

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to the [West Sussex Plan](#) priorities of:

- **Best Start in Life** (those concerning children, young people and schools)
- **A Prosperous Place** (the local economy, infrastructure, highways and transport)
- **A Safe, Strong and Sustainable Place** (Fire & Rescue, Environmental and Community services)
- **Independence in Later Life** (services for older people or work with health partners)
- **A Council that Works for the Community** (finances, assets and internal Council services)

The most important decisions will be taken by the Cabinet. In accordance with regulations in response to the current public health emergency, Cabinet meetings will be held virtually with councillors in remote attendance. Public access will be via webcasting and the meetings will be available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	A summary of the proposal.
Decision By	Who will take the decision - if the Cabinet, it will be taken at a Cabinet meeting in public.
West Sussex Plan priority	Which of the five priorities in the West Sussex Plan the proposal affects.

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

Director of Property and Assets

Award of contract for construction of new school hall at Thorney Island Primary School

The County Council has a statutory duty to provide sufficient school places for all children who need a place. Over recent years there has been an increase in pupil numbers at Thorney Island Primary School and an enlarged school hall is now required to provide sufficient and suitable accommodation for the additional children.

In June 2020 the Cabinet Member for Education and Skills approved the allocation of capital funding from the Basic Need Capital Programme to enable the project to proceed and delegated authority to the Director of Property and Assets to award the contract for the works (Decision reference [ES01 \(20/21\)](#)).

Following receipt of this approval from the Cabinet Member, the Director of Property and Assets will be asked to award the construction contract to deliver the enlarged school hall.

Executive Director Children, Young People and Learning

Award of contract for remodelling works at Cissbury Lodge Children's Home, Worthing

The children's in-house residential service is made up of six homes, of which three, including Cissbury Lodge, are currently closed and awaiting refurbishment whilst feasibility studies and design work are undertaken.

A strategy for the residential service was approved by the Cabinet Member for Children and Young People in October 2019 (decision reference CYP03(19/20)). It seeks to ensure that outcomes for vulnerable children are maximised and that long-term care costs are minimised. It is essential that the assets that enable support to children are redeveloped in order to support the delivery of this strategy as a part of the wider 'children first' improvement plan being driven forward by the Council.

Cissbury Lodge's contribution to the delivery of this strategy will come through the remodelling of the home to ensure the most efficient use of the existing footprint of the homes whilst maximising the potential service offering of the site.

As part of a separate decision process, in March 2020, approval was obtained from the Executive Director Children, Young People and Learning for the commencement of a procurement to undertake these remodelling works ([decision reference OKD42 \(19/20\)](#)). Once the procurement process has been completed the Executive Director will be asked to agree the award of contract to the preferred contractor for the delivery of works at Cissbury Lodge.

Cabinet Member for Education and Skills

Expansion of Queen Elizabeth II Silver Jubilee School, Horsham

The Special Educational Needs and Disability (SEND) Strategy 2019-2024 aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs. There is a requirement to both increase places at certain special schools and to ensure existing school accommodation meets the needs of the pupils on roll.

Following a review of current numbers on roll and the existing accommodation at Queen Elizabeth II Silver Jubilee School in Horsham the need for additional accommodation has been identified, to ensure suitable provision for the needs of the pupils currently on roll. The school caters for a wide-range of Special Educational Needs and Disability for pupils aged between 2 and 19, including children with severe learning difficulties, complex social and communication difficulties, profound and multiple learning difficulties and complex needs.

A proposed project to deliver an increase in space would enable the school to offer suitable accommodation and support spaces for 105 pupils.

The feasibility work for the project to accommodate the pupils is now underway. Following detailed design and associated cost estimates the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

Children Looked After and Care Leavers' Strategy 2020-2024

The current Children Looked After and Care Leaver's Strategy (2018-21) is being updated following the Ofsted inspection of 2019 and the appointment of a Commissioner to work with West Sussex County Council

The update is necessary to ensure a strategic approach and evidence our commitment to ensuring that children who are looked after by the authority are happy, healthy, and safe and have the opportunity to achieve their full potential.

