

# Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by members or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to the [West Sussex Plan](#) priorities of:

- **Best Start in Life** (those concerning children, young people and schools)
- **A Prosperous Place** (the local economy, infrastructure, highways and transport)
- **A Safe, Strong and Sustainable Place** (Fire & Rescue, Environmental and Community services)
- **Independence in Later Life** (services for older people or work with health partners)
- **A Council that Works for the Community** (finances, assets and internal Council services)

The most important decisions will be taken by the Cabinet sitting in public. The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the County Council’s website and from Democratic Services, County Hall, West Street, Chichester, PO19 1RQ, all Help Points and the main libraries in Bognor Regis, Crawley, Haywards Heath, Horsham and Worthing. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

<b>Decision</b>	A summary of the proposal.
<b>Decision By</b>	Who will take the decision - if the Cabinet, it will be taken at a Cabinet meeting in public.

## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

<b>Woodlands Meed College Site, Burgess Hill - Allocation of Funding for Project Delivery</b>	
<p>Woodlands Meed is a Special School and College for 2-19 year olds located in Burgess Hill. The existing accommodation at the College site has a number of condition issues meaning the College is unable to offer the full curriculum and unable to accommodate the full range of Special Educational Needs.</p> <p>In order to address this, in February 2019 the Cabinet Member for Education and Skills took a decision (ES18 (18/19)) to approve the allocation of £0.5m from the Capital Programme to enable a costed design to be produced for rebuilding and expanding Woodlands Meed College on its current site. This has involved the appointment of a full design team through the County Council's Multi-Disciplinary Consultant to undertake the design work required to develop the feasibility design into a formal proposal enabling costs to be sought for all elements of the proposal.</p> <p>It has since been agreed that a further survey of the existing building's condition and suitability to meet the needs of the College's students should be undertaken. Following the outcome of this survey Cabinet will be asked to agree the allocation of funds from the Capital Programme to enable the new investment at Woodlands Meed to proceed.</p> <p>.</p>

## Cabinet Member for Education and Skills

### Admission Arrangements for Community and Voluntary Controlled Schools in West Sussex and the Coordinated Scheme of Admissions

The County Council has a statutory duty to set the school admission arrangements for community and voluntary controlled schools in West Sussex and to publish a national scheme of coordination for all schools. The scheme of coordination allows parents to complete one application form to the authority in which they reside, this is to ensure that each child receives one offer of a school place. It is proposed that the coordinated scheme for the normal admission round remains the same for 2021

With regard to admission arrangements the proposal is to make changes to the oversubscription criteria in two areas, to include a higher priority for children of staff who have been in post for more than two years in the school to which they are applying; and to include children who are subject of a Special Guardianship Order (SGO) to be considered as the same as Children Looked After in order of priority.

There are also proposals for consultation to move the catchment area for the Kilnwood Vale Development in North Horsham from the catchment area of Waterfield Primary School and Ifield Community College to a new Kilnwood Vale catchment for primary aged children and Millais and Forest catchment area for secondary age children.

The Cabinet Member will be asked to endorse the proposed admission arrangements for community and voluntary controlled schools in West Sussex for the academic year commencing September 2021 and approve the coordinated scheme of admissions.

### **Award of Contract for the replacement of Modular Units at Southwater Infant and Junior Schools, Horsham - Phase 1**

In order to accommodate the demand for pupil places in the Southwater area of Horsham it is necessary to replace the modular teaching accommodation at Southwater Infant and Junior Schools. In January 2020 the Cabinet Member for Education and Skills approved the allocation of additional monies from Section 106 funds to enable this replacement work to take place (decision reference [ES07\(19/20\)](#)). As part of this decision he also delegated authority to the Director of Property and Assets to award the contract for carrying out these works.

The feasibility work and detailed design for the replacement of the four modular units have now been completed and planning permission granted. The work will be divided into two elements and tendered as two separate contracts:-

Phase 1 - The Supply and Installation of Modular Units

Phase 2 - Enabling Works

A competitive tendering exercise for Phase 1, will now commence. On completion the Director of Property and Assets will be asked to approve the award of the contract to the preferred provider to supply and install the Modular Units.

