

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to the [West Sussex Plan](#) priorities of:

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Cabinet Member for Education and Skills

Transfer of Capital Funding for Bohunt, Horsham

In April 2017 the Department for Education approved a new Free School for the Horsham area under their Wave 12 Programme. The Sponsor is Bohunt Education Trust and the approved school is Bohunt Horsham. The co-educational all-through school which caters for children from four to sixteen opened in September 2019 on a temporary site in Hurst Road, Horsham.

The school's permanent site will be on land on the East of Ruser Road, Horsham and was secured by the County Council through a Section 106 Agreement as part of the North of Horsham development. On its new site the school will provide for the children that will live at the North of Horsham development and will offer school places for young people in the locality.

Under the Section 106 Agreement, the developer is obligated to mitigate the impact of the development in terms of the increase in school places it will generate, and so financial contributions have been agreed with the County Council. The financial contributions will be paid by the developer at agreed trigger points as the development progresses. As the Department for Education (DfE) will be responsible for delivering the new school, the County Council will need to transfer these financial contributions to the DfE upon receipt.

The Cabinet Member for Education and Skills will be asked to approve the transfer of the Section 106 funds to the Department for Education to support the funding for the new School.

Award of contract for construction of new school hall at Thorney Island Primary School

The County Council has a statutory duty to provide sufficient school places for all

children who need a place. Over recent years there has been an increase in pupil numbers at Thorney Island Primary School and an enlarged school hall is now required to provide sufficient and suitable accommodation for the additional children.

In June 2020 the Cabinet Member for Education and Skills approved the allocation of capital funding from the Basic Need Capital Programme to enable the project to proceed and delegated authority to the Director of Property and Assets to award the contract for the works (Decision reference [ES01 \(20/21\)](#)).

Following receipt of this approval from the Cabinet Member, the Director of Property and Assets will be asked to award the construction contract to deliver the enlarged school hall.

Executive Director Children, Young People and Learning

Award of contract for remodelling works at May House and Seaside Children's Homes

The children's in-house residential service is made up of six homes, of which three, including May House and Seaside, are currently closed and awaiting refurbishment whilst feasibility studies and design work are undertaken.

A strategy for the residential service was approved by the Cabinet Member for Children and Young People in October 2019 (decision reference [CYP03\(19/20\)](#)). It seeks to ensure that outcomes for vulnerable children are maximised and that long-term care costs are minimised. It is essential that the assets that enable support to children are redeveloped in order to support the delivery of this strategy as a part of the wider 'children first' improvement plan being driven forward by the Council.

To support the delivery of this strategy, the May House and Seaside sites will be remodelled to ensure the most efficient use of the existing space whilst maximising the potential service offering of each site.

As part of a separate decision process in May 2020 approval was obtained from the Executive Director Children, Young People and Learning for the commencement of a procurement to undertake these remodelling works ([decision reference OKD09 20/21](#)). Once the procurement process has been completed the Executive Director will be asked to agree the award of a contract to the preferred contractor for the delivery of works at May House and Seaside Children's Homes.

Change of status for Forest Boys' School, Horsham and St Andrews CE Boys' School, Worthing to co-educational schools

The Director of Education & Skills has agreed to consult during June 2020 on the proposed significant change of character to alter Forest Boys' School, Horsham from a single sex boys' school to a co-educational school from September 2021 entry. At the same time the Governing Body of St Andrews CE Boys' School, Worthing will consult on changing from a single sex boys' school to a co-educational school from September 2021 entry.

The proposed changes would mean the schools will no longer admit only boys as pupils from September 2021 and each year of entry thereafter would be co-educational. There are no changes proposed to have co-educational provision for any of the existing year groups on roll at both schools. There are also no proposals to alter the single sex girls provision at either Millais School, Horsham or Davison CE High School for Girls, Worthing.

Following assessment of the outcome of the consultation the Cabinet Member for Education and Skills will be asked to consider whether to proceed in approving the significant change in character of both schools to co-educational schools from September 2021.

Extension of Short Breaks Dynamic Purchasing System
<p>West Sussex County Council has a statutory duty, under the Breaks for Carers of Disabled Children Regulations 2011, to provide short breaks for children and young people with additional needs and disabilities, and their families.</p>

Short breaks cover a wide range of opportunities that enable children and young people, with additional needs and disabilities, to have fun, try new things, and develop their independence, confidence and well-being. These opportunities give parent carers, and siblings, a much-needed break from their caring roles and allow time to spend with other family members.

