## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

## Expansion of Queen Elizabeth II Silver Jubilee School, Horsham

The Special Educational Needs and Disability (SEND) Strategy 2019-2024 aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs. There is a requirement to both increase places at certain special schools and to ensure existing school accommodation meets the needs of the pupils on roll.

Following a review of current numbers on roll and the existing accommodation at Queen Elizabeth II Silver Jubilee School in Horsham the need for additional accommodation has been identified, to ensure suitable provision for the needs of the pupils currently on roll. The school caters for a wide-range of Special Educational Needs and Disability for pupils aged between 2 and 19, including children with severe learning difficulties, complex social and communication difficulties, profound and multiple learning difficulties and complex needs.

A proposed project to deliver an increase in space would enable the school to offer suitable accommodation and support spaces for 105 pupils.

The feasibility work for the project to accommodate the pupils is now underway. Following detailed design and associated cost estimates the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

**Executive Director Children, Young People and Learning**

**Award of contract for remodelling works at Cissbury Lodge Children's Home, Worthing**

The children's in-house residential service is made up of six homes, of which three, including Cissbury Lodge, are currently closed and awaiting refurbishment whilst feasibility studies and design work are undertaken.

A strategy for the residential service was approved by the Cabinet Member for Children and Young People in October 2019 (decision reference CYP03(19/20)). It seeks to ensure that outcomes for vulnerable children are maximised and that long-term care costs are minimised. It is essential that the assets that enable support to children are redeveloped in order to support the delivery of this strategy as a part of the wider 'children first' improvement plan being driven forward by the Council.

Cissbury Lodge's contribution to the delivery of this strategy will come through the remodelling of the home to ensure the most efficient use of the existing footprint of the homes whilst maximising the potential service offering of the site.

As part of a separate decision process approval will be sought from the Executive Director Children, Young People and Learning for the commencement of a procurement to undertake these remodelling works. Once the procurement process has been completed the Executive Director will be asked to agree the award of contract to the preferred contractor for the delivery of works at Cissbury Lodge.

**Director of Property and Assets**

**Award of contract for construction of new school hall at Thorney Island Primary School**

The County Council has a statutory duty to provide sufficient school places for all children who need a place. Over recent years there has been an increase in pupil

numbers at Thorney Island Primary School and an enlarged school hall is now required to provide sufficient and suitable accommodation for the additional children.

The Cabinet Member for Education and Skills will be asked to approve the allocation of capital funding from the Basic Need Capital Programme to enable the project to proceed and to delegate authority to the Director of Property and Assets to award the contract for the works.

Following receipt of this approval from the Cabinet Member, the Director of Property and Assets will be asked to award the construction contract to deliver the enlarged school hall.

## A Prosperous Place

### Executive Director Place Services

<b>Bid Endorsement: West Sussex Gigabit Voucher Scheme</b>	
<p>Gigabit Capable broadband is the next generation of connectivity, able to deliver speeds of 1Gb (1000Mb). Following decision <a href="#">CAB13 19-20</a> in February 2020, the County Council's Digital Infrastructure Team is working with partners, communities and suppliers to promote the Government Gigabit Voucher Scheme (GBVS) administered by the Department for Digital, Culture, Media and Sport (DCMS).</p> <p>Currently residents and small and medium enterprises (SMEs) in rural areas can obtain up to £1,500 and £3,500 respectively towards the cost of a gigabit capable installation. Despite this there are still instances where the scheme is still not viable for residents and SME's in some hardest to reach areas. The County Council therefore proposes to utilise the option to undertake a 'top up' to the GBVS scheme to increase the viability and attractiveness of the scheme in rural communities which include some of the hardest to reach and least commercially viable areas. This involves working with residents, SMEs and suppliers to aggregate demand in rural eligible areas. This will include promotion of the scheme, community engagement and allocation of resources to overcome barriers faced by rural communities.</p> <p>The Executive Director for Place Services will be asked to endorse a bid to the Department for Digital, Culture, Media and Sport (DCMS) to create a Gigabit Voucher Top Up Scheme to the value of up to £2.85m for West Sussex and the release of the necessary funds from the Business Rates Retention Pilot to enable the delivery of the scheme.</p>

