of the consultation and approve the Strategy and Implementation Plan for publication.

A Prosperous Place

Cabinet Member for Highways and Infrastructure

A259 Littlehampton Corridor Improvements

The A259 Littlehampton Corridor improvement scheme comprises dualling the existing single carriageway between the new Fitzalan Link Road (east of the Wick Roundabout) and the Body Shop Roundabout as well as between the Station Road Roundabout and A280 Roundabout. Additionally, new cycling and pedestrian facilities will be provided adjacent to but separated from the carriageway.

A decision was taken by the Cabinet Member for Highways and Infrastructure (HI25

17/18) in January 2018 in relation to the plans for improvements to the A259 between Worthing and Littlehampton.

The Cabinet Member for Highways and Infrastructure will be asked to approve the capital allocation for the improvement scheme and award the construction contract.

Cabinet Member for Finance and Resources

Capital Funding: Demolition of County Buildings in Crawley

In August 2017 the Leader approved the Crawley Growth Programme [LDR04 17.18](#) and following approval of the business case by the West Sussex Local Enterprise Partnership, delegated authority to the Executive Director Economy, Infrastructure and Environment (now the Director of Place Services) to progress the projects. Redevelopment of the County Buildings site in Crawley, currently within West Sussex County Council ownership, is central to achieving committed outcomes in both the Crawley Growth Programme and the One Public Estate Programme. Initial viability work has identified the opportunity to deliver up to 195 homes and 4,780sqm of commercial space on the site offering an annual yield of over £1m and a significant capital receipt. Much of the site is empty, has been dormant for a number of years and was declared surplus to county council requirements in January 2018 [FR17 17.18](#). A few services remain on the site and work in underway to relocate these. A decision is now sought to demolish the County Buildings to enable redevelopment of the site.

The Cabinet Member for Finance and Resources will be asked to approve the allocation of

£0.857m of funding in the West Sussex County Council (WSCC) Capital Programme to enable the demolition of the property owned by WSCC at County Buildings in Crawley.

Framework for managing planned events on West Sussex highways	
<p>During the past few years West Sussex has seen an increase in events taking place on the highway across the county. In order to realise the benefits from such events, the impacts on the community must be adequately considered and mitigated.</p> <p>A Framework for co-ordinating and approving events on West Sussex highways is being developed and will set out a clear timeline and process for the approval of road closures to ensure it is consultative and transparent, whilst balancing the impacts versus the benefits. It also sets out expectations in relation to how partners and event organisers communicate and co-ordinate to minimise any impact attributed to events.</p> <p>The Cabinet Member will be asked to approve a framework for co-ordinating and approving events on West Sussex highways.</p>

Cabinet Member for Highways and Infrastructure

Highways and Transport Service Area Review - Highway Maintenance Plan	
<p>The County Council, in its capacity as Highway Authority, has a duty to maintain the highway under Section 41(1) of the Highways Act 1980. However, the Act does not specify the levels of service required in order to meet that duty. In previous years, documents have been produced which detailed the highway maintenance service levels customers could expect to receive.</p> <p>A document named "Well-managed Highway Infrastructure" was published in October 2016, replacing "Well-maintained Highways", "Management of Highway Structures" and "Well-lit Highways". Like its predecessors, "Well-managed Highway Infrastructure" is a national, non-statutory code of practice which sets out a series of general principles for highway maintenance. It is endorsed and recommended by the Department for Transport and its production has been overseen by the UK Roads Liaison Group (UKRLG) and its Roads, Bridges and Lighting Boards.</p> <p>In order to demonstrate that the County Council complies with the principles of "Well-managed Highway Infrastructure", a robust decision-making process must be demonstrated, an understanding of the consequences of those decisions, and how the associated risks are managed to ensure highway safety. As part of that process, a new Highway Maintenance Plan needs to be produced, which clearly sets out the levels of service customers may expect and which integrates with a revised "Safety Plus" inspection manual.</p> <p>The Cabinet Member for Highways and Infrastructure will be asked to approve a new Highway Maintenance Plan, including a review of service levels currently delivered, and propose changes to service levels if required.</p>