## Director of Property and Assets

### **Award of Contract for the replacement All Weather Pitch at The Weald School, Billingshurst**

The County Council has a statutory duty to provide sufficient primary and secondary

school places for all children who need a place. As part of the secondary school curriculum, Physical Education is a core subject and suitable provision is required to ensure a wide range of sport can be offered to ensure children are given the Best Start in Life.

The Weald School in Billingshurst accommodates 1700 pupils aged 11-18 and has a mix of indoor PE provision (sports hall, activity hall) and external provision (grass pitches, multi-use games area and All-Weather Pitch (AWP)).

The existing sand dressed AWP has reached the end of its life and requires replacement. The Cabinet Member for Education and Skills will be asked to approve the allocation of capital funding from Section 106 contributions to undertake a project to replace the AWP and delegate authority to the Director of Property and Assets to award the contract for the works.

Following receipt of this authority from the Cabinet Member the Director of Property and Assets will be asked to approve the award of contract to the preferred contractor to undertake the replacement of the AWP.

#### **Remodelling of Cissbury Lodge Children's Home, Worthing**

The children's in-house residential service is made up of six homes, of which three, including Cissbury Lodge, are currently closed and awaiting refurbishment whilst feasibility studies and design work are undertaken.

A strategy for the residential service was approved by the Cabinet Member for Children and Young People in October 2019 (decision reference [CYP03\(19/20\)](#)). It seeks to ensure that outcomes for vulnerable children are maximised and that long-term care costs are minimised. It is essential that the assets that enable support to children are redeveloped in order to support the delivery of this strategy as a part of

the wider 'children first' improvement plan being driven forward by the Council.

Cissbury Lodge's contribution to the delivery of this strategy will come through the remodelling of the home to ensure the most efficient use of the existing footprint of the homes whilst maximising the potential service offering of the site. £300,000 of capital funding has already been approved to develop a design which will deliver the following services;

- An enhanced short breaks service incorporating 4 beds for children with profound and multiple learning disabilities (PMLD), to help support parents in maintaining these children within their homes,
- A residential service incorporating 6 beds for children with learning disabilities, to make better use of Council resources in allowing children to be placed closer to home and preventing costly out of county placements, and
- An outreach function supporting children and families to create stable home environments and prevent admission into full-time placements

The Executive Director Children, Young People and Learning will be asked to approve the allocation of £2.852m from the capital programme required to fund the delivery of works at Cissbury Lodge, and the commencement of a procurement process to appoint a contractor to undertake the remodelling.

## Cabinet

### Small Schools Proposals

In September 2019 the Cabinet Member for Education and Skills took a [decision](#) (decision reference ES02(19/20)) to approve the commencement of a consultation in relation to proposals for change at the following schools:-

- Clapham and Patching CE Primary School, Clapham, Worthing

- Compton and Up Marden CE School, Compton, Chichester
- Rumboldswyke CE Infants' School, Chichester
- Stedham Primary School, Stedham, Midhurst
- Warninglid Primary School, Warninglid, Haywards Heath

The consultation ended on 25<sup>th</sup> November 2019. Following assessment of the outcome of the consultation the Cabinet took a [decision](#) to consult on the following specific proposals (decision reference CAB10(19/20)):-

- a) Closure of Clapham and Patching C of E Primary School by September 2020 whilst continuing to discuss academisation proposals which the County Council will encourage and support.
- b) Closure of Rumboldswyke C of E Infant School effective September 2020.
- c) Relocation of Warninglid Primary School and the federation of the school by September 2021 (subject to developers progress).
- d) Closure of Stedham Primary School by September 2020, whilst continuing to encourage and assist the school in its discussion on federation, which if agreed by the end of the consultation period (16 March 2020), will result in the consultation ceasing.

