

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet. Due to the continuing public health measures, there will be limited public access to the meeting. Admission is by ticket only, bookable in advance via: democratic.services@westsussex.gov.uk. The meetings will be available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

Winter Commissioning 2021-2022 Award of Contract(s)	
<p>The Council is developing plans to respond to seasonal pressures for the period between October 2021 and March 2022 in consultation and partnership with our NHS partners. The seasonal pressure plan will potentially include the commissioning of both Care and Support at Home and residential based service provision as well as other services that support hospital discharge or enable people to remain independent at home.</p> <p>The health and social care system face increased pressures during this period, particularly in the winter months that place increased demands on services. This year this is likely to be exacerbated by continued pressures as a result of the Covid-19 pandemic. Seasonal pressure plans are designed to ensure discharges from hospital, avoid admission to hospital or increase the flow across health and social care and access to services during pressured periods.</p> <p>Following the decision made by the Cabinet Member for Adult Services on the agreement of the Health and Social Care Seasonal Pressures Plan 2021/22 and commencement of procurement, the Executive Director, Adults and Health will be asked to approve the award of contract(s).</p>

Director of Communities

Grant Funding - New Statutory Duty Domestic Abuse Act 2021
<p>The Domestic Abuse Act 2021 became law on 29 April 2021 and is designed to strengthen protections for victims and survivors of domestic abuse through the criminal</p>

justice system and via support services. The Act includes a statutory definition of domestic abuse, emphasising that domestic abuse is not just physical violence, but can also be emotional, coercive or controlling, and includes economic abuse. As part of this definition, children will be explicitly recognised as victims in their own right.

The Act places a duty on Local Authorities in England to:

- provide support to victims of domestic abuse and their children in refuges and other safe accommodation;
- provide all eligible homeless victims of domestic abuse with an automatic 'priority need' for homelessness assistance;
- ensure that when Local Authorities rehouse victims of domestic abuse, they do not lose a secure lifetime or assured tenancy;
- provide all eligible homeless victims of domestic abuse with an automatic 'priority need' for settled housing under the homelessness legislation.

Local Authorities are required to conduct a needs assessment to fully understand their requirements relating to the new duty which is required to be submitted in October 2021. West Sussex County Council has undertaken this needs assessment in conjunction with relevant local partners and has received one off funding in the region of £1.4m from Ministry of Housing, Communities & Local Government to respond to the results of the required needs assessment.

The new legislation requires the formation of a Partnership Board, if not already set up, to advise Local Authorities on how to meet their responsibilities against the new duty. West Sussex County Council will continue to use the existing West Sussex Domestic and Sexual Violence and Abuse Steering group to review progress and activity against our local action plan. In addition a shared action plan is being developed to deliver the Pan-Sussex Strategic Framework which will incorporate the local West Sussex and East Sussex action plans. The Sussex Partnership Board will oversee the elements of the action plan that are consistent pan-Sussex

This decision will ask the Director of Communities to approve appropriate allocations from the £1.4m of Ministry of Housing, Communities & Local Government funding in line with The Sussex Partnership Board's assessment of the needs of all victims in the local area and within the terms of the government's grant conditions.

Residential based in-house services, Marjorie Cobby House, Selsey	
<p>In 2018 the 'Choices for the Future' transformation programme for inhouse services was approved by the Cabinet Member for Adults and Health. Within the programme there was a commitment to review the in-house residential services.</p> <p>Marjorie Cobby House in Selsey is an in house residential resource centre, providing Discharge to Assess with Reablement beds and interim beds primarily for people coming out of hospital and in particular St Richards hospital in Chichester.</p> <p>The demand for residential Discharge to Assess beds has been and is likely to further be impacted by the increase of capacity to support people on a 'Home First' pathway, the commissioning of alternative models of care during the pandemic and the increase in provision of the Community Reablement Service. Supporting people in their own home and maximising opportunities for independence remains the priority as outlined in the Adult Social Care vision and strategy.</p> <p>Proposed Savings were presented to the Health and Adults Social Care Scrutiny Committee on the 13th January 2021 and then at Cabinet on the 22nd January 2021, which included £640k in savings related to in house services and identifying in particular Marjorie Cobby House. At the scrutiny committee it was identified that this will involve a consultation and an Equalities Impact Assessment which will be presented back to Cabinet once completed. Following this, Cabinet will be asked to take a decision on the future of Marjorie Cobby and the provision of residential based in-house services at this setting.</p>

Shaw Healthcare Day Services Review

Shaw Healthcare Ltd hold a contract with West Sussex County Council to provide 12 Residential Care and Nursing Homes across West Sussex. Six of these services also have a Day Service offer. In May 2018, a Cabinet decision ([Report Ref: AH2 2018/19](#)) was taken which confirmed a three phased approach to making investment in the Shaw Healthcare Ltd contract, the third phase being the review of day services. In November 2020, as part of the Council's savings plans, the intention was confirmed to extend the review to assess whether all of the day services are required, whether they provide best use of public money and if not, what should change in order to deliver better outcomes for people. ([Report Ref: CAB 11 20/21](#))

As part of the review of this provision, the County Council will now undertake a 6-week public consultation on the future of the services, with consideration of the outcomes of the review to date and the identification of savings. The process of consultation will be completed by the end of July 2021. The outcomes of the review, responses from the consultation and considerations of the Equalities Impact Assessment will then be presented to Cabinet to inform the decision on the future of the day service offer within the Shaw Healthcare Ltd services.

