

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet. Due to the continuing public health measures, there will be limited public access to the meeting. Admission is by ticket only, bookable in advance via: democratic.services@westsussex.gov.uk. The meetings will be available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	A summary of the proposal.
Decision By	Who will take the decision - if the Cabinet, it will be taken at a Cabinet meeting in public.
Date added	The date the proposed decision was added to the Forward Plan.
Month	The decision will be taken on any working day in the month stated. If a Cabinet decision, it will be taken at the Cabinet meeting scheduled in that month.
Consultation/ Representations	How views and representations about the proposal will be considered or the proposal scrutinised, including dates of Scrutiny Committee meetings.
Background Documents	The documents containing more information about the proposal and how to obtain them (via links on the website version of the Forward Plan). Hard copies are available on request from the decision contact.
Author	The contact details of the decision report author
Contact	Who in Democratic Services you can contact about the entry

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

For questions contact Katherine De La Mora on 033 022 22535, email katherine.delamora@westsussex.gov.uk.

Strategy for Adult Social Care in West Sussex	
<p>A new strategy for adult social care has been co-designed, with priorities developed from what people have told us is important to them. The strategy will:</p> <ul style="list-style-type: none">• Reflect the voices of the people who access care and their carers, as well as staff, providers and partners.• Set out the overarching priorities to support people accessing care and their carers in West Sussex over the next three years.• Act as a framework to plan how the County Council will invest its adult social care budget going forward. <p>The strategy has been co-designed with County Council staff, customers, carers, providers and other partners, to ensure the voices of service users and carers are at the heart of the future of adult social care in West Sussex. The Cabinet will be asked to endorse the strategy at its meeting on 1 February 2022.</p>

Executive Director Adults and Health

Contract Extension Discharge to Assess with Reablement Beds	
<p>Discharge to Assess with Reablement services are delivered within a residential care setting for people being discharged from hospital who are not yet able to return home. There are currently 36-44 Discharge to Assess with Reablement beds being provided across the County. Demand for services has changed over recent years and the Council has made a commitment to continue to support people being discharged home from hospital through the Home first pathway wherever this is a suitable option for individuals. However, Discharge to Assess with Reablement beds provide an important solution where people are unable to return home straight away and they have previously been shown to evidence a positive return on investment for the health and social care system.</p> <p>In March 2021 a decision (ref OKD68 20/21) was taken to extend three contracts delivering Discharge to Assess with reablement beds for an additional 12 months and for the re-purposing of ten beds within the Crawley Shaw healthcare Burleys Wood service to nursing beds. In November 2021 a decision (ref CAB07 21/22) was taken to end the provision of in-house residential services in Marjorie Cobby House. As this service has been providing Discharge to Assess with Reablement beds, also included in the report was the recommendation to find alternative provision in the short term through the Shaw Healthcare contract. Subsequently 8-10 beds have recently commenced within Glebe House to ensure the continued provision of Discharge to Assess beds for people in and around the Chichester area. This now operates alongside the three other Discharge to Assess with reablement services in Littlehampton, Worthing and Haywards Heath.</p> <p>The Executive Director for Adults and Health will now be asked to decide on the continued provision of Discharge to Assess with reablement services and the potential extension of contract arrangements for their final contracted year from 1 April 2022- 31 March 2023.</p>

Executive Director Adults and Health

Food Supply and delivery of Meals on Wheels	
<p>A procurement process has been initiated by the Executive Director Adults and Health for the award of the contract for food supply and delivery of the Meals on Wheels service to customers in the community and West Sussex County Council operated Directly Provided Services (Day Centres).</p> <p>The existing contract arrangements will expire on 18th October 2022 following the current 7-year contract coming to its fully extended end. The current contract operates 365 day a year and delivers approx. 200,000 meals a year to around 700 registered customers living in the community and has an annual value of around 1.2m. In a BAU year the contract also provides around 20,000 Day Centre meals. A competitive procurement process will be undertaken for the Meals on Wheels contract to commence on 19th October 2022 for a period of 5 years initially plus any potential extensions, up to a maximum of 7 years in total.</p> <p>West Sussex County Council has carried out internal reviews and analysis of the future feasibility of the service and preferred procurement process to be used. The process has passed through the Council's Commercial and Procurement boards with representatives from legal, procurement and commercial services and the preferred procurement option is to undertake a competitive procurement process to replace the existing contract arrangement.</p> <p>The service currently runs on a cost neutral basis to the Council and the procurement and subsequent award will replicate this model.</p> <p>The Executive Director Adults and Health will be asked to award the contract to commence on 19th October 2022 for a period of 5 years initially plus any potential extensions, up to a maximum of 7 years in total.</p>