Transport for the South East: response to consultation about statutory status	
<p>Transport for the South East (TfSE), a sub-national transport body that currently operates in 'shadow' form, is seeking to obtain statutory status. The body has the twin purpose of facilitating the delivery of a regional transport strategy and promoting economic growth in the South East. If it gains statutory status, TfSE will enable local transport authorities in the South East, including the County Council, to provide a single voice to Government on strategic transport issues and influence national investment decisions.</p> <p>TfSE is consulting on a draft proposal that will set out the membership, voting powers, decision-making arrangements, functions and general powers that it is seeking for the body through obtaining statutory status.</p> <p>The Cabinet Member for Highways and Infrastructure will be asked to approve the County Council's consultation response and, subject to there being no substantive changes to the final proposal, delegate authority to the Director for Highways, Transport and Planning to submit the final proposal to Government.</p>

A2300 Corridor Improvements - submission of full business case and award of construction contract(s)

The Department for Transport (DfT) has allocated, in principle, £17m of Local Growth Fund (LGF) to support the delivery of the A2300 corridor improvements scheme, subject to submission and approval of a full business case. Following the submission of an outline business case by the County Council in June 2018, £1.70m of the LGF was provided by the DfT to assist with the design and development of the full business case.

In June 2019, the Cabinet Member for Highways and Infrastructure [delegated authority](#) to the Director of Highways, Transport and Planning to submit the full business case and to award the construction contract to the selected contractor.

The Director of Highways, Transport and Planning will be asked to submit the full business case and, following approval of the full business case by the DfT, to award the construction contracts to the selected contractor.

Director of Highways, Transport and Planning

A29 Realignment Scheme - award of design contract

The proposed A29 Realignment Scheme will deliver a 4.34km road to the east of Eastergate, Westergate and Woodgate villages. The new road alignment will provide the highway infrastructure needed to support the planned strategic development of the area by providing access to land for residential and commercial development. The new road will also alleviate traffic congestion along the existing A29, notably at the Woodgate level crossing which causes delays on to a key access route into Bognor Regis.

Subject to the approval of the Transport Business Case by the Coast to Capital Local Enterprise Partnership (C2CLEP), the County Council will enter into a Funding Agreement with the C2CLEP for the entire scheme, which will be delivered in at least two phases. This decision relates to phase one between the A29, Fontwell Avenue and the B2233, Barnham Road.

In February 2019, the Cabinet Member for Highways and Infrastructure [delegated authority](#) to the Director of Highways and Transport to tender, procure and award the services of design and build and contract administration from the approved list of contractors on the Highways and Transport Frameworks.

Following the competitive tender exercise, the Director of Highways, Transport and Planning will be asked to award the design and build and contract administration contract to the selected contractor.

Executive Director of Place Services

Worthing Portland Road Public Realm Works - Adur and Worthing Growth Programme

The approved Adur and Worthing Growth Programme identified public realm improvements in Worthing town centre to support the development of the regeneration sites and the town's future economy. A £12m programme of 8 public realm schemes

between the station and the seafront was identified. West Sussex County Council (WSSCC) have committed £5m of growth funding towards the programme to specifically deliver two of the schemes in key locations - Portland Road and South Street. Worthing Borough Council (WBC) are committing to fund the remainder of the schemes through CIL, s106 contributions and direct developer contributions.

Delivering these key regeneration sites in the town will bring forward additional homes, jobs and leisure facilities. The public realm programme of schemes will also provide better north south connectivity between the station and the town centre and create a more experienced based location that will help the town centre economy thrive into the future.

The preliminary design for the Portland Road scheme will be completed first with South Street following along later in the year. The preliminary design for Portland Road is the culmination of several stakeholder and public workshops and exhibitions and a public consultation in February. Its design will attract new users to the area and encourage dwell time in the town centre for the benefit of the businesses and local economy.