<b>Licensing of Tables and Chairs on the Highway</b>	
<p>It is a legal requirement for businesses to have a licence for tables and chairs positioned on the highway (this includes pavements) and the County Council must be able to assess each location for its suitability. The increasing number of tables and chairs on the highway has led to a significant rise in complaints.</p> <p>The licence fee, which includes the cost of undertaking site assessments, legal work in preparing the licences, advertising and the on-going management of the scheme must ensure full cost recovery.</p> <p>Further to the commitment to review the charging mechanism, there will be a full consultation with traders, stakeholders, the public and Members about the benefits of a scheme which takes into account the size of the area occupied by the tables and chairs.</p> <p>The Cabinet Member will be asked to consider the outcome of the consultation and agree a fee structure for the positioning of tables and chairs on the highway.</p>

<b>English National Concessionary Travel Scheme - Discretionary Rail Cards</b>
<p>The ENCTS provides statutory free off-peak bus travel for eligible older and disabled people.</p> <p>The County Council is reviewing all areas of discretionary expenditure including where it funds senior rail cards as an alternative to a free bus pass for eligible older residents of West Sussex.</p>

This is not a statutory duty and so may be discontinued.

Users and other stakeholders have been consulted to help understand the impact of any changes to the current discretionary railcard offer. If this option is withdrawn, older residents will retain their entitlement to a free bus pass and may also choose to purchase a railcard for £30/year (or £70 for 3 years).

The Cabinet Member for Highways and Infrastructure will be asked to consider the outcome of the consultation and decide whether to retain the discretionary provision of senior rail cards as an alternative to the free bus pass.

#### **Extension of Contracts for Winter De-icing Salt and Gritter Fleet**

The supply of de-icing salt and the provision of a gritter fleet is critical to ensuring the County Council can meet its statutory duty to maintain the highways and to ensure that, so far as is reasonably practicable, safe passage along a highway is not endangered by snow or ice. The contracts for these services were awarded in 2019 and are due to end. Contract extensions are required for winter 2020/21.

The contracts for a winter gritting fleet and winter de-icing salt supply were let on a two-year term, commencing 21 and 23 May 2019 respectively, each with the option for a twelve-month extension. ([Decision](#) ref [H&I 01 19/20](#)).

### **Award of Contract: Converged Fibre Connectivity**

The County Council recognises the strategic importance of next generation connectivity that can facilitate the delivery of future public services and improve the local economy. Ultrafast (gigabit) broadband is the next generation of connectivity, capable of delivering speeds of 1Gb (1000Mb) or more using pure optical fibre. In partnership with all district and boroughs (through the West Sussex Full Fibre Programme Board), the County Council is working to make this infrastructure more readily available.

As an initial governance step, at its meeting on 18 February 2020 the West Sussex County Council Cabinet endorsed the Leader's approval of proposals for the allocation of the West Sussex business rate pool. The District and Borough Chief Executives and Leaders have agreed allocations for funding from the business rates pool for digital infrastructure projects and initiatives in flight and set to begin imminently.

The Cabinet decision delegated to the Executive Director of Place Services the authority to implement the programme, including any project level key decisions, in consultation with West Sussex Councils' Chief Executives Group and the Cabinet Member for Economy and Corporate Resources.

A project-level key decision is now required to deliver a Converged Fibre Connectivity bid in partnership with Coast to Capital Local Enterprise Partnership.

The Executive Director will be asked to award a contract using the Scape Framework via a partnership with Mid Sussex District Council. The contract for network build will deliver open access duct and/or fibre to connect Crawley (including Manor Royal), Horsham and Haywards Heath to the Burgess Hill Fibre Exchange (BHFx).

## Cabinet Member for Adults and Health

### Supported Living Services Procurement

Supported Living services are care, support and accommodation services purchased by the Council on behalf of people who have been assessed as having eligible social care needs. These services support people to live more independently through the provision of personal care and outreach support.

The council currently commissions the majority of these services from a framework agreement which first commenced in April 2012 (Supported Living & Personal Support for Adults with Learning Disability Framework). In 2016 a new framework was let (Supported Living and Family Support Services for adults with learning disabilities and disabled children and young people in West Sussex Framework). This framework ends in March 2021.

The commissioning of supported living is being reviewed with proposals being developed for new arrangements to be established across the county which will enable the achievement of our strategic aim to support more people to live in settled accommodation, with their family or in their own tenancy, for longer. The council will develop new arrangements considering: the challenges faced in the market - particularly around recruitment and retention of staff; the provision for increasingly complex individuals; the need to strengthen community networks and maximise customer independence; and develop services which meet the expectations of customers and their families.

Following the review and wide-ranging stakeholder engagement, the Cabinet Member for Adults and Health will be asked to approve the commencement of a procurement process to source the future supported living services and delegate authority for Contract Award to the Interim Executive Director Adults and Health (DASS).

