

# Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet. In accordance with regulations in response to the continuing public health restrictions, Cabinet meetings will be held virtually with councillors in remote attendance. Public access will be via webcasting and the meetings will be available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or

## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

**A Place to Live Services and Supported Living Services (Adults with Learning Disability) Contract Extension**

The Cabinet Member for Adult Social Care & Health approved the formal commencement of a procurement process on the 25 November 2015 (Cabinet Member Key Decision Report [ASCH08 \(15/16\)](#) refers) for the A Place To Live Services (APTL) and the Supported Living Services (SLS). Following the procurement completed in 2016; the then Executive Director of Care, Wellbeing and Education approved the award of the APTL and SLS contracts.

APTL Services comprise of three contract lots for customised supported living accommodation-based services that were originally tendered and awarded in 2010 to Southdown Housing Association (Coastal and Western) and Royal Mencap Society (Northern). SLS Services comprise of two contract lots for outreach support in the community as well as supported living accommodation based services that were awarded to The Grace Eyre Foundation.

The contracts include the provision to extend for a further period to a maximum contract term of 6 years not extending beyond 30 June 2022.

The County Council will explore options for these services during the extension period. Consideration will be given to opportunities to enhance the service offer to meet increased customer need, younger customers and offer savings to the Learning Disabilities pooled budget. In the meantime, the Executive Director Adults and Health will be asked to approve the contract extension for a further period of up to 15 months until 30 June 2022.

#### **Highwood Mill Extra Care Scheme Procurement**

Highwood Mill is an Extra Care Housing Scheme in Horsham which opened in 2016. This is currently the largest extra care scheme in West Sussex that Adult Social Care can nominate to. It has a mix tenure of 70 affordable rented properties as well as 35 privately owned apartments, of which Adult Social Care on behalf of Horsham District Council has nomination rights to 50 units. The care and support within the extra care scheme was originally procured by the landlord, Saxon Weald Housing Association, and the current contract is due to end January 2022. Saxon Weald Housing Association originally developed the extra care scheme using their own investment and so procured the care contract for the social care support provided

within it. Saxon Weald have asked if West Sussex County Council can take over the procurement of the care contract and future contract management at Highwood Mill for two reasons:

- To develop the service in line with the other commissioned care contracts they hold within West Sussex.
- To ensure consistent and successful contract management of the onsite provider

A cost benefit analysis has been undertaken resulting in recommendation that West Sussex County Council take on the ongoing contract management of the scheme to bring it in line with other extra care schemes and allowing access to the existing care and support framework applied in extra care.

The Cabinet Member for Adults and Health will be asked to approve;

- (1) the commencement of a procurement of the Care Contract within Highwood Mill Extra Care Scheme, to commence in June 2021 within the current Dynamic Purchasing System (DPS) Framework; and
- (2) delegated authority for the award of contract and any subsequent awards, within the agreed DPS Framework, to the Executive Director of Adults and Health. The care contract will commence in January 2022.

## Cabinet

### Review of In House Services

In 2018 the 'Choices for the Future' transformation programme for inhouse services was approved by the Cabinet Member for Adults and Health. Within the programme there was a commitment to review the in-house residential services.

Marjory Cobby House in Selsey is an in house residential resource centre, providing Discharge to Assess with Reablement beds and interim beds primarily for people coming out of hospital and in particular St Richards hospital in Chichester.

The demand for residential Discharge to Assess beds has been and is likely to further be impacted by the increase of capacity to support people on a 'Home First' pathway, the

commissioning of alternative models of care during the pandemic and the increase in provision of the Community Reablement Service. Supporting people in their own home and maximising opportunities for independence remains the priority as outlined in the Adult Social Care vision and strategy.

Proposed Savings were presented to the Health and Adults Social Care Scrutiny Committee on the 13<sup>th</sup> January 2021 and then at Cabinet on the 22<sup>nd</sup> January 2021, which included £640k in savings related to in house services and identifying in particular Marjory Cobby House. At the scrutiny committee it was identified that this will involve a 12 weeks consultation and an Equalities Impact Assessment which will be presented back to Cabinet once completed. Following this, Cabinet will be asked to take a decision on the future of Marjory Cobby and the provision of residential based in-house services at this setting.