The Executive Director of Place Services is asked to give authority to proceed with the procurement for delivery of the Portland Road public realm scheme.

A Strong, Safe and Sustainable Place

Director of Adults' Services

Procurement Process for Housing Related Support Contracts

The current housing related support contracts commissioned by the County Council end

on 30 September 2019, further to the Cabinet Member for Adults and Health's decision in December 2018 (Report Reference AH11 18/19). These services need to be recommissioned based on the revised financial envelope for these services.

To aid this process the council has rated the service using a RAG rating indicated the strategic fit with statutory duties and prevention. Services rated as green are a high priority for continued funding, albeit with efficiencies. These are services which support the Council's statutory duties in relation to adults with complex needs and children. The proposed approach for these services is a single tender re-procurement.

Services rated red are unlikely to attract on-going funding as they do not meet statutory needs and work is underway to end this provision.

Services rated amber are those services which have brought support as priorities across the district and boroughs and could form part of the Councils preventative offer. The exact services commissioned will be subject to the outcome of a joint piece of work. This group is due to report its findings in June 2019. The proposal is for these services will be extended until March 2020 and a re-procurement to commence from September 2019.

The Director of Adults Services will be asked to agree;

- 1) the commencement of a single tender processes for High Priority services for continued funding in August 2019 for contracts to commence from 1 October 2019; and
- 2) the extension of contracts for those services that are subject to further analysis until 31st March 2020 and commence open procurement processes in autumn 2019 for contracts to commence from 1st April 2020.

Cabinet Member for Adults and Health

Procurement of Public Health Services

The Services, which are currently delivered by GPs and Pharmacies, include but are not limited to: NHS Health Checks, Smoking Cessation, Contraceptive Implant, Emergency Hormonal Contraception, Intra-Uterine Contraceptive Device and Alcohol Identification and Brief Advice Services for the population of West Sussex.

Local Authorities are mandated to provide the NHS Health Checks Programme and the provision of contraception is a prescribed service under the conditions of the Public Health Grant. All of the services contribute to improvement of population, public health outcomes and reductions in health inequalities.

The new arrangement will be effective from 1 April 2020 and will run for three (3) years with the possibility of a further extension of up to two (2) years built into the terms of the contract. The contract will be funded through the Public Health Grant.

The Cabinet Member for Adults and Health is asked to agree the commencement of a procurement process for the provision of Public Health Services in the form of an approved supplier list and to delegate decisions regarding the award and extension of the supplier list to the Director of Public Health in consultation with the Cabinet Member for Adults and Health.

Independence in Later Life

Director of Adults' Services

Commissioning of Hospital Discharge Care Service

Health and Social Care in West Sussex are working together to develop and implement a pathway for people who are medically fit for discharge from acute hospitals but who may have continuing health or social care needs. People meeting these criteria and who do not require 24 hour care would be supported to return home immediately through this 'Home First' pathway without having their care needs assessed in hospital. The service will provide support to meet people's immediate needs at home whilst an assessment is completed. Following this assessment the need for ongoing support will then be considered. The aim will be to maximise the use of community support and to enable people to remain living as independently as possible.

The decision will be to commission hospital discharge social care services, which will form one part of the multi-agency support that will be provided to patients on their return home. This includes plans to provide a county wide cohesive service that aligns with health services and enables the 'Home First' care pathway to be fully implemented across West Sussex.

The Director for Adults Services will be asked to approve the initial funding for the hospital discharge care provision and to approve the commencement of a procurement process to source the service for when people leave hospital through this pathway. The service should be in place by April 2020 but an interim solution is planned for October 2019.

Cabinet Member for Adults and Health

Contract Arrangements - In House Adult Social Care

The Cabinet Member for Adults and Health is asked to agree to the commencement of a procurement process starting in August 2019 to secure a contract relating to the provision for the redevelopment of Chestnuts and Judith Adams Adult Day care centres in West Sussex for delivery of work for February 2020.