The consultation commenced on 3<sup>rd</sup> February 2020 and closes on 16<sup>th</sup> March 2020. As significant progress with proposals to form a federation with another school had been demonstrated, on 7 February 2020 the proposed closure of Stedham Primary School was removed from the consultation process.

Following assessment of the outcome of the consultation the Cabinet will be asked to determine the next steps and whether the proposals should be implemented.

### Remodelling of May House and Seaside Children's Homes

The children's in-house residential service is made up of six homes, of which three, including May House and Seaside, are currently closed and awaiting refurbishment whilst feasibility studies and design work are undertaken.

It is essential that the assets that enable support to children are redeveloped in order to support the delivery of this strategy as a part of the wider 'children first' improvement plan being driven forward by the Council.

To support the delivery of this strategy, the May House and Seaside sites will be remodelled to ensure the most efficient use of the existing space whilst maximising the potential service offering of each site. £225,000 of capital funding has already been approved to develop designs which will deliver the following services;

- For May House, to provide emergency placements of up to 28 days to facilitate appropriate assessments, particularly for those young people with complex needs who require support to divert them away from secure care, and
- For Seaside, to provide placements for children on the 'edge of care' who are at risk of entering the care system, to work with these children and young people to help them into a supported placement or prepare them for independent living

The Executive Director Children, Young People and Learning will be asked to approve the allocation of £2.503m from the capital programme required to fund the delivery of works at May House and Seaside, and the commencement of a procurement process to appoint a contractor to undertake the remodelling at both sites.

### **Contract Extension for the Provision of Adult Education Services provided by Aspire Sussex Ltd**

The provision of Adult Education Services is delivered through a contract with Aspire Sussex Ltd. The contract was let on a 3 year term, commencing 1 August 2017, with the option for a 2 year extension. The services provided through the contract include the delivery of a wide range of community learning and adult skills courses, including courses for those with learning difficulties.

The initial contract term ends in August 2020; the Director of Education and Skills will be asked to approve the extension of the contract for a further two years to 31 August 2022. Taking up the extension will allow the County Council to explore future delivery models.

##### **Expansion of Queen Elizabeth II Silver Jubilee School, Horsham**

The Special Educational Needs and Disability (SEND) Strategy 2019-2024 aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs. There is a requirement to both increase places at certain special schools and to ensure existing school accommodation meets the needs of the pupils on roll.

Following a review of current numbers on roll and the existing accommodation at Queen Elizabeth II Silver Jubilee School in Horsham the need for additional accommodation has been identified, to ensure suitable provision for the needs of the pupils currently on roll. The school caters for a wide-range of Special Educational Needs and Disability for pupils aged between 2 and 19, including children with severe learning difficulties, complex social and communication difficulties, profound and multiple learning difficulties and complex needs.

A proposed project to deliver an increase in space would enable the school to offer suitable accommodation and support spaces for 105 pupils.

The feasibility work for the project to accommodate the pupils is now underway. Following detailed design and associated cost estimates the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

<b>Award of contract for remodelling works at May House and Seaside Children's Homes</b>	
<p>The children's in-house residential service is made up of six homes, of which three, including May House and Seaside, are currently closed and awaiting refurbishment whilst feasibility studies and design work are undertaken.</p> <p>A strategy for the residential service was approved by the Cabinet Member for Children and Young People in October 2019 (decision reference <a href="#">CYP03(19/20)</a>). It seeks to ensure that outcomes for vulnerable children are maximised and that long-term care costs are minimised. It is essential that the assets that enable support to children are redeveloped in order to support the delivery of this strategy as a part of the wider 'children first' improvement plan being driven forward by the Council.</p> <p>To support the delivery of this strategy, the May House and Seaside sites will be remodelled to ensure the most efficient use of the existing space whilst maximising the potential service offering of each site.</p> <p>As part of a separate decision process approval will be sought from the Executive Director Children, Young People and Learning for the commencement of a procurement to undertake these remodelling works. Once the procurement process has been completed the Executive Director will be asked to agree the award of a contract to the preferred contractor for the delivery of works at May House and Seaside Children's Homes.</p>