The proposed new strategy is the product of consultation with the Children in Care

Council, Corporate Parenting Panel and partners. It will have an annually updated action plan to enable the service to measure delivery against the objectives outlined in the strategy and ensure resources are targeted so as to improve the quality of life for children and young people in the care of the local authority.

The Cabinet Member for Children and Young People is asked to support the adoption of the Children Looked After and Care Leavers' Strategy 2020-24.

Transfer of Capital Funding for Bohunt, Horsham

In April 2017 the Department for Education approved a new Free School for the Horsham area under their Wave 12 Programme. The Sponsor is Bohunt Education Trust and the approved school is Bohunt Horsham. The co-educational all-through school which caters for children from four to sixteen opened in September 2019 on a temporary site in Hurst Road, Horsham.

The school's permanent site will be on land on the East of Ruser Road, Horsham and was secured by the County Council through a Section 106 Agreement as part of the North of Horsham development. On its new site the school will provide for the children that will live at the North of Horsham development and will offer school places for young people in the locality.

Under the Section 106 Agreement, the developer is obligated to mitigate the impact of the development in terms of the increase in school places it will generate, and so financial contributions have been agreed with the County Council. The financial

contributions will be paid by the developer at agreed trigger points as the development progresses. As the Department for Education (DfE) will be responsible for delivering the new school, the County Council will need to transfer these financial contributions to the DfE upon receipt.

The Cabinet Member for Education and Skills will be asked to approve the transfer of the Section 106 funds to the Department for Education to support the funding for the new School.

Change of status for Forest Boys' School, Horsham and St Andrews CE Boys' School, Worthing to co-educational schools

The Director of Education & Skills has agreed to consult during June 2020 on the proposed significant change of character to alter Forest Boys' School, Horsham from a single sex boys' school to a co-educational school from September 2021 entry. At the same time the Governing Body of St Andrews CE Boys' School, Worthing will consult on changing from a single sex boys' school to a co-educational school from September 2021 entry.

The proposed changes would mean the schools will no longer admit only boys as pupils from September 2021 and each year of entry thereafter would be co-educational. There are no changes proposed to have co-educational provision for any of the existing year groups on roll at both schools. There are also no proposals to alter the single sex girls provision at either Millais School, Horsham or Davison CE High School for Girls, Worthing.

Following assessment of the outcome of the consultation the Cabinet Member for Education and Skills will be asked to consider whether to proceed in approving the significant change in character of both schools to co-educational schools from September 2021.

Adoption of the West Sussex Children First Strategic Approach

In collaboration with partners across West Sussex the County Council is developing a West Sussex Children First Strategic Approach. This will set out the direction and commitment for how partners in West Sussex will deliver a shared vision for children and young people placing children at the heart of all we do.

It will be a single over-arching strategic approach based on the West Sussex Plan, the Health and well-Being Strategy and Children's Services Practice Improvement Plan for Social Care as well as other key strategies where outcomes for children, young people and their families will be improved. It will set out how West Sussex will be a great place for children and young people, where all, including those who are vulnerable or disadvantaged, have the best possible start in life and are supported by the whole community to succeed.

Cabinet will be asked to approve the adoption of the West Sussex Children First Strategic Approach.

A29 Realignment Scheme - submission of planning application	
<p>The A29 Realignment Scheme will deliver a new 4.34 km road to the east of Eastergate, Westergate and Woodgate villages. The scheme will be delivered in at least two phases. The full scheme (phases 1 and 2) has an estimated cost of £54.24m and will provide part of the highway infrastructure needed to support the planned strategic development of the area by providing access to land for residential and commercial development. The scheme will also alleviate traffic congestion along the existing A29, notably at the Woodgate level crossing which causes delays on to a key access route into Bognor Regis.</p> <p>The Transport Business Case submitted to the Coast to Capital Local Enterprise Partnership (LEP) was approved by their Investment Board on 17 October 2019.</p> <p>Subsequently, £9.90 million of Local Growth Funding was awarded for the delivery of Phase 1 (between A29 Fontwell Ave and B2233 Barnham Road) subject to entering into a funding agreement. The LEP has also agreed that further funds totalling £2.40 million will be earmarked for the delivery of Phase 2 should additional Government funding become available to the LEP.</p> <p>In March 2019, the Cabinet Member for Highways and Infrastructure approved the route, business case, consultation and delegated the finalisation of the funding agreement, the procurement process and award of a design and build contractor for Phase 1 of the scheme to the Director of Highways and Transport.</p> <p>In December 2019, the Director of Highways, Transport and Planning entered into a funding agreement with the LEP for Phase 1 of the scheme and awarded the design and build contract for phase 1 of the scheme to Jackson Civil Engineering Group Ltd</p> <p>The Director of Highways, Transport and Planning will be asked to submit a planning application for Phase 1 of the scheme.</p>