The existing centres are under capacity and not suitable with maintenance and compliance issues. Therefore, the centres can't be used to their full capacity. This redevelopment would allow for an increase in numbers from the Wrenford Day Centre and this site returned to the West Sussex County Council's development team.

Funding will be provided by Capital Programme allocation of £3million.

The procurement will be conducted using an open book tender and a decision will be based on quality and cost. A pre-tender exercise will be undertaken to determine quality of contractors prior to inviting to tender.

The Cabinet Member for Adults and Health will be asked to agree the allocation of funds from 'Choices for the future' capital programme for the total value of the overall project which is estimated at £2.6 million and the commencement of procurement. The award of contract will be delegated to the Director of Adult Services.

Cabinet Member for Adults and Health

Development of an Extra Care Housing Scheme in East Grinstead

Enabling residents to remain independent in later life is one of the key objectives of the West Sussex Plan. To this end, the Council has indicated a willingness to invest in social care infrastructure projects which help to make this possible.

Extra care housing has been identified as a particularly effective means of enabling people with care needs to remain independent, living in purpose-built homes within a residential setting with some communal amenities and an on-site care service. The proposal being put forward is to support the development of new extra care housing scheme comprising 48 flats on the site of a former supported housing scheme in East Grinstead.

The site is owned by Eldon Housing Association which has obtained planning permission and a commitment to grant funding from Homes England, however additional funding from WSCC will also be required if the scheme is to proceed.

The Cabinet Member for Adults and Health will be asked to approve the provision of approximately £0.96m from the Council's Capital Programme to Eldon Housing Association to support the development of this scheme, following the implementation of a business case and necessary approval arrangements to ensure that the required capital resources are available.

Commissioning of a Commercial Property Agent	
<p>The Cabinet Member for Finance and Resources will be asked to consider the commissioning of commercial property agent.</p> <p>The County Council's Future West Sussex Plan set out its ambition to minimise the burden of local taxation, delivering the best outcomes for residents with the money it</p>	

spends, whilst living within its means. To do this the Council needs to find new and innovative ways of creating additional revenue to maintain and improve standards in the delivery of essential public services. The County Council aims to take a strategic approach to generate sustainable income streams and providing opportunity for capital growth by investing in commercial property.

The County Council commenced a programme to acquire commercial investments following approval of its Asset Management Strategy in September 2018 and has since acquired two commercial investment properties for revenue return, one in Crawley in November 2018 and one in Hove in February 2019. Procurement of a Commercial Property Agent is now proposed via a mini competition from the Homes and Community Agency's Consultant Technical Panel – Property. The Agent will acquire additional property for the portfolio and manage the portfolio, including provision of advice on performance, lease renewal negotiations and rent review negotiations.

Cabinet Member for Corporate Relations

Procurement "Soft" Facilities Management Services Contract

The County Council provides soft Facilities Management services throughout the corporate estate. It also makes these contracts accessible to schools to buy in to at their discretion. The current contracts for cleaning, security and grounds maintenance will expire in October 2020.

The scope of the new contracts, in addition to the core services listed above will include the provision of washroom consumables and associated services relating to cleaning, hygiene and confidential waste disposal in the Council's office buildings.

The Cabinet Member will be asked to agree to the commencement of a compliant tender process and to delegate to the Executive Director of Resources the authority to award contracts to the value of £2m per annum.

It is proposed that the procurement tender process will commence in August 2019, the contract to be awarded in June 2020 and commence on 1 October 2020.

Decision By	Mr Lanzer - Cabinet Member for Corporate Relations

Cabinet Member for Corporate Relations

Procurement of a Business Management Solution

The Council's core back office support services, Payroll, Human Resources

and Finance currently rely on a system provided by SAP SE which was acquired in 2001. It is necessary to replace this system as the current one cannot meet future business needs. The support and maintenance contract ends in 2021 and SAP has given notice that it will no longer support the current version of the system from 2025.

The Cabinet Member will be asked to endorse a procurement process for a replacement business management solution and to delegate authority to the Director Finance and Support Services to award the contract.