In May 2015 the then Cabinet Member for Children – Start of Life approved the creation of a Dynamic Purchasing (DPS) Scheme for commissioning short breaks and provided delegated authority to the appropriate senior officer to let the tender and extend the contract if appropriate (Decision reference [CH04 15/16](#)).

The initial term for the DPS is due to expire in April 2021 and the intention is to extend the DPS for a further two year period.

The Executive Director Children, Young People and Learning will be asked to approve the extension of the current Short Breaks dynamic purchasing system contracts by an additional two years, from: 1 April 2021 until 31 March 2023.

Expansion of Palatine Primary School, Worthing

The Special Educational Needs and Disability (SEND) Strategy 2019-2024 aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs. There is a requirement to both increase places at certain

special schools and to ensure existing school accommodation meets the needs of the pupils on roll.

Following a review of current numbers on roll, projected needs and the existing accommodation at Palatine Primary School in Worthing the need for additional accommodation has been identified, to meet a projected increase in pupils from 153 to 178. The school caters for a wide-range of Special Educational Needs and Disability for pupils aged between 4 and 11, including children with moderate and severe learning difficulties, complex social and communication difficulties and profound and multiple learning difficulties.

A proposed project to deliver an increase in capacity would enable the school to offer suitable accommodation and support spaces for 178 pupils.

The feasibility work for the project to accommodate the pupils has been completed. Following detailed design and associated cost estimates the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

The re-designation of Post 16 provision at Oak Grove College, Worthing

Oak Grove is a special college in Worthing that offers provision for students with learning difficulties from Years 7-14.

One of the aims of the County Council's Special Educational Needs and Disabilities (SEND) and Inclusion Strategy 2019-2024 is to support the inclusion of all children and young people with SEND to participate in local mainstream schools and educational settings. Following assessment of options for post-16 provision for children with SEND it

is recognised that many of the pupils with less complex needs who currently undertake their post-16 studies at Oak Grove could be successfully educated within mainstream Further Education Colleges, thereby enabling Oak Grove College to focus provision for students with more complex needs.

A public consultation on the proposal that post-16 provision at Oak Grove is redesignated to become more specialist and cater for pupils with complex needs including; Complex Autistic Spectrum Condition, Profound and Multiple Learning Difficulties and Severe Learning Difficulties will be undertaken during the autumn term.

Following assessment of the outcome of the consultation the Cabinet Member for Education and Skills will be asked to consider whether to proceed in approving the redesignation of post-16 provision at Oak Grove College to become more specialist focussing on pupils with complex needs with effect from September 2021.

Slinfold CE Primary School - Funding for Replacement of Modular Teaching Accommodation

The County Council has a statutory duty to provide sufficient primary and secondary school places for all children who need a place. Slinfold CE Primary School is a 5 class Primary School with a broad range of buildings including a double modular unit which was installed on the site in excess of 30 years ago. The modular unit has significant suitability issues and requires replacement with new teaching accommodation that meets current required standards for construction.

The Cabinet Member for Education and Skills will be asked to approve the allocation of capital funding from Section 106 contributions and a procurement exercise to undertake a project to replace the modular classrooms with new purpose built classrooms.

Executive Director Place Services

Award of Contract: Converged Fibre Connectivity

The County Council recognises the strategic importance of next generation connectivity that can facilitate the delivery of future public services and improve the local economy. Ultrafast (gigabit) broadband is the next generation of connectivity, capable of delivering speeds of 1Gb (1000Mb) or more using pure optical fibre. In partnership with all district and boroughs (through the West Sussex Full Fibre Programme Board), the County Council is working to make this infrastructure more readily available.

As an initial governance step, at its meeting on 18 February 2020 the West Sussex County Council Cabinet endorsed the Leader's approval of proposals for the allocation of the West Sussex business rate pool. The District and Borough Chief Executives and Leaders have agreed allocations for funding from the business rates pool for digital infrastructure projects and initiatives in flight and set to begin imminently.

The Cabinet decision delegated to the Executive Director of Place Services the authority to implement the programme, including any project level key decisions, in consultation with West Sussex Councils' Chief Executives Group and the Cabinet Member for Economy and Corporate Resources.

A project-level key decision is now required to deliver a Converged Fibre Connectivity bid in partnership with Coast to Capital Local Enterprise Partnership.

The Executive Director will be asked to award a contract using the Scape Framework via a partnership with Mid Sussex District Council. The contract for network build will deliver open access duct and/or fibre to connect Crawley (including Manor Royal), Horsham and Haywards Heath to the Burgess Hill Fibre Exchange (BHFx).