Licensing of Tables and Chairs on the Highway

It is a legal requirement for businesses to have a licence for tables and chairs positioned on the highway (this includes pavements) and the County Council must be able to assess each location for its suitability. The increasing number of tables and chairs on the highway has led to a significant rise in complaints.

The licence fee, which includes the cost of undertaking site assessments, legal work in preparing the licences, advertising and the on-going management of the scheme must ensure full cost recovery.

Further to the commitment to review the charging mechanism, there was a consultation with traders, stakeholders, the public and Members about the benefits of a scheme which takes into account the size of the area occupied by the tables and chairs. The Environment and Communities Select Committee considered and supported the proposals at its meeting in March.

The Cabinet Member will be asked to consider the outcome of the consultation and agree a fee structure for the positioning of tables and chairs on the highway.

(On 8 June, all fees relating to licences for tables and chairs on the highway were waived with immediate effect until the end of March 2021. This key decision concerns the proposed new fee structure which will take effect from 1 April 2021.)

Active Travel Road Space Reallocation Programme

On 9 May 2020, the Transport Secretary announced a [£2 billion package to put cycling and walking at the heart of the Government's transport policy](#).

The first stage, worth £250 million, is for emergency interventions to make cycling and walking safer. The County Council received an allocation of £784k and submitted a bid, on 5 June 2020, to the Department for Transport (DfT) for seven initiatives in areas which, until the COVID-19 crisis, were heavily reliant on public transport.

There is no guarantee the DfT will accept the proposed schemes which include a combination of temporary traffic management, such as cones and signing, light segregation using 'traffic wands', planters, water-filled barriers, road markings and temporary 20mph speed limits.

The County Council has been working closely with district and borough partners to look at a range of ways to improve cycling provision as a direct response to the easing of lockdown.

The works will be delivered via the County Council's Framework Lot 1 Contractor, Balfour Beatty, and must commence no later than four weeks after the announcement of the funding award. The works must be completed within a further eight weeks. If not, under the DfT criteria, some of the funding may have to be returned.

The Cabinet Member for Highways and Infrastructure will be asked to approve the capital allocation and the schemes to be progressed and delegate authority to the

Director of Highways, Transport and Planning to make any subsequent amendments to the schemes.

Note: due to the DfT's tight timescales for the works to be completed, 28 days' notice for this decision may not be achieved. In this case, the decision will be made using emergency powers.

Award of Contract: Real Time Passenger Information

The current contract for the operation and maintenance of the Real Time Passenger Information (RTPI) system expires on 30 November 2020.

The contract covers the operation and maintenance of the central control system, maintenance of RTPI displays at bus stops, and the supply and installation of new displays.

An assessment of available routes to market has been undertaken including the option to access existing contracts let by neighbouring authorities.

It is proposed that the County Council accesses Hampshire County Council's RTPI Framework Agreement. This is a sole supplier Framework Agreement with VIX Technology Ltd.

The contract will allow the County Council to purchase new displays (until August 2021) as well as organise maintenance and system support for both existing and new displays (under November 2025).

The Director for Highways, Transport and Planning will be asked to approve the award of

a contract for real time passenger information system via the existing Hampshire County Council RTPFI Framework Agreement.