**Interim Executive Director Adults and Health****Procurement Housing Related Support Services**

The current housing related support contractual arrangements from the 1<sup>st</sup> October 2019 were approved by the Executive Director of Adults and Health ([Decision Ref: OKD13 19/20](#)).

The services were recommissioned based on a revised financial envelope and were prioritised as green, amber and red, based on a strategic fit to the Council's priorities.

Amber services, listed within report [OKD13/1920](#), have been remodelled and recommissioned. This commissioning is based on the outcome of a partnership task and finish working group, which included representatives from the County Council and the District and Borough councils. In September 2019, the District and Borough partners committed to co-fund the services from 1<sup>st</sup> October 2020.

The extension of contracts for Amber Priority services were agreed until 31<sup>st</sup> March 2020. Following this the Director of Law and Assurance has agreed a Single Tender Waiver for 3 'Amber' Housing Related Support services with contracts to commence 1st April 2020 for a period of 6 months only. These short term single tenders will enable the council to run a full competitive tender, in partnership with District and Borough colleagues, as agreed by the Executive Director of Adults and Health ([Decision Ref: OKD13 19/20](#)) starting in March 2020, with new contracts starting on 1<sup>st</sup> October 2020. For this there will be a West Sussex County Council financial envelope of £350k per annum. This equates to £50k per District and Borough area. This funding will be matched by the relevant District or Borough Council.

The Interim Executive Director Adults and Health (DASS) will be asked to approve the commencement of a Procurement for Housing Related Support Services in West Sussex. The tender will be divided into 6 lots:

- Adur/Worthing – Indicative Contract Value = £200,000 per annum
- Chichester - Indicative Contract Value = £100,000 per annum
- Crawley - Indicative Contract Value = £100,000 per annum
- Horsham - Indicative Contract Value = £100,000 per annum
- Mid Sussex – Indicative Contract Value = £100,000 per annum
- Arun – Indicative Contract Value = £100,000 per annum

In Adur/Worthing, Chichester, Crawley and Horsham, the services will be based on a floating support model and will be tenure neutral. In Mid Sussex and Arun, the service will be mainly accommodation based and bidders must be able to provide at least 10 units of accommodation.

### **Cabinet Member for Adults and Health**

<b>Adults In House Day Services Contract Arrangements</b>
<p>The Cabinet Member for Adults and Health is asked to agree to the commencement of a procurement process starting in July 2020 to secure a contract relating to the provision for the redevelopment of Glebelands, Laurels and Rowans Adult day centres in West Sussex for delivery of work in February 2021.</p> <p>The existing centres are under capacity and not suitable, with maintenance and compliance issues. Therefore, the centres can't be used to their full capacity. This redevelopment would allow for an increase in numbers from people currently using the Pines and Coastal Enterprise day centres, and these sites returned to the West Sussex County Council's Estates team.</p> <p>This is the second part of the in-house day service rationalisation programme (part B) reducing from 14 to 7 sites by February 2021 whilst maintaining same levels of Adult social care provision. The first part of this programme, part A (the refurbishment of Chestnuts in Bognor, and Judith Adams in Chichester), is now complete.</p> <p>The change programme is designed to develop sustainable and effective in-house day opportunity provision that support the statutory duties of Adults' Operations, Life-long Services and ensure appropriate supply as part of the Adults and Health strategic commissioning priorities.</p> <p>The new delivery model is designed so that day services can cater to the local population based on need and not customer categories (i.e. services will be for older people, adults with learning disabilities, adults with an acquired brain injury and adults with physical and sensory impairments.). These sites will offer a range of accessible resources to cater to different needs, a focus on promoting independence and supporting people to access opportunities within their community, space for OT assessment suites and Talk Local sessions, hot desk facilities for WSCC staff, Learning and Development training space and opportunities for leasing space to the wider community.</p> <p>The procurement will be conducted using an open book tender and a decision will be based on quality and cost. A pre-tender exercise will be undertaken to determine quality of contractors prior to inviting to tender.</p>

The Cabinet Member for Adults and Health will be asked to agree the allocation of funds from 'Choices for the future' capital programme for the total value of the overall project which is estimated at £4.5 Million. The Cabinet Member for Adults and Health will also be asked to agree the commencement of procurement and delegate authority for the award of contract to the Interim Executive Director of Adults and Health.

