

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet. In accordance with regulations in response to the continuing public health restrictions, Cabinet meetings will be held virtually with councillors in remote attendance. Public access will be via webcasting and the meetings will be available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

A Place to Live Services and Supported Living Services (Adults with Learning Disability) Contract Extension

The Cabinet Member for Adult Social Care & Health approved the formal commencement of a procurement process on the 25 November 2015 (Cabinet Member Key Decision Report [ASCH08 \(15/16\)](#) refers) for the A Place To Live Services (APTL) and the Supported Living Services (SLS). Following the procurement completed in 2016; the then Executive Director of Care, Wellbeing and Education approved the award of the APTL and SLS contracts.

Cabinet Member for Adults and Health

Highwood Mill Extra Care Scheme Procurement

Highwood Mill is an Extra Care Housing Scheme in Horsham which opened in 2016. This is currently the largest extra care scheme in West Sussex that Adult Social Care can nominate to. It has a mix tenure of 70 affordable rented properties as well as 35 privately owned apartments, of which Adult Social Care on behalf of Horsham District Council has nomination rights to 50 units. The care and support within the extra care scheme was originally procured by the landlord, Saxon Weald Housing Association, and the current contract is due to end January 2022.

Saxon Weald Housing Association originally developed the extra care scheme using their own investment and so procured the care contract for the social care support provided within it. Saxon Weald have asked if West Sussex County Council can take over the procurement of the care contract and future contract management at Highwood Mill for two reasons:

- To develop the service in line with the other commissioned care contracts they hold within West Sussex.
- To ensure consistent and successful contract management of the onsite provider

A cost benefit analysis has been undertaken resulting in recommendation that West Sussex County Council take on the ongoing contract management of the scheme to bring it in line with other extra care schemes and allowing access to the existing care and support framework applied in extra care.

The Cabinet Member for Adults and Health will be asked to approve;

<p>(1) the commencement of a procurement of the Care Contract within Highwood Mill Extra Care Scheme, to commence in June 2021 within the current Dynamic Purchasing System (DPS) Framework; and</p> <p>(2) delegated authority for the award of contract and any subsequent awards, within the agreed DPS Framework, to the Executive Director of Adults and Health. The care contract will commence in January 2022.</p>

Review of In House Services	
<p>In 2018 the 'Choices for the Future' transformation programme for inhouse services was approved by the Cabinet Member for Adults and Health. Within the programme there was a commitment to review the in-house residential services.</p> <p>Marjory Cobby House in Selsey is an in house residential resource centre, providing Discharge to Assess with Reablement beds and interim beds primarily for people coming out of hospital and in particular St Richards hospital in Chichester.</p> <p>The demand for residential Discharge to Assess beds has been and is likely to further be impacted by the increase of capacity to support people on a 'Home First' pathway, the commissioning of alternative models of care during the pandemic and the increase in provision of the Community Reablement Service. Supporting people in their own home and maximising opportunities for independence remains the priority as outlined in the Adult Social Care vision and strategy.</p> <p>Proposed Savings were presented to the Health and Adults Social Care Scrutiny Committee on the 13th January 2021 and then at Cabinet on the 22nd January 2021, which included £640k in savings related to in house services and identifying in particular Marjory Cobby House. At the scrutiny committee it was identified that this will involve a 12 weeks consultation and an Equalities Impact Assessment which will be presented back to Cabinet once completed. Following this, Cabinet will be asked to take a decision on the future of Marjory Cobby and the provision of residential based in-house services at this setting.</p>

Director of Property and Assets

Award of contract for construction of an All Weather Pitch at The Forest School, Horsham

In July 2020 the Cabinet Member for Education and Skills approved the siting of additional accommodation for QEII School on some of the existing playing field at The Forest School (Decision reference [ES02\(20/21\)](#)). In order to mitigate the impact of the loss of the playing field an All Weather Pitch will be constructed at The Forest School.

The All-Weather pitch will enable pupils to undertake outside sport activities all year round whilst also providing the school the ability to generate additional income through letting.

As part of a separate key decision process the Cabinet Member for Education and Skills will be asked to approve the allocation of capital funding from Section 106 contributions to undertake a project to provide an All Weather Pitch at The Forest School. The Cabinet Member will also be asked to delegate authority to the Director of property and Assets to award the contract for the project.

Subject to this delegation of authority from the Cabinet Member, the Director of Property and Assets will then be asked to approve the award of contract for the proposed project at The Forest School.

West Sussex County Council Vehicle Removal Policy

As part of the implementation of Civil Parking Enforcement (CPE), the County Council has previously requested from the Department for Transport the powers to remove, store and dispose of vehicles in contravention of parking restrictions and, although granted, it was agreed that the use of these powers would be subject to further approval from the Cabinet Member for Highways and Infrastructure.

With CPE now more established and generally accepted in West Sussex, it is considered that vehicle removal could be a more appropriate tool for vehicles parked in contravention. It is considered appropriate to enact those powers as well as seek DVLA approval to devolve powers to the County Council to take enforcement action against individuals with untaxed vehicles.

A Vehicle Removal Policy would concern vehicles parked in contravention in the following circumstances:

- Persistent evader vehicles found parked in contravention
- Fraudulent use of disabled persons parking blue badges or an article that purports to be a disabled blue badge
- Parked using a fraudulent on-street parking permit, voucher or pay and display parking ticket, inclusive of cashless parking sessions and virtual permits.
- Parked in a manner that causes serious obstruction to emergency services and other road users
- Abandoned and Untaxed Vehicles

The Cabinet Member for Highways and Infrastructure will be asked to approve a Vehicle Removal Policy for West Sussex and seek DVLA approval to take enforcement action against individuals with untaxed vehicles.