A29 Realignment Scheme - submission of planning application

The A29 Realignment Scheme will deliver a new 4.34 km road to the east of Eastergate, Westergate and Woodgate villages. The scheme will be delivered in at least two phases. The full scheme (phases 1 and 2) has an estimated cost of £54.24m and will provide part of the highway infrastructure needed to support the planned strategic development of the area by providing access to land for residential and commercial development. The scheme will also alleviate traffic congestion along the existing A29, notably at the Woodgate level crossing which causes delays on to a key access route into Bognor Regis.

The Transport Business Case submitted to the Coast to Capital Local Enterprise Partnership (LEP) was approved by their Investment Board on 17 October 2019.

Subsequently, £9.90 million of Local Growth Funding was awarded for the delivery of Phase 1 (between A29 Fontwell Ave and B2233 Barnham Road) subject to entering into a funding agreement. The LEP has also agreed that further funds totalling £2.40 million will be earmarked for the delivery of Phase 2 should additional Government funding become available to the LEP.

In March 2019, the Cabinet Member for Highways and Infrastructure [approved](#) the route, business case, consultation and delegated the finalisation of the funding agreement, the procurement process and award of a design and build contractor for Phase 1 of the scheme to the Director of Highways and Transport.

In December 2019, the Director of Highways, Transport and Planning [entered](#) into a funding agreement with the LEP for Phase 1 of the scheme and awarded the design and build contract for phase 1 of the scheme to Jackson Civil Engineering Group Ltd

The Director of Highways, Transport and Planning will be asked to submit a planning application for Phase 1 of the scheme.

<p>On 9 May 2020, the Transport Secretary announced a £2 billion package to put cycling and walking at the heart of the Government's transport policy.</p> <p>The first stage, worth £250 million, is for emergency interventions to make cycling and walking safer. The County Council received an allocation of £784k and submitted a bid, on 5 June 2020, to the Department for Transport (DfT) for seven initiatives in areas which, until the COVID-19 crisis, were heavily reliant on public transport.</p> <p>There is no guarantee the DfT will accept the proposed schemes which include a combination of temporary traffic management, such as cones and signing, light segregation using 'traffic wands', planters, water-filled barriers, road markings and temporary 20mph speed limits.</p> <p>The County Council has been working closely with district and borough partners to look at a range of ways to improve cycling provision as a direct response to the easing of lockdown.</p> <p>The works will be delivered via the County Council's Framework Lot 1 Contractor, Balfour Beatty, and must commence no later than four weeks after the announcement of the funding award. The works must be completed within a further eight weeks. Interim Executive Director Adults and Health

Procurement Housing Related Support Services

The current housing related support contractual arrangements from the 1st October 2019 were approved by the Executive Director of Adults and Health ([Decision Ref: OKD13/19/20](#)).

The services were recommissioned based on a revised financial envelope and were prioritised as green, amber and red, based on a strategic fit to the Council's priorities.

Amber services, listed within report [OKD13/1920](#), have been remodelled and recommissioned. This commissioning is based on the outcome of a partnership task and

finish working group, which included representatives from the County Council and the District and Borough councils. In September 2019, the District and Borough partners committed to co-fund the services from 1st October 2020.

The extension of contracts for Amber Priority services were agreed until 31st March 2020. Following this the Director of Law and Assurance has agreed a Single Tender Waiver for 3 'Amber' Housing Related Support services with contracts to commence 1st April 2020 for a period of 6 months only. These short term single tenders will enable the council to run a full competitive tender, in partnership with District and Borough colleagues, as agreed by the Executive Director of Adults and Health ([Decision Ref: OKD13 19/20](#)) starting in March 2020, with new contracts starting on 1st October 2020. For this there will be a West Sussex County Council financial envelope of £350k per annum. This equates to £50k per District and Borough area. This funding will be matched by the relevant District or Borough Council.

The Interim Executive Director Adults and Health (DASS) will be asked to approve the commencement of a Procurement for Housing Related Support Services in West Sussex. The tender will be divided into 6 lots:

- Adur/Worthing – Indicative Contract Value = £200,000 per annum
- Chichester - Indicative Contract Value = £100,000 per annum
- Crawley - Indicative Contract Value = £100,000 per annum
- Horsham - Indicative Contract Value = £100,000 per annum
- Mid Sussex – Indicative Contract Value = £100,000 per annum
- Arun – Indicative Contract Value = £100,000 per annum

In Adur/Worthing, Chichester, Crawley and Horsham, the services will be based on a floating support model and will be tenure neutral. In Mid Sussex and Arun, the service will be mainly accommodation based and bidders must be able to provide at least 10 units of accommodation.