<b>Adoption of the West Sussex Children First Strategic Approach</b>	
<p>In collaboration with partners across West Sussex the County Council is developing a West Sussex Children First Strategic Approach. This will set out the direction and commitment for how partners in West Sussex will deliver a shared vision for children and young people placing children at the heart of all we do.</p> <p>It will be a single over-arching strategic approach based on the West Sussex Plan, the Health and well-Being Strategy and Children's Services Practice Improvement Plan for Social Care as well as other key strategies where outcomes for children, young people and their families will be improved. It will set out how West Sussex will be a great place for children and young people, where all, including those who are vulnerable or disadvantaged, have the best possible start in life and are supported by the whole community to succeed.</p> <p>Cabinet will be asked to approve the adoption of the West Sussex Children First Strategic Approach.</p>

### Crawley Growth Programme: Approval of amendments to project funding allocations

In August 2017 the Leader approved the Crawley Growth Programme [LDR04 17.18](#) and following approval of the business case by the West Sussex Local Enterprise Partnership, delegated authority to the Executive Director Economy, Infrastructure and Environment\* to progress the projects. In December 2017 [OKD03\(17-18\)](#) the Executive Director Economy, Infrastructure and Environment\* agreed Crawley Growth Programme project funding allocations and delivery governance.

\* post is now *Executive Director of Place Services*

A number of projects have been developed, designed and delivered under the guidance of the Crawley Growth Board. This includes a successful bid to the Coast to capital LEP for an additional £820k of funding and the extension of the programme.

The Cabinet Member is asked to approve amendments to project funding allocations, within the overall Programme funding allocation including the addition of £820k to the programme budget which will be used to extend the Manor Royal Bus Lane project. The decision will also update project governance to reflect current project estimates and delivery routes supported by the Crawley Growth Board including the funding agreement with Crawley Borough Council.

### **Adur and Worthing Agency Agreement for Parking Services**

In 2015, the County Council entered into a five-year Agency Agreement with Adur and Worthing local authorities for the procurement, management and operation of Civil Parking Enforcement and the operational management of the Worthing Controlled Parking Zone.

The Agreement, which expires on 31 March 2020, has been reviewed and the County Council wishes to extend the Agreement subject to some variations that reflect current working practices.

The Director for Highways, Transport and Planning will be asked to approve the extension of the Agency Agreement for a period of four years.

#### **Concessionary Travel Scheme - award of bus pass manufacture and administration contract**

The Council has a statutory responsibility as a Travel Concession Authority to administer a Concessionary Travel Scheme that provides free bus travel to eligible older and disabled persons.

The West Midlands Combined Authority (WMCA), which comprises 18 local authorities and four Local Enterprise Partnerships, has awarded Smartcard framework agreements following an extensive European procurement. The benefits include:

- Competitive dialogue has allowed WMCA to select the best service
- Local Authority partners don't need to undertake their own procurement
- Economies of scale due to a shared service
- Option for a long-term arrangement

- Easy and cost-effective upgrade options built in

The Director for Highways, Transport and Planning will be asked to approve the direct award of a bus pass manufacture and administration services contract under the West Midlands Combined Authority Framework.

#### **Highways and Transport Delivery Programmes 2020/21**

The Highway and Transport Delivery Programmes identify capital highways infrastructure maintenance and transport improvement schemes for delivery during 2020/21 and beyond. Capital funding for the Delivery Programmes is predominantly received from the Government for roads maintenance (the Local Highway Maintenance Block), and transport improvements (the Integrated Transport Block) supported by additional funding from developer agreements and contributions.

The indicative forward programmes for Highway Infrastructure Maintenance, Local Transport Improvements (LTIP) and Community Highway Schemes (CHS), have informed the 2020/21 Highways and Transport Delivery Programmes. These provide transparency of the maintenance and improvements investment needs, and the funding priorities prepared and selected for review and approval in this decision.