Interim Executive Director Adults and Health

Procurement Housing Related Support Services

The current housing related support contractual arrangements from the 1st October 2019 were approved by the Executive Director of Adults and Health ([Decision Ref: OKD13 19/20](#)).

The services were recommissioned based on a revised financial envelope and were prioritised as green, amber and red, based on a strategic fit to the Council's priorities.

Amber services, listed within report [OKD13/1920](#), have been remodelled and recommissioned. This commissioning is based on the outcome of a partnership task and finish working group, which included representatives from the County Council and the District and Borough councils. In September 2019, the District and Borough partners committed to co-fund the services from 1st October 2020.

The extension of contracts for Amber Priority services were agreed until 31st March 2020. Following this the Director of Law and Assurance has agreed a Single Tender Waiver for 3 'Amber' Housing Related Support services with contracts to commence 1st April 2020 for a period of 6 months only. These short term single tenders will enable the council to run a full competitive tender, in partnership with District and Borough colleagues, as agreed by the Executive Director of Adults and Health ([Decision Ref: OKD13 19/20](#)) starting in March 2020, with new contracts starting on 1st October 2020. For this there will be a West Sussex County Council financial envelope of £350k per annum. This equates to £50k per District and Borough area. This funding will be matched by the relevant District or Borough Council.

The Interim Executive Director Adults and Health (DASS) will be asked to approve the commencement of a Procurement for Housing Related Support Services in West Sussex. The tender will be divided into 6 lots:

- Adur/Worthing – Indicative Contract Value = £200,000 per annum
- Chichester - Indicative Contract Value = £100,000 per annum
- Crawley - Indicative Contract Value = £100,000 per annum
- Horsham - Indicative Contract Value = £100,000 per annum
- Mid Sussex – Indicative Contract Value = £100,000 per annum
- Arun – Indicative Contract Value = £100,000 per annum

In Adur/Worthing, Chichester, Crawley and Horsham, the services will be based on a floating support model and will be tenure neutral. In Mid Sussex and Arun, the service will be mainly accommodation based and bidders must be able to provide at least 10 units of accommodation.

Supported Living Services Procurement	
<p>Supported Living services are care, support and accommodation services purchased by the Council on behalf of people who have been assessed as having eligible social care needs. These services support people to live more independently through the provision of personal care and outreach support.</p> <p>The council currently commissions the majority of these services from a framework agreement which first commenced in April 2012 (Supported Living & Personal Support for Adults with Learning Disability Framework). In 2016 a new framework was let (Supported Living and Family Support Services for adults with learning disabilities and disabled children and young people in West Sussex Framework). This framework ends in March 2021.</p> <p>The commissioning of supported living is being reviewed with proposals being developed for new arrangements to be established across the county which will enable the achievement of our strategic aim to support more people to live in settled accommodation, with their family or in their own tenancy, for longer. The council will develop new arrangements considering: the challenges faced in the market - particularly around recruitment and retention of staff; the provision for increasingly complex individuals; the need to strengthen community networks and maximise customer independence; and develop services which meet the expectations of customers and their families.</p> <p>Following the review and wide-ranging stakeholder engagement, the Cabinet Member for Adults and Health will be asked to approve the commencement of a procurement process to source the future supported living services and delegate authority for Contract Award to the Interim Executive Director Adults and Health (DASS).</p>

Adults In House Day Services Contract Arrangements

The Cabinet Member for Adults and Health is asked to agree to the commencement of a procurement process starting in July 2020 to secure a contract relating to the provision for the redevelopment of Glebelands, Laurels and Rowans Adult day centres in West Sussex for delivery of work in February 2021.

The existing centres are under capacity and not suitable, with maintenance and compliance issues. Therefore, the centres can't be used to their full capacity. This redevelopment would allow for an increase in numbers from people currently using the Pines and Coastal Enterprise day centres, and these sites returned to the West Sussex County Council's Estates team.

This is the second part of the in-house day service rationalisation programme (part B) reducing from 14 to 7 sites by February 2021 whilst maintaining same levels of Adult social care provision. The first part of this programme, part A (the refurbishment of Chestnuts in Bognor, and Judith Adams in Chichester), is now complete.