Supported Living Services Procurement
--

Supported Living services are care, support and accommodation services purchased by the Council on behalf of people who have been assessed as having eligible social care needs. These services support people to live more independently through the provision of personal care and outreach support.

The council currently commissions the majority of these services from a framework agreement which first commenced in April 2012 (Supported Living & Personal Support for Adults with Learning Disability Framework). In 2016 a new framework was let (Supported Living and Family Support Services for adults with learning disabilities and disabled children and young people in West Sussex Framework). This framework ends in March 2021.

The commissioning of supported living is being reviewed with proposals being developed for new arrangements to be established across the county which will enable the achievement of our strategic aim to support more people to live in settled accommodation, with their family or in their own tenancy, for longer. The council will develop new arrangements considering: the challenges faced in the market - particularly around recruitment and retention of staff; the provision for increasingly complex individuals; the need to strengthen community networks and maximise customer independence; and develop services which meet the expectations of customers and their families.

Following the review and wide-ranging stakeholder engagement, the Cabinet Member for Adults and Health will be asked to approve the commencement of a procurement process to source the future supported living services and delegate authority for Contract Award to the Interim Executive Director Adults and Health (DASS).

Allocation of Infection Control Grant	
<p>On 15 May 2020 the government announced a care home support package backed by a £600m infection control fund with the aim of preventing and controlling the spread of COVID-19 in all registered care homes and help improve infection control measures across the care market. The specified purpose of the grant is to provide support to adult social care providers, including those with whom the Council does not have a contract, to reduce the rate of COVID-19 transmission in and between care homes and support wider workforce resilience to deliver infection control. The West Sussex allocation of this money is £13.363m.</p> <p>The expectation from government was that 75% of the money should be passported directly to registered care home providers (including those the Council doesn't already contract with) and the remaining 25% should be allocated based on local need. The grant funding is subject to a number of conditions set by central government, set out in the grant circular distributed by Government, which the Council is required to comply with.</p> <p>Due to the need to provide timely financial support to care providers who are facing challenges related to the Covid-19 pandemic an urgent decision was taken to allocate the 75% of Infection Control Funding to care providers (Report ref:OKD17 20/21). The Interim Executive Director of Adults and Health will now be asked to take a further decision on the allocation of the remaining 25% of Infection Control Funding.</p>

Procurement: Construction Framework Arrangement	
<p>The County Council carries out repair, maintenance and refurbishment work throughout the corporate estate, a construction framework arrangement is required to deliver work around and within the County Council buildings. This will include repairs and refurbishment as well as new build requirements where needed. It will enable the County Council to place works orders with a variety of qualified contractors to deliver works that fall outside of the current maintenance contract.</p> <p>The anticipated spend through the new Framework is approximately £48m over a maximum term of 4 years. The value of the Framework is greater than £4,733,252 ex VAT so, in order to comply with the requirements of EU/UK law (the Public Contract Regulations 2015) and the County Council's Standing Orders on Procurement and Contracts, an OJEU procurement must be run to establish a new Framework Agreement.</p> <p>The Cabinet Member will be asked to agree to the commencement of a procurement process to begin in February 2020, contract to be awarded in June 2020 and commence on 1 July 2020 and to delegate to the Director of Property and Assets, the authority to award contract/contracts. Further forward plan entries and decision reports will be published as appropriate.</p>

In-sourcing financial services from Support Services Outsource Contract
It is proposed that the following services currently delivered by Capita through the

Support Services Outsource (SSO) Contract be insourced.

The services relating to Adults and Children's Social Care Finances, known as Service Finance, covering: welfare benefits assessments including the administrative support function, financial adult safeguarding services, direct payments to adults and children, children's fostering and adoption finance activities, invoicing adults' services customers for their contribution towards the residential and non-residential services, residential property and residential purchasing and invoicing services.

This will give the County Council greater control and flexibility in the delivery of largely statutory services, which are anticipated to support more effective collaborative working between Finance, Adult Social Care and Children's Services, recognising that these services are delivered as part of a wider engagement with vulnerable adults and families. In addition, the County Council is adapting to new ways of working made necessary by the COVID-19 situation and undertaking a number of transformation and improvement activities which will affect these services.

The split in ownership is limiting flexibility to make changes in some processes and how the County Council responds to fluctuation in demand. The proposed insourcing will provide enhanced opportunities for integration of working practices and procedures to support improved service delivery in the end-to-end Adults' and Children's Services to West Sussex residents.

The intention will be for the insource to take place from the start of August 2020.

The Cabinet Member for Economy and Corporate Resources, in consultation with the Cabinet Member for Finance, will be asked to endorse the proposed in-sourcing arrangements.