The Cabinet Member will be asked to approve –

1. The Local Highway Maintenance Block funded Delivery Programmes to allow implementation of schemes for delivery from 1 April 2020.
2. The Integrated Transport Block funded Delivery Programmes to commencement and implementation of schemes from 1 April 2020.

<p>3. That the Highway and Transport Delivery Programme for 2020/21 is circulated to County Local Committees and other appropriate stakeholders and published on the West Sussex highways webpages for information.</p> <p>4. That the Director of Highways, Transport and Planning has delegated authority to adjust the 2020/21 Highway and Transport Delivery Programme to take account of budgetary pressures and any changes in priority arising as a result of network availability, emergencies, or other operational circumstances, in consultation with the Cabinet Member.</p>

<b>Worthing Public Realm Works - Adur and Worthing Growth Programme</b>
<p>The approved Adur and Worthing Growth Programme identified public realm improvements in Worthing town centre to support the development of the regeneration sites and the town's future economy. A £12m programme of 8 public realm schemes between the station and the seafront was identified. West Sussex County Council (WSCC) committed £5m of growth funding to deliver the first phases of the programme. Worthing Borough Council (WBC) are committing to fund the remainder of the schemes through CIL, s106 contributions and direct developer contributions.</p> <p>Portland Road was identified as the first phase with South Street following on later. Following the working up of the preliminary designs for Portland Road the detailed costs</p>

to deliver the scheme rose from the initial options appraisal estimate of £1m to £2.7m. This was based on extensive public consultation and work with the Worthing Town Centre Improvements Project Board. Portland Road is still deliverable within the WSCC committed growth funding, but the increased cost of Portland Road had an implication on the phasing of the public realm package and what the WSCC capital can deliver within this.

Following a public realm board meeting on 6th June it was decided that the initial South Street preliminary design work should be paused, with the exception of the completion of a bus operational study, and pushed back to later in the phasing plan when CIL money will become available. The remaining preliminary design funds were instead diverted to complete the detailed design work for Portland Road to get it ready for contract tender and procurement and delivery.

The remaining capital allocated to the public realm programme will allow WSCC to bring forward the Railway Approach scheme in the public realm package phasing plan and deliver it (estimated at £1.3m to deliver) instead of South Street (estimated at £4m to deliver).

Railway Approach is a pivotal scheme in the public realm package outside of Worthing Station. It will improve the accessibility of the station and links through to the town centre enhancing the resident and visitor experience of Worthing and help to provide a greater sense of place on arrival.

WBC committed to forward fund part of the design costs for Railway Approach so that design work could start immediately.

The Executive Director Place Services will be asked to give authority to proceed with the procurement for delivery of the Portland Road public realm scheme and to proceed with the design of the Railway Approach public realm scheme.

### Converged Fibre Connectivity

The County Council recognises the strategic importance of next generation connectivity that can facilitate the delivery of future public services and improve the local economy. Ultrafast (gigabit) broadband is the next generation of connectivity, capable of delivering speeds of 1Gb (1000Mb) or more using pure optical fibre. In partnership with all district and boroughs (through the West Sussex Full Fibre Programme Board), the County Council is working to make this infrastructure more readily available.

As an initial governance step, at its meeting on 18 February 2020 the West Sussex County Council Cabinet will be asked to endorse the Leader's approval of proposals for the allocation of the West Sussex business rate pool. The District and Borough Chief Executives and Leaders have agreed allocations for funding from the business rates pool for digital infrastructure projects and initiatives in flight and set to begin imminently. The decision asks to delegate to the Executive Director of Place Services the authority to implement the programme, including any project level key decisions, in consultation with West Sussex Councils' Chief Executives Group and the Cabinet Member for Economy and Corporate Resources

Should that endorsement be given, a project-level key decision will be required to deliver a Converged Fibre Connectivity bid in partnership with Coast to Capital Local Enterprise Partnership. The Executive Director will be asked to award a contract using the Scape Framework via a partnership with Mid Sussex District Council. The contract for network build will commence from April 2020 and will deliver open access duct and/or fibre to connect Crawley (including Manor Royal), Horsham and Haywards Heath to the Burgess Hill Fibre Exchange (BHFx).