Executive Director Adults and Health

Extra Care Housing Award of Contracts

Extra care housing provides specialist accommodation to adults primarily over the age of 55 years who require adapted properties and have eligible care and support needs as assessed in line with the Care Act 2014. The schemes provide individual adapted apartments, communal areas, a restaurant and an onsite care team. Extra care housing is enabling residents of West Sussex to remain independent within their communities and provides an alternative option to residential care.

In 2017, Following a key decision by the Cabinet Member for Adults Services, (Report [Ref: ASCH916-17](#)) the Council set up a new dynamic purchasing system (DPS) framework for extra care housing. The DPS allows the Council to approve and add new appropriately qualified care providers to the framework at any time. All providers on the DPS will meet core requirements. When new schemes are developed or there is a need for a change of care provider in an existing scheme, the DPS will be used to source the care provision. In May 2020 (Report [Ref:AH03 20/21](#) and [OKD52 20/21](#)) extended the Dynamic Purchasing System (DPS) to 30 September 2025. The Official Journal of the European Union (OJEU) notice in relation to the extension states 30 September 2025.

The Cabinet Member for Adults Services delegated the authority for the award of contract and any subsequent awards within the agreed DPS Framework to the Executive Director of Adults and Health.

Following a mini competition under the WSCC Extra Care Dynamic Purchasing System (DPS) for Care and Support in Extra Care Housing, the Executive Director Adults and Health will be asked to award the contract(s) to the successful bidder(s).

Executive Director Adults and Health

Integrated Community Equipment Service - Re-commissioning and Contract Award

West Sussex County Council (WSCC) has a contract with NRS Healthcare for the provision of Community Equipment Services. Community equipment (such as beds, chairs, perching stools and mattresses) is widely recognised as a cost-effective method of meeting eligible social care need and evidence suggests it is also effective in

preventing, reducing and delaying the need for ongoing care, reducing unplanned admissions and enabling people to remain safe and independent in their own homes.

The existing service expires on 31st March 2023. It is led and managed, via section 75 agreement, between West Sussex County Council and West Sussex CCG on behalf of the health and social care system. The annual cost, currently budgeted between £9-10 million, is split almost equitably between Health and Social Care. All equipment is prescribed by a range of professionals and attributable cost of each piece depends on circumstances, such as the location of the customer and the type of equipment.

It is proposed that full contract re-commissioning is undertaken to incorporate the development of an all age countywide Integrated Community Equipment Service (the principles of which include a pooled budget and single management function with the associated process and financial efficiencies that this provides) and to ensure that with the next competitively tendered contract the optimum model of service delivery can be implemented to achieve customer outcomes and value for money across the West Sussex health and social care system.

It is also proposed that once the tender process is complete under the authority of the Executive Director Adults and Health, the contract will be let on the basis of the most economically advantageous bid.

Executive Director Adults and Health

Fees paid to independent providers of Adult Social Care

Rates and fees paid to independent providers of adult social care provision in the community and in residential and nursing homes are subject to annual review. The Cabinet Member will be asked to consider the fees and rates paid for commissioned services related to the Adult Social Care and Health portfolio for 2022-23.

The review will consider usual maximum rates for care homes and care homes with nursing; individually agreed rates paid to care homes and care homes with nursing; shared lives; and rates and fees paid for community-based services.

In the short term, the priority continues to be to ensure that the market can cope with vulnerable people at this unprecedented time dealing with COVID-19, therefore the

Council will address financial pressures resulting from the pandemic independently of this decision.