##### **Supported Living Services (Adults with Lifelong Disability, Autism, Mental Health) Contracts Award**

In August 2020 the decision ([Report ref: AH08 \(20/21\)](#)) was made to commence a procurement to commission supported living services. The decision included delegation of the authority to award contracts to the Interim Executive Director Adults and Health now the Executive Director of Adults and Health (DASS).

The proposal included commissioning services which would lead to: reduced number of people in hospital, residential beds and placed out of county; increased number of people in settled and 'most suitable' accommodation; and to avoid disruption for existing supported living customers.

The procurement has been delayed because of the pandemic, and a decision ([Report ref: OKD42 \(20/21\)](#)) was subsequently taken in November 2020 to extend the current contract arrangements for 4 months until 31<sup>st</sup> July 2021 and revise the procurement

timetable with anticipated commencement for the new commissioning arrangements from 1<sup>st</sup> August 2021.

In accordance with both decisions, the procurement has been undertaken and the Executive Director of Adults and Health will be asked to award the contracts to successful bidders in July 2021 prior to the commencement on 1<sup>st</sup> August 2021 of the new commissioned Framework Agreement for the provision of Supported Living Services (Mental Health, Autism or a Lifelong Disability).

It identifies and works with children and families in need of support, to help to promote the safe and healthy development of children and young people within stable families and prevent social care interventions in the future.</p> <p>The County Council wishes to create an improved, targeted Early Help offer directed to those most at need, while continuing to provide the existing statutory functions of the service, and to deploy its resources with the greatest efficiency and the maximum benefit to vulnerable children and families.</p> <p>On 23 February 2021, the Cabinet approved (<a href="#">decision CAB17 (20/21) refers</a>) the launch of a public consultation on its preferred option for the future design of the Early Help service, to increase the support and focused response to vulnerable children, for which there is an identified and growing need. This would ensure that families have access to the most appropriate support, including closer working with schools, the Children's Social Care service and the Council's other delivery partners.</p> <p>The public consultation, running between 8 March and 17 May 2021 has enabled all customers and stakeholders of the service, together with local communities to study and comment on the detailed proposals, and the reasons for the Council's preferred option.</p> <p>Following consideration of the results of the public consultation Cabinet will be asked to make a decision about the form of the new Early Help service, the future service offer and its means of delivery.</p>

### **Remodelling of Steyning Grammar School - Allocation of Section 106 Funding**

Steyning Grammar School (SGS) is a large secondary school and currently operates from three campuses – Rock Road, in Storrington and Shooting Fields and Church Street in Steyning.

The Key Stage 3 campus at Church Street is no longer fit for purpose for the numbers of students being educated there; the issues with the campus cannot be rectified easily due to cost and physicality of the site. As such the SGS Foundation has taken the decision to sell the premises and lease a new building, The Towers and therefore the Key Stage 3 students currently accommodated at Church Street will need to be moved to The Towers site in September 2021. Building works will be required at the Towers site to ensure the

necessary facilities are in place ready for the students to attend from September.

Safeguarding requires improvement at the main entrance to the school at the Shooting Fields site, and the Cuthman Inclusion Centre requires modernising and updating to facilitate the extra capacity required and provide two extra learning spaces for children with Special Educational Needs and Disabilities (SEND) and disadvantaged students.

SGS converted to an Academy with Bohunt Education Trust (BET) on 1st December 2020. BET have requested Section 106 funds totalling £1.572m to support the capital investment required.

Following detailed design and associated cost estimates provided by BET, the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

<b>Award of Contract for the Woodlands Meed College New Build Project</b>	
Woodlands Meed is a Special School and College for 2-19-year old pupils located in Burgess Hill.	