<b>Community Reablement Services Contract Extension</b>	
<p>West Sussex County Council (WSCC) has a contract with Essex Cares Limited (ECL) for the provision of Community Reablement Services. Reablement is the term to describe services, to support residents following a change in ability, most likely due to a medical condition or episode. A Community Reablement Service (CRS) is essential to prevent people requiring longer term support, enabling people to retain/regain independence and remain at home.</p> <p>The Service was re-procured in 2017 for an initial term of 3 years with an option to extend for up to 2 years. The contract was competitively procured with a total estimated value of £13,240,000. As the initial term of the contract will expire on 30<sup>th</sup> November 2020 authorisation is sought from the Interim Executive Director of Adults and Health to extend the contract for a period of 2 years from 1 December 2020 to 30 November 2022, as per the provision in the previous Cabinet Member decision report <a href="#">ASCH07 (16/17)</a>.</p>

### Interim Director of Human Resources and Organisational Change

#### Novation and extension: Agency Worker Recruitment Contract

Pursuant to the Council's Support Services Outsourcing Contract, Capita provides the Council's temporary agency workers, via a contract with Manpower which the Council is not a party to. The contract with Manpower is due to expire on 30 September 2020.

A key decision was taken in [February 2020](#) (ECR03 19-20) to procure a new temporary agency worker contract to commence on 1 October 2020.

The current contract provides temporary agency workers to all departments of the Council, except for schools. The Council requires a contract for the supply of agency workers to cover short term vacancies, absences and to provide additional capability, where there are skills shortages, to deliver responsive services.

Due to the impact of the Covid-19 pandemic on potential bidders for the new contract, mobilising delivery of a new contract at this time and further risk that current high risk and critical services could be disrupted at an unprecedented and challenging time by pursuing the procurement exercise to the original timelines, the Council is delaying commencing the procurement of the new contract until July 2020.

Capita and the Council wish to novate the current contract with Manpower to the Council for the remainder of its term with an additional 6 months to allow for the new

procurement exercise to be carried out. The Council currently spends approximately £15 million per annum on agency workers (on and off contract). The value of the extension of the contract between 01 October 2020 and 31 March 2021 will be approximately £7.5 million.

The Interim Director of Human Resources and Organisational Change will be asked to:

1. Agree to the novation of the contract from Capita to a direct contractual relationship between Manpower and the Council.
2. Agree the extension of this novated contract from 01 October 2020 to 31 March 2021 on the same terms and conditions as the current contract with Capita.
3. To delegate entering into the novation and extension of the Contract to the Head of Resourcing Organisational Development & Talent.

#### **Procurement of Mortuary Services**

The Council currently has contracts with two NHS Trusts who run our Mortuary and Post-Mortem Services:

- WSHT - Western Sussex Hospital Trust (covers approx. 75% of requirement)
- SASH - Surrey and Sussex Health Trust (covers approx. 25% of requirement)

Both contracts will expire on 22 January 2021 and there is no provision for further extensions.

The Council ran a procurement in 2018/19 with a vision of having a dedicated Mortuary – 100% of bodies going into one location and moving away from traditional post-

mortems towards digital non-invasive methods. However, the Council only received one bid which was subsequently deemed unaffordable. The bid was later withdrawn and the procurement process abandoned.

The Cabinet Member for Adults and Health will be asked to agree the commencement of a procurement that will secure ongoing contracts for the Mortuary and Post-Mortem services from January 2021 and to delegate authority to the Director of Communities to award the contracts following the procurement exercise.

### **Cabinet Member for Economy and Corporate Resources**

#### **Procurement: Construction Framework Arrangement**

The County Council carries out repair, maintenance and refurbishment work throughout the corporate estate, a construction framework arrangement is required to deliver work around and within the County Council buildings. This will include repairs and refurbishment as well as new build requirements where needed. It will enable the County Council to place works orders with a variety of qualified contractors to deliver works that fall outside of the current maintenance contract.

The anticipated spend through the new Framework is approximately £48m over a maximum term of 4 years. The value of the Framework is greater than £4,733,252 ex VAT so, in order to comply with the requirements of EU/UK law (the Public Contract Regulations 2015) and the County Council's Standing Orders on Procurement and Contracts, an OJEU procurement must be run to establish a new Framework Agreement.

The Cabinet Member will be asked to agree to the commencement of a procurement process to begin in February 2020, contract to be awarded in June 2020 and commence on 1 July 2020 and to delegate to the Director of Property and Assets, the authority to award contract/contracts. Further forward plan entries and decision reports will be published as appropriate.