Children and Young People

Cabinet Member for Children and Young People

Procurement of residential provision for children with complex needs	
<p>The County Council has a duty to take steps to secure, so far as reasonably practicable, sufficient accommodation within its area which meets the needs of children within its care. Sourcing stable placements which adequately meet the requirements of children with complex needs is a particular challenge, and this picture is reflected nationally.</p> <p>The County Council has been working with other local authorities, as well as national associations representing providers of residential care, to identify potential solutions to these issues, the culmination of which will be the procurement of a new service, or services. The procurement will be conducted in partnership with other local authorities within the South East region, with the aim of developing new and innovative approaches to residential care provision for looked after children with complex needs, to better support sufficiency within the region.</p> <p>The Cabinet Member for Children and Young People will be requested to approve the commencement of a procurement process for residential provision for looked after children with complex needs. The Cabinet Member will also be asked to delegate authority to the Executive Director of Children, Young People and Learning to enter into a legal agreement with the other local authorities involved and award the contract.</p>

Cabinet Member for Children and Young People

Procurement of a Framework for Therapeutic Services for Children and Young People

As part of its statutory obligations the Council provides therapeutic assessments and therapeutic interventions for children and young people. This includes the provision of therapies from different disciplines for example psychotherapy, occupational therapy, play therapy.

Currently this need is predominately for children With Special Educational needs, receiving Social Care support, or in the Council's Care.

Whilst the County Council provides some of these services, the demand is such that a significant amount of provision has to be purchased from the external market and evaluation shows this is a trend expected to continue. In order to meet this demand, it is proposed to set up a Framework to enable the efficient sourcing of therapeutic services from qualified suppliers.

The Cabinet Member for Children and Young People will be asked to approve: -

- The commencement of a procurement to set up a Framework to enable the purchase of therapeutic services and
- The delegation of authority to the Executive Director Children, Young People and Learning to award places on the Framework

Executive Director Children, Young People and Learning

Award of contract for a Recording System for Children, Young People and Learning

The Children, Young People and Learning (CYPL) Directorate plans to consolidate and/or integrate systems used to record information about children and their families.

CYPL currently has 11 systems in use and there is a need to significantly reduce this to support CYPL's improvement journey. This will help to achieve a coherent and consolidated view of involvement with a child and their family and improve the use of data and analysis to improve service provision.

The Cabinet Member for Children and Young People approved the commencement of a procurement process to seek a system supplier who could achieve the aim of consolidating and integrating recording systems (Decision [CYP01\(21/22\)](#) refers). The new recording solution will mainly cover education, early years and youth justice, but it will also consider how best to integrate with the Mosaic system for children's social care.

As part of decision CYP01 (21/22) the Cabinet Member also delegated authority to the Executive Director to award the contract. Therefore, on completion of the procurement process, the Executive Director of Children, Young People and Learning will be asked to approve the contract award to the successful bidder/s.

Award of places on the Framework - Urgent and Specialist Support for Children and Young People

In October 2021 the Cabinet Member for Children and Young People approved the commencement of a procurement process for an Urgent and Specialist Support Framework Agreement (decision [CYP03\(21/22\)](#) refers). The Framework Agreement will enable the County Council to source urgent and specialist support for vulnerable Children and young people in emergency situations at short notice periods and often the same

day.

As part of the decision to commence the procurement the Cabinet Member also approved the delegation of authority to the Executive Director of Children, Young People and Learning to implement the Framework Agreement and any subsequent award relating to these contracting arrangements, for the initial 4-year period with the option to extend for up to a further 4 years if required.

Once the procurement process is complete the Executive Director of Children, Young People and Learning will be asked to implement the Framework Agreement and approve the award and joining onto the Framework Agreement of successful bidders.

Director of Education and Skills

Contract Extension for the Provision of Adult Community Education	
<p>West Sussex County Council currently provides adult community education for the residents of West Sussex through a subcontracting model, predominantly delivered by Aspire Sussex Ltd (Aspire). Provision is entirely externally funded via the Department for Education through the Education and Skills Funding Agency (ESFA) and where appropriate, fees paid by the learners. The County Council is accountable to the ESFA for the use of the funding and to Ofsted for the quality and effectiveness of provision.</p> <p>Aspire were awarded a contract on an initial three-year term, commencing 1 August 2017, with the option for up to a four-year extension.</p> <p>In April 2020, a two-year contract extension was approved which runs until August 2022 (decision OKD01(20/21) refers); the contract value is approximately £2.74m per year. The intention is to extend the contract for the final two years; taking up this extension will allow the County Council to explore future delivery models.</p> <p>The Director of Education and Skills will be asked to approve the extension of the contract with Aspire for the final two years, to 31 August 2024, with a break clause in for August 2023.</p>