The change programme is designed to develop sustainable and effective in-house day opportunity provision that support the statutory duties of Adults' Operations, Life-long Services and ensure appropriate supply as part of the Adults and Health strategic commissioning priorities.

The new delivery model is designed so that day services can cater to the local population based on need and not customer categories (i.e. services will be for older people, adults with learning disabilities, adults with an acquired brain injury and adults with physical and sensory impairments.). These sites will offer a range of accessible resources to cater to different needs, a focus on promoting independence and supporting people to access opportunities within their community, space for OT assessment suites and Talk Local sessions, hot desk facilities for WSCC staff, Learning and Development training space and opportunities for leasing space to the wider community.

The procurement will be conducted using an open book tender and a decision will be based on quality and cost. A pre-tender exercise will be undertaken to determine quality of contractors prior to inviting to tender.

The Cabinet Member for Adults and Health will be asked to agree the allocation of funds from 'Choices for the future' capital programme for the total value of the overall project which is estimated at £4.5 Million. The Cabinet Member for Adults and Health will also be asked to agree the commencement of procurement and delegate authority for the award of contract to the Interim Executive Director of Adults and Health.

Community Reablement Services Contract Extension	
<p>West Sussex County Council (WSSCC) has a contract with Essex Cares Limited (ECL) for the provision of Community Reablement Services. Reablement is the term to describe services, to support residents following a change in ability, most likely due to a medical condition or episode. A Community Reablement Service (CRS) is essential to prevent people requiring longer term support, enabling people to retain/regain independence and remain at home.</p> <p>The Service was re-procured in 2017 for an initial term of 3 years with an option to extend for up to 2 years. The contract was competitively procured with a total estimated value of £13,240,000. As the initial term of the contract will expire on 30th November 2020 authorisation is sought from the Interim Executive Director of Adults and Health to extend the contract for a period of 2 years from 1 December 2020 to 30 November 2022, as per the provision in the previous Cabinet Member decision report ASCH07 (16/17).</p>

Allocation of Infection Control Grant
--

On 15 May 2020 the government announced a care home support package backed by a £600m [infection control fund](#) with the aim of preventing and controlling the spread of COVID-19 in all registered care homes and help improve infection control measures across the care market. The specified purpose of the grant is to provide support to adult social care providers, including those with whom the Council does not have a contract, to reduce the rate of COVID-19 transmission in and between care homes and support wider workforce resilience to deliver infection control. The West Sussex allocation of this money is £13.363m.

The expectation from government was that 75% of the money should be passported directly to registered care home providers (including those the Council doesn't already contract with) and the remaining 25% should be allocated based on local need. The grant funding is subject to a number of conditions set by central government, set out in the grant circular distributed by Government, which the Council is required to comply with.

Due to the need to provide timely financial support to care providers who are facing challenges related to the Covid-19 pandemic an urgent decision was taken to allocate the 75% of Infection Control Funding to care providers ([Report ref:OKD17 20/21](#)). The Interim Executive Director of Adults and Health will now be asked to take a further decision on the allocation of the remaining 25% of Infection Control Funding.

Interim Director of Human Resources and Organisational Change

Novation and extension: Agency Worker Recruitment Contract

Pursuant to the Council's Support Services Outsourcing Contract, Capita provides the Council's temporary agency workers, via a contract with Manpower which the Council is not a party to. The contract with Manpower is due to expire on 30 September 2020.

A key decision was taken in [February 2020](#) (ECR03 19-20) to procure a new temporary agency worker contract to commence on 1 October 2020.

The current contract provides temporary agency workers to all departments of the Council, except for schools. The Council requires a contract for the supply of agency workers to cover short term vacancies, absences and to provide additional capability, where there are skills shortages, to deliver responsive services.

Due to the impact of the Covid-19 pandemic on potential bidders for the new contract, mobilising delivery of a new contract at this time and further risk that current high risk and critical services could be disrupted at an unprecedented and challenging time by pursuing the procurement exercise to the original timelines, the Council is delaying commencing the procurement of the new contract until July 2020.