Remodelling of High Trees and Teasel Close children's homes, Crawley	
Teasel Close children's home in Crawley caters for residential placements for children, with capacity for up to 5 children at one time. High Trees children's home in Crawley	

caters for residential placements and short breaks for children with disabilities, with capacity for up to 4 children at one time. Both homes are graded as 'outstanding' by Ofsted.

These homes are identified for improvement works as part of phase 2 of the [children's in-house residential strategy](#). Remodelling and refurbishment works are required to resolve critical issues with the sites, modernise the homes and improve the facilities for those children resident at the homes.

Burgess Hill Northern Arc - New Secondary School - Allocation of Capital Funding for Project Delivery

Homes England has secured planning permission for a new 3500 home development on land known as the Northern Arc of Burgess Hill. As part of the overall plan, a site for a new Secondary School has been provided to ensure sufficient secondary school places to serve the development. In addition, a financial contribution of £18m has been secured through a Section 106 Agreement to contribute towards the construction costs of the new school. The school is proposed to open in September 2024.

All Year 7 places at local Secondary Schools are full for September 2021. A new Secondary School is therefore required to provide for both the increasing population in the area and the additional need generated by the development.

In July 2021 the Cabinet Member for Learning and Skills approved the capital funding to enable the detailed design for building the new school to be progressed through the County Council's Multi-Disciplinary Consultant (MDC), Faithful+Gould Ltd ([decision LS03\(21/22\)](#) refers). The detailed design will enable the procurement process for construction of the school to be commenced.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of the funds required for full delivery of the project and procurement of a building contractor to complete the design and construct the new building.

Contract Extension for the Provision of Adult Community Education

West Sussex County Council currently provides adult community education for the residents of West Sussex through a subcontracting model, predominantly delivered by Aspire Sussex Ltd (Aspire). Provision is entirely externally funded via the Department for Education through the Education and Skills Funding Agency (ESFA) and where appropriate, fees paid by the learners. The County Council is accountable to the ESFA for the use of the funding and to Ofsted for the quality and effectiveness of provision.

Aspire were awarded a contract on an initial three-year term, commencing 1 August 2017, with the option for up to a four-year extension.

In April 2020, a two-year contract extension was approved which runs until August 2022 (decision [OKD01\(20/21\)](#) refers); the contract value is approximately £2.74m per year. The intention is to extend the contract for the final two years; taking up this extension will allow the County Council to explore future delivery models.

The Director of Education and Skills will be asked to approve the extension of the contract with Aspire for the final two years, to 31 August 2024, with a break clause in for August 2023.

Household Waste Recycling Sites - consultation about future of Booking System

The County Council [implemented a pilot booking system](#) at the Household Waste Recycling Sites from March 2021 in order to help manage demand for the service which, at certain times, had caused disruption to nearby residents, businesses and the road network. There was considered to be a risk around peak demand for the sites coinciding with the need for social distancing measures.

During the summer of 2021 the scheme met its principal objectives and has been largely popular with users. It was agreed the pilot system would be reviewed after six months of operation.

The Cabinet Member for Environment and Climate Change will be asked to authorise a public consultation exercise on the future of the booking system currently being piloted at six of the HWRSs.

Gatwick Northern Runway - approval of consultation response

Gatwick Airport Limited (GAL) proposes alterations to bring the existing Northern Runway at Gatwick Airport into routine use alongside the main runway, enabling the dual operation of both runways. The proposal, the Northern Runway Project, is a Nationally Significant Infrastructure Project requiring a Development Consent Order (DCO) from the Secretary of State (rather than planning permission from the local planning authority). The County Council is a statutory consultee in the DCO process.

The proposal would increase Gatwick’s passenger throughput to approximately 75.6 million passengers per annum (mppa) by 2038, an increase in capacity of approximately 13.2 mppa. The Northern Runway would be operational by summer 2029. The majority of the construction works associated with the project would be contained within the existing airport boundary.

Formal consultation on the proposal is taking place from 9 September to 1 December 2021.

The Cabinet will be asked to approve the County Council’s response to the formal consultation.