### Partial demolition: County Buildings Crawley

In August 2017 the Leader approved the Crawley Growth Programme [LDR04 17.18](#) and

following approval of the business case by the West Sussex Local Enterprise Partnership, delegated authority to the Executive Director Economy, Infrastructure and Environment (title now the Executive Director of Place Services) to progress the projects. Redevelopment of the County Buildings site in Crawley, currently within West Sussex County Council ownership, is central to achieving committed outcomes in both the Crawley Growth Programme and the One Public Estate Programme. Initial viability work has identified the opportunity to deliver up to 195 homes and 4,780sqm of commercial space on the site offering an annual yield of over £1m and a significant capital receipt.

Decision FR07 (19/20) approved a full demolition of the site, however further work has identified benefit in moving towards a partial demolition of the site, this will allow services, including the Coroners court to remain on site.

The Executive Director will be asked to endorse a partial demolition leaving Centenary house in situ and commence procurement for the demolition phase of the project.

A further key decision to award the contract will be published in due course.

#### **Licensing of Tables and Chairs on the Highway**

It is a legal requirement for businesses to have a licence for tables and chairs positioned on the highway (this includes pavements) and the County Council must be able to assess each location for its suitability. The increasing number of tables and chairs on the highway has led to a significant rise in complaints.

The licence fee, which includes the cost of undertaking site assessments, legal work in preparing the licences, advertising and the on-going management of the scheme must ensure full cost recovery.

Further to the commitment to review the charging mechanism, there will be a full consultation with traders, stakeholders, the public and Members about the benefits of a scheme which takes into account the size of the area occupied by the tables and chairs.

The Cabinet Member will be asked to consider the outcome of the consultation and agree a fee structure for the positioning of tables and chairs on the highway.

#### **Supported Living Services Procurement**

Supported Living services are care, support and accommodation services purchased by the Council on behalf of people who have been assessed as having eligible social care needs. These services support people to live more independently through the provision of personal care and outreach support.

The council currently commissions the majority of these services from a framework agreement which first commenced in April 2012 (Supported Living & Personal Support for Adults with Learning Disability Framework). In 2016 a new framework was let (Supported Living and Family Support Services for adults with learning disabilities and disabled children and young people in West Sussex Framework). This framework ends in March 2021.

The commissioning of supported living is being reviewed with proposals being developed for new arrangements to be established across the county which will enable the achievement of our strategic aim to support more people to live in settled accommodation, with their family or in their own tenancy, for longer. The council will

develop new arrangements considering: the challenges faced in the market - particularly around recruitment and retention of staff; the provision for increasingly complex individuals; the need to strengthen community networks and maximise customer independence; and develop services which meet the expectations of customers and their families.

Following the review and wide-ranging stakeholder engagement, the Cabinet Member for Adults and Health will be asked to approve the commencement of a procurement process to source the future supported living services and delegate authority for Contract Award to the Executive Director Adults and Health.

#### Specialist Advocacy Service Award of Contract

The Specialist Advocacy Service will support customers with significant communication difficulties to have a voice and express their needs and wishes. Customers will be supported to resolve issues and difficulties which would otherwise have a negative impact on their physical and mental well-being. This Advocacy Service is a component part of the People Services prevention strategy which is designed to support demand management and delivery of value for money. It acts as an effective shield to costly frontline services and supports customers to resolve issues and difficulties independently, or with the support of an advocate.

Following the Cabinet Member for Adults and Health's decision, in October 2019 ([AH8 19/20](#)), to commence a competitive procurement exercise for a Specialist Advocacy Service, a robust open tender procurement process in compliance with West Sussex County Council Standing Orders on Procurement and Contracts has been undertaken.