Capita and the Council wish to novate the current contract with Manpower to the Council for the remainder of its term with an additional 6 months to allow for the new procurement exercise to be carried out. The Council currently spends approximately £15 million per annum on agency workers (on and off contract). The value of the extension of the contract between 01 October 2020 and 31 March 2021 will be approximately £7.5 million.

The Interim Director of Human Resources and Organisational Change will be asked to:

1. Agree to the novation of the contract from Capita to a direct contractual relationship between Manpower and the Council.
2. Agree the extension of this novated contract from 01 October 2020 to 31 March 2021 on the same terms and conditions as the current contract with Capita.
3. To delegate entering into the novation and extension of the Contract to the Head of Resourcing Organisational Development & Talent.

Procurement of Mortuary Services	
<p>The Council currently has contracts with two NHS Trusts who run our Mortuary and Post-Mortem Services:</p> <ul style="list-style-type: none"> • WSHT - Western Sussex Hospital Trust (covers approx. 75% of requirement) • SASH - Surrey and Sussex Health Trust (covers approx. 25% of requirement) <p>Both contracts will expire on 22 January 2021 and there is no provision for further extensions.</p> <p>The Council ran a procurement in 2018/19 with a vision of having a dedicated Mortuary – 100% of bodies going into one location and moving away from traditional post-mortems towards digital non-invasive methods. However, the Council only received one bid which was subsequently deemed unaffordable. The bid was later withdrawn and the procurement process abandoned.</p> <p>The Cabinet Member for Adults and Health will be asked to agree the commencement of a procurement that will secure ongoing contracts for the Mortuary and Post-Mortem services from January 2021 and to delegate authority to the Director of Communities to award the contracts following the procurement exercise.</p>

Procurement: Construction Framework Arrangement
<p>The County Council carries out repair, maintenance and refurbishment work throughout the corporate estate, a construction framework arrangement is required to deliver work around and within the County Council buildings. This will include repairs and refurbishment as well as new build requirements where needed. It will enable the County Council to place works orders with a variety of qualified contractors to deliver works that fall outside of the current maintenance contract.</p> <p>The anticipated spend through the new Framework is approximately £48m over a maximum term of 4 years. The value of the Framework is greater than £4,733,252 ex VAT so, in order to comply with the requirements of EU/UK law (the Public Contract Regulations 2015) and the County Council's Standing Orders on Procurement and</p>

Contracts, an OJEU procurement must be run to establish a new Framework Agreement.

The Cabinet Member will be asked to agree to the commencement of a procurement process to begin in February 2020, contract to be awarded in June 2020 and commence on 1 July 2020 and to delegate to the Director of Property and Assets, the authority to award contract/contracts. Further forward plan entries and decision reports will be published as appropriate.

In-sourcing financial services from Support Services Outsource Contract

It is proposed that the following services currently delivered by Capita through the Support Services Outsource (SSO) Contract be insourced.

The services relating to Adults and Children's Social Care Finances, known as Service Finance, covering: welfare benefits assessments including the administrative support function, financial adult safeguarding services, direct payments to adults and children, children's fostering and adoption finance activities, invoicing adults' services customers for their contribution towards the residential and non-residential services, residential property and residential purchasing and invoicing services.

This will give the County Council greater control and flexibility in the delivery of largely statutory services, which are anticipated to support more effective collaborative working between Finance, Adult Social Care and Children's Services, recognising that these services are delivered as part of a wider engagement with vulnerable adults and families. In addition, the County Council is adapting to new ways of working made necessary by the COVID-19 situation and undertaking a number of transformation and improvement activities which will affect these services.

The split in ownership is limiting flexibility to make changes in some processes and how

the County Council responds to fluctuation in demand. The proposed insourcing will provide enhanced opportunities for integration of working practices and procedures to support improved service delivery in the end-to-end Adults' and Children's Services to West Sussex residents.

The intention will be for the insource to take place from the start of August 2020.

The Cabinet Member for Economy and Corporate Resources, in consultation with the Cabinet Member for Finance, will be asked to endorse the proposed in-sourcing arrangements.