Cabinet Member for Learning and Skills

Burgess Hill Northern Arc - New Secondary School - Allocation of Capital Funding for Enabling Works
<p>Homes England has secured planning permission for a new 3500 home development on land known as the Northern Arc of Burgess Hill. As part of the overall plan, a site for a new Secondary School has been provided to ensure sufficient secondary school places to serve the development. In addition, a financial contribution of £18m has been secured</p>

through a Section 106 Agreement to contribute towards the construction costs of the new school. The school is proposed to open in September 2024.

All Year 7 places at local Secondary Schools are full for September 2021. A new Secondary School is therefore required to provide for both the increasing population in the area and the additional need generated by the development.

In July 2021 the Cabinet Member for Learning and Skills approved the capital funding to enable the detailed design for building the new school to be progressed through the County Council's Multi-Disciplinary Consultant (MDC), Faithful+Gould Ltd ([decision LS03\(21/22\)](#) refers). The detailed design will enable the procurement process for construction of the school to be commenced.

The Cabinet Member for Learning and Skills will be asked to approve:-

- (1) The commencement of a procurement exercise for appointment of a building contractor
- (2) The allocation of funds required to enter into a pre-construction services agreement and enabling works package and
- (3) The delegation of authority to the Director of Property and Assets to award the contract for pre-construction services and enabling works and the submission of a reserved matters planning application.

Cabinet Member for Learning and Skills

Midhurst Rother College, Midhurst - Extension of Changing Rooms - Allocation of Capital Funding for Project Delivery

Midhurst Rother College is an Academy Secondary School providing education for pupils aged 11 to 18 in the Midhurst/Petworth and surrounding areas.

Following an increase in parental preference and a need for Secondary places in the area, the Published Admission Number (PAN) for each year group at the school will be increased to 240. Consequently the changing rooms need expanding to accommodate the increased number of pupils.

In March 2021 the Director of Property and Assets approved the capital funding to enable the detailed design for the additional changing rooms to be progressed through the County Council's Multi-Disciplinary Consultant (MDC), Faithful+Gould Ltd.

The Cabinet Member for Learning and Skills will be asked to approve:

- the allocation of the funds required for full delivery of the project
- the procurement of a building contractor to construct the extension to the changing rooms and the
- delegation of authority to the Director of Property and Assets to award the contract.

Proposed Expansion of Yapton CE Primary School - Allocation of Design Fees

The County Council has a statutory duty to ensure there are sufficient primary and secondary school places for all children who need a place. The Basic Need requirements are reviewed annually to identify the next tranches of projects and to ensure planned projects are still required following review of projection data of pupil numbers. The requirements across the county are set out in the annual update of the [Planning School Places document](#).

Pupil projections for the Barnham/Westergate planning area are indicating there are insufficient places for children starting school which is in part due to the significant house building across the area. The County Council are often unable to offer local places to movers into the area outside of the annual admissions round as all schools are full. It is therefore proposed that Yapton CE Primary School is expanded from 1.5 form entry (FE) (315 places) to 2FE (420 places) to meet the current demand for places. Additional land has been secured through a S106 Agreement to support the expansion of the school.

Following conclusion of a feasibility study to consider how best to expand the school to meet Department for Education (DfE) and West Sussex guidelines for school accommodation, further design work is now required to develop an expansion project that will meet the overall programme for delivery of places by 2024.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of funds to enable the design work to commence.