The procurement attracted competitive bids which have been evaluated robustly on both technical and financial aspects. Prior to commencement of evaluation, it was agreed that the contractor submitting the most economically advantageous tender would be recommended for award of the contract and a successful bidder has been identified.

The Executive Director Adults and Health seeks to award the contract to the successful bidder and to extend the contract, if appropriate, in accordance with the County Council's Standing Orders on Procurement and Contracts, subject to this being affordable within the limits of planned budgets.

<b>Extension of Day Services Contracts (Adults with Learning Disabilities)</b>
<p>Learning disability day services are delivered through contracts with 9 independent organisations.</p> <p>These services, along with the Council's in-house day services, meet customers social care needs, as defined under the Care Act 2014, by promoting independent living and wellbeing by providing a range of functions:</p> <ul style="list-style-type: none"> <li>• Support to those that struggle to access their community independently and for those with complex physical needs - personal and/or practical care at the day centre;</li> <li>• Training and skills development to support independence;</li> <li>• Work based training and support to enable people to move into supported or open employment;</li> <li>• Coordination of social and recreational activities;</li> <li>• Provision of a meeting place to build relationships beyond those with carers and staff, thus reducing social isolation and loneliness;</li> <li>• Supported stimulating activities for people with profound multiple disabilities; and</li> <li>• Carers respite.</li> </ul>

Taking up the extension will allow the County Council and its health partners to explore future delivery models and associated cost structures which, in line with the Lifelong Disability and Autism Market Position Statement objectives, will lead to new models of support which focus on progression, increased independence and community based relationships resulting in a reduction of building base day services.

The contracts with the independent providers were let on a 5 year term, commencing 1<sup>st</sup> April 2015, with the option for a 2 year extension ([Decision Ref: HA11 12/13](#)). The Executive Director Adults and Health is asked to extend the contracts with the independent providers for a further two years to 31 March 2022.

<b>Adults' Services Improvement - Next Steps</b>
<p>In 2018 in response to identified pressures and service challenges within adult social care a peer challenge led to a 100-day plan of action followed by a three-year programme of improvement structured around 100-day milestones starting in November 2018.</p> <p>By the start of the improvement programme the service was in a better position and that progress has continued. During the summer of 2019 the service faced additional operational pressures and the improvement programme was refocused towards helping to address those.</p> <p>In October 2019 in order to increase the scale and pace of delivery, the Council appointed a strategic partner to carry out a diagnostic assessment across both Adults' and Lifelong Services to identify ways to improve service outcomes for people whilst identifying opportunities for more cost-effective ways of working. The output from this work describes the challenges facing the services and the specific actions that would</p>

<p>deliver long-term cost effective and sustainable improvement.</p> <p>The Cabinet will be asked to consider the outputs from this diagnostic assessment and agree the next stages for the ongoing improvement of the Adults' and Lifelong Services including the procurement of activity to drive their delivery.</p>

<p><b>Commissioning of Extra Care Contracts</b></p>
<p>West Sussex County Council are working in partnership with District &amp; Borough Councils, registered housing providers and registered care providers to develop and deliver extra care housing across West Sussex. The Council have commissioned care provision within 12 existing extra care services and are now looking to commence a procurement to source care provision for two new extra care housing schemes.</p> <p>Extra care housing provides specialist accommodation to adults primarily over the age of 55 years who require adapted properties and have eligible care and support needs as assessed in line with the Care Act 2014. The schemes provide individual adapted apartments, communal areas, a restaurant and an onsite care team. Extra care housing is enabling residents of West Sussex to remain independent within their communities</p>

and provides an alternative option to residential care.

In 2017, Following a key decision by the Cabinet Member for Adults and Health, ([Ref: ASCH916-17](#)) the Council set up a new dynamic purchasing system (DPS) framework for extra care housing. The DPS allows the Council to approve and add new appropriately qualified care providers to the framework at any time. All providers on the DPS will meet core requirements. When new schemes are developed or there is a need for a change of care provider in an existing scheme, the DPS will be used to source the care provision. Alongside the DPS, the 12 current schemes were awarded new care contracts for 3 years with the possibility of a further 2-year extension.