Due to suitability and condition issues of the existing accommodation at the College site, in May 2020 Cabinet agreed that funding was allocated to replace the College building on its existing site ([Decision reference CAB03 \(20/21\)](#) refers). #### **Initial Consultation Process - Burgess Hill Free School Presumption Competition**

In response to significant housing development to the North of Burgess Hill, known as the Burgess Hill Northern Arc, and a large number of smaller developments in the Haywards Heath and Hassocks area, it is necessary to commission a new all through free school (for children aged 4 – 16) with additional Early Years and Special Educational Needs and Disabilities facilities over two sites as part of the Northern Arc. Identifying a sponsor will be via a Local Authority led presumption competition process with the final decision taken by the Secretary of State for Education.

The first stage is to commence an initial four-week consultation engaging with local education stakeholders to inform the proposed specification of the school and seek views on the education offer that could be provided to the children and young people in this new community and the wider South and Central Mid Sussex area.

The Cabinet Member for Education and Skills will be asked to approve the commencement of the initial consultation process.

**Burgess Hill Northern Arc - New Secondary School - Allocation of Capital Funding for Design Fees**

Homes England has secured planning permission for a new 3500 home development on land known as the Northern Arc of Burgess Hill. As part of the overall plan, a site for a new Secondary School has been provided to ensure sufficient secondary school places to serve the development. In addition, a financial contribution of £18m has been secured through a Section 106 Agreement to contribute towards the construction costs of the new school.

All Year 7 places at local Secondary Schools are full for September 2021. A new Secondary School is therefore required to provide for both the increasing population in the area and the additional need generated by the development.

A feasibility study for building the new school has been commissioned through the County Council's Multi-Disciplinary Consultant (MDC), Faithful+Gould Ltd. The school is proposed to open in September 2024; therefore following the conclusion of the feasibility study the detailed design phase will need to follow without delay.

Following conclusion of the feasibility stage, the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to be designed fully including the submission of a planning application.

<p>Due to the ongoing public health emergency the County Council has received a number of support packages from Central Government. As funds are received the Council needs to determine arrangements to distribute, allocate or make other preparations for the appropriate use of funds received.</p> <p>The relevant decision maker will be determined by the intended use of the allocated funds. The Council may be required to comply with a number of conditions set out in the terms of the grant which may mean decisions need to be taken quickly due to the need to provide timely financial support related to the Covid-19 pandemic. Members will be consulted or advised of planned decisions with as much notice as can be provided.</p>

### **Cabinet Member for Highways and Infrastructure**

<b>West Sussex County Council Vehicle Removal Policy</b>	
<p>As part of the implementation of Civil Parking Enforcement (CPE), the County Council has previously requested from the Department for Transport the powers to remove, store and dispose of vehicles in contravention of parking restrictions and, although granted, it was agreed that the use of these powers would be subject to further approval from the Cabinet Member for Highways and Infrastructure.</p> <p>With CPE now more established and generally accepted in West Sussex, it is considered that vehicle removal could be a more appropriate tool for vehicles parked in contravention. It is considered appropriate to enact those powers as well as seek DVLA approval to devolve powers to the County Council to take enforcement action against individuals with untaxed vehicles.</p> <p>A Vehicle Removal Policy would concern vehicles parked in contravention in the following circumstances:</p> <ul style="list-style-type: none"> <li>• Persistent evader vehicles found parked in contravention</li> <li>• Fraudulent use of disabled persons parking blue badges or an article that purports to be a disabled blue badge</li> <li>• Parked using a fraudulent on-street parking permit, voucher or pay and display parking ticket, inclusive of cashless parking sessions and virtual permits.</li> <li>• Parked in a manner that causes serious obstruction to emergency services and other road users</li> <li>• Abandoned and Untaxed Vehicles</li> </ul> <p>The Cabinet Member for Highways and Infrastructure will be asked to approve a Vehicle Removal Policy for West Sussex and seek DVLA approval to take enforcement action against individuals with untaxed vehicles.</p>