School Funding 2022/23	
<p>West Sussex County Council is required, under national funding regulations, to consult schools and the Schools Forum on proposed changes to funding arrangements affecting mainstream school budgets. The School Funding Review 2022/23 consultation document was published on 20th October 2021. Responses to the consultation and feedback from Schools Forum have been taken into account in the development of the local funding formula for mainstream schools in 2022/23.</p> <p>To help fund the DSG recovery plan a proposal to transfer £1.2m of funding from the Dedicated Schools Grant (DSG) Schools block to the DSG High Needs Block was also included as part of the schools funding consultation. Under the funding regulations, any transfer between blocks is a decision that is taken by Schools Forum, although the County Council can seek to overturn this by applying to the Secretary of State for Education through a disapplication request.</p> <p>Following consideration of the responses to the consultation and the feedback from Schools Forum the Cabinet Member for Learning and Skills will be asked to approve the 2022/23 local funding formula for all mainstream schools in the county.</p>

Director of Property and Assets

Award of contract to provide permanent accommodation for the expansion of River Beach Primary School, Littlehampton

River Beach Primary School is a 3 form of entry Academy located in Littlehampton. Due to increased pupil population in Littlehampton, the school currently accommodates an increased intake of 30 pupils by using a 35+ year old modular unit that has reached the end of its life.

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including the expansion of River Beach ([decision ES10 \(20/21\)](#) refers). As part of the decision the Cabinet Member also delegated authority to the Director of Property and Assets to undertake a procurement exercise and to enter into contracts for delivery of the projects. At the time of this decision it was not considered that an individual project would require an allocation in excess of £500,000; following a feasibility study the works required at River Beach are anticipated to exceed this value, meeting the criteria for an individual officer key decision.

The Director of Property and Assets will be asked to approve the award of contract for the expansion of River Beach Primary School.

Director of Property and Assets

Additional Budget Requirement to expand Lindfield Primary Academy, Haywards Heath.

Following a review of pupil projections for the North of the County and in particular the Haywards Heath/Lindfield areas it is necessary to provide for a bulge class of 30 pupils at Lindfield Primary Academy for two years' intake.

The project will create 2 additional classrooms as an extension to the existing school buildings and a grass bank will be levelled into an outdoor play space to accommodate the increased pupil numbers.

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including the expansion of Lindfield Primary (decision [ES10 \(20/21\)](#) refers). As part of the decision the Cabinet Member also delegated authority to the Director of Property and Assets to undertake a procurement exercise and to enter into contracts for delivery of the projects.

Following completion of the feasibility study, it has been identified that an increase to the budget is required in line with the most recent cost estimate to ensure contingencies are incorporated to make provision for current fluctuations in the market. This increase means the allocation of funding for this project now meets the criteria for a key decision; the additional monies will be allocated from S106 funds.

The Director of Property and Assets will be asked to approve the additional budget required for the expansion project at Lindfield Primary School.

Director of Property and Assets

Award of contract for construction of an All Weather Pitch at The Forest School, Horsham

In July 2020 the Cabinet Member for Education and Skills approved the siting of additional accommodation for QEII School on some of the existing playing field at The Forest School (Decision reference [ES02\(20/21\)](#)). In order to mitigate the impact of the loss of the playing field an All Weather Pitch will be constructed at The Forest School.

The All-Weather pitch will enable pupils to undertake outside sport activities all year round whilst also providing the school the ability to generate additional income through letting.

As part of a separate key decision process the Cabinet Member for Learning and Skills approved the allocation of capital funding from Section 106 contributions to undertake a project to provide an All Weather Pitch at The Forest School ([Decision LS05\(21/22\)](#) refers). The Cabinet Member also delegated authority to the Director of Property and Assets to award the contract for the project.

The Director of Property and Assets will be asked to approve the award of contract for the proposed project at The Forest School.

Director of Education and Skills

Award of contract for a Replacement Schools Information and Financial Management System

A School Information Management system (SIMS) provides the information necessary to manage a school effectively and provides an objective system for recording and aggregating information to support its operations. A school also has a Financial Management System (FMS) to manage its finances and budgeting.

The current versions of these systems have been in place for a considerable time and are consequently not deemed by the users as being as flexible or in tune with current data requirements as more modern systems, which also potentially offer improved functionality options that would support more efficient and effective working practices, which could benefit both schools and the County Council.

The Cabinet Member for Learning and Skills has approved the commencement of a procurement process to seek a supplier to provide a replacement information and financial management system for all West Sussex maintained schools and to settle a service level agreement through which schools would reimburse the County Council for the costs of the system ([decision LS11 \(21/22\)](#) refers).