Since the commencement of the DPS two new extra care schemes have been in development with building work having now commenced on both. Monaveen in Westergate will open to its first residents in December 2020 and Lingfield Lodge in East Grinstead will be completed in March 2021.

The Cabinet Member for Adults and Health will be asked to agree the extension of the current contracts for existing services, extension of the DPS framework, and approval to commence a procurement process through the DPS to source the future care provision for the two new schemes.

Following procurement, the Cabinet Member for Adults and Health will be asked to delegate authority for contract award to the Executive Director Adults and Health.

##### **Discharge to Assess with Reablement Care Services**

Discharge to Assess with Reablement services are designed for hospital patients who are medically fit for discharge, but unable to immediately return home; it is a model recognised by NHS England as facilitating earlier discharge and/or reducing the number and length of delays in discharge from hospital for older people.

The key objectives delivered through Discharge to Assess are:

- Reduction of delayed transfers of care (DTC) between health and social care;
- reduced level of dependency for as many customers as possible;
- ensuring that no long-term decisions concerning customers' care needs are made in an acute setting

Contracts for the provision of Discharge to Assess with Reablement services were awarded in 2018, for an initial fixed term of 2-years with options to extend to a maximum of 5-years, through an EU Procurement exercise conducted following approval of Cabinet Decision [AH01 17-18](#).

The initial contract term comes to an end on 31<sup>st</sup> March 2020, an extension of 2-years has been requested by Adults Operations to support the Adults and Health Step-Up, Step-Down programme.

The Executive Director Adults and Health will be asked to agree the extension of the existing contracts for 2-years, commencing 1 April 2020.

### Development Agreements: New Monk's Farm

In October 2018 the Planning Committee of Adur District Council resolved to approve a planning application for 600 new houses and a retail store, to be built in Lancing on the site known as New Monks Farm, subject to completion of a section 106 planning agreement.

The County Council is a landowner of the gypsy and traveller site known as Withy Patch, which forms a small part of the land within the proposed development scheme. The gypsy and traveller site is currently located at the proposed access to the development site from the A27.

The County Council has been in negotiation with the developers, The Community Stadium Ltd (TCSL) regarding the sale or disposal by the County Council of the current gypsy and traveller site at Withy Patch and the provision of a new gypsy and traveller site within the New Monks Farm development.

The Cabinet Member will be asked to agree to the County Council entering into a development agreement with TCSL which provides for TCSL to construct a new gypsy and traveller site within the New Monks Farm development and for the reprovision of the gypsy and traveller site and facilities.

On completion of the construction of the new site the County Council will acquire the freehold estate of the new site, and will, in exchange, transfer the freehold estate of the current site to TCSL.

The County Council will keep current site residents updated on progress of the site transfer, engaged around plans regarding proposed new site facilities and supported during transition arrangements. The current site residents will be offered relocation to the new gypsy and traveller site on completion.

### Procurement of a Construction Framework

The County Council carries out repair, maintenance and refurbishment work throughout the corporate estate, a construction framework arrangement is required to deliver work around and within the County Council buildings. This will include repairs and refurbishment as well as new build requirements where needed. It will enable the County Council to place works orders with a variety of qualified contractors to deliver works that fall outside of the current maintenance contract.

The anticipated spend through the new Framework is approximately £48m over a maximum term of 4 years. The value of the Framework is greater than £4,733,252 ex VAT so, in order to comply with the requirements of EU/UK law (the Public Contract Regulations 2015) and the County Council's Standing Orders on Procurement and Contracts, an OJEU procurement must be run to establish a new Framework Agreement.

The Cabinet Member will be asked to agree to the commencement of a procurement process to begin in February 2020, contract to be awarded in June 2020 and commence on 1 July 2020 and to delegate to the Director of Property and Assets, the authority to award contract/contracts. Further forward plan entries and decision reports will be published as appropriate.