As part of the decision the Cabinet Member also delegated authority to the Director of Education and Skills to award the contract. Therefore, on completion of the procurement process, the Director of Education and Skills will be asked to approve the contract award to the successful bidder/s.

Director of Property and Assets

Allocation of additional funding to create provision for accommodating a bulge class at The Burgess Hill Academy

Following a review of pupil projections for starting secondary school in Mid Sussex, it is necessary to provide for a bulge class of 30 pupils at The Burgess Hill Academy for September 2022.

The project will invest in teaching and non-teaching areas enabling the school to accommodate a temporary increase in pupil numbers.

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including education infrastructure at The Burgess Hill Academy (decision [ES10 \(20/21\)](#) refers). As part of the decision the Cabinet Member also delegated authority to the Director of Property and Assets to undertake a procurement exercise and to enter into contracts for delivery of the projects.

Following completion of the feasibility study, it has been identified that an increase to the budget is required in line with the most recent cost estimate to enable the works to be taken forward and to make provision for current fluctuations in the market. This increase means the allocation of funding for this project now meets the criteria for a key decision; the additional monies will be allocated from S106 funds which have been received specifically for The Burgess Hill Academy.

The Director of Property and Assets will be asked to approve the additional budget required for the project at The Burgess Hill Academy.

Community Support, Fire and Rescue

Cabinet Member for Community Support, Fire and Rescue

West Sussex Fire and Rescue Service Estates Improvement Plan

Her Majesty's Inspectorate of Constabulary and Fire and Rescue Services report on West Sussex Fire and Rescue Service (WSFRS) in 2018/19 identified areas where the service requires improvement. It is important that the service's estates strategy has a clear objective aligned to and supporting the vision for the WSFRS.

A number of the findings are in areas where there may be asset-based solutions required, to address physical conditions in order to facilitate improvements in areas such as:

- Use of resources and affordability of services
- Promote the right values and culture
- Ensure fairness and promote diversity

The Orange Fire Stations Guide was subsequently commissioned to establish and record the requirements of WSFRS for all fire stations. This was not intended to replace current Building Regulations, British Standards, Codes of Practice, Building Bulletins or any other statutory legislation but does set out the expectations of West Sussex County Council (WSCC). Upon completion, a survey report, of all fire stations, was undertaken against these requirements to establish current conditions at each facility.

The Estates Improvement Plan clearly sets out the prioritisation of work to address the gaps between current state and that recommended through the guidelines.

All partners involved have been asked to formally approve the Estates Improvement Plan. The Cabinet member for Community Support, Fire and Rescue is recommended to do so, on behalf of the County Council.

West Sussex Fire and Rescue Service Community Risk Management Plan 2022-26

The Fire and Rescue National Framework for England (2018) requires all Fire and Rescue Authorities to produce an Integrated Risk Management Plan (IRMP) that covers at least a 3-year period. We are now in the fourth and final year of our existing 2018-2022 IRMP and have developed a new Community Risk Management Plan (CRMP) covering 2022-2026 [per guidance from the National Fire Chiefs Council (NFCC), there has been a change in terminology from IRMP to CRMP].

During the planning process, we consider our community risks, using a range of sophisticated analytical tools to identify where incidents might happen, when they might occur and how serious they could be. Using this data alongside historical information about demand allows us to identify options to better target our resources, including firefighters and appliances, more effectively, resulting in a better balance of prevention, protection and response activities. This plan then clearly communicates this to the public, reinforcing the services commitment to our communities.

The Cabinet is recommended to endorse the West Sussex Fire and Rescue Service Community Risk Management Plan 2022-26 on behalf of the County Council.

Property Holdings: (Rolling Entry)	
<p>The County Council's West Sussex Plan sets out its ambition to minimise the burden of local taxation, delivering the best outcomes for residents with the money it spends, whilst living within its means. In 2018 the County Council agreed to adopt an Asset Management Policy and Strategy. An objective of the strategy is to acquire, manage, maintain and dispose of property effectively, efficiently and sustainably, together with optimising financial and commercial opportunities.</p>

Procurement and Award of Contract-Littlehampton County Offices

Littlehampton County Offices is a three-storey property, owned by West Sussex County Council and shared with Sussex Police.

At the time of the August 2021 Key Decision (FP03 21/22) to vacate Centenary House Durrington, options for replacement office space had been identified for County Council staff including for direct engagement with the public. Some of the capacity will be provided by a move to rented accommodation at Durrington Bridge House on a five-year lease. It is intended to provide the balance of the accommodation at Littlehampton County Offices, which will provide an enduring facility for the Council. A feasibility study has identified a solution that will cost £1.1m to refurbish the property, including making adaptations to reduce the carbon footprint of the building and improve accessibility.

The Director of Property and Assets will be asked to approve the procurement and award of the refurbishment contract and associated expenditure.

Award of Framework Agreements for Construction Framework	
<p>The County Council carries out repair, maintenance and refurbishment work throughout the corporate estate. Following Cabinet Member decision ECR06 20 21 a construction framework arrangement is being procured which will enable the County Council to place work orders with a variety of qualified contractors to deliver works that fall outside of the current maintenance contract. The works can include repairs and refurbishment as well as new build requirements where needed.</p>	

Authority was delegated to the Director of Property and Assets by the Cabinet Member decision, to award the Framework Agreements and any call-off contracts as a result of mini-competitions run under the Frameworks. The Director of Property and Assets will be asked to approve the award of Framework Agreements for the proposed Construction Framework.

Endorsement: West Sussex Public Bus Service Procurement via Surrey County Council Dynamic Purchasing System

In 2017, following decision [HT01 15-16](#), the County Council joined the Surrey County Council (SCC) Dynamic Purchasing System (DPS) to procure socially necessary bus services in West Sussex. The current DPS is due to end on 31 January 2022. SCC intends to extend the DPS in the light of the ongoing pandemic-related market situation and it is proposed that West Sussex County Council continues to use the SCC DPS.

The Director of Highways, Transport & Planning will be asked to agree to extend the current arrangement to procure socially necessary bus services for West Sussex via the SCC DPS.

Cabinet Member for Highways and Transport

Future Ways of Working re Community Traffic Regulation Orders

Traffic Regulation Orders (TROs) are legal orders that support the enforceable restrictions and movements on the public highway. In West Sussex, requests for TROs are received from communities to deal with matters such as speed limits, parking controls and moving offences, for example width restrictions and Heavy Goods Vehicles (HGV) restrictions. These requests are known as Community TROs.

Community TRO requests were previously considered and prioritised by County Local Committees after they had been technically assessed using an agreed framework. The Cabinet Member was then able to add a further 15 TROs to the programme resulting in a programme of up to 38 Community TROs per year.

A review has been commissioned to examine the way Community TRO requests are assessed, prioritised and delivered to ensure it is fit for purpose and responds the community demand.

The Cabinet Member for Highways and Transport will be asked to consider and approve recommendations for future ways of working with regard to Community TROs.

Highways and Transport Delivery Programmes 2022/2023

The Highway and Transport Delivery Programmes identify capital highways infrastructure maintenance and transport improvement schemes for delivery during 2022/23 and beyond. Capital funding for the Delivery Programmes is predominantly received from the Government for roads maintenance (the Local Highway Maintenance Block), and transport improvements (the Integrated Transport Block) supported by additional funding from developer agreements and contributions.

The indicative forward programmes for Highway Infrastructure Maintenance, Local Transport Improvements (LTIP) and Community Highway Schemes (CHS), have informed the 2022/23 Highways and Transport Delivery Programmes. These provide transparency of the maintenance and improvement investment needs and the funding priorities prepared and selected for review and approval in this decision.

The Cabinet Member for Highways and Transport will be asked to -

1. Approve the Highway and Transport Delivery Programmes 2022-23; and
2. delegate authority to the Director of Highways, Transport and Planning to adjust the 2022/23 Delivery Programmes to take account of budgetary pressures and any changes in priority arising as a result of network availability, emergencies, or other operational circumstances, in consultation with the Cabinet Member.

It should be noted that the above will be subject to confirmation of funding at a Full Council meeting. Also, that the timetable for confirmation of central government funding is not currently known.

Director of Highways, Transport and Planning

Award of Highway Improvement Contracts - phase 2 (Lots 4, 5 & 6)

West Sussex County Council is a designated Highways Authority under the Highways Act

1980 and has a duty to maintain highways maintainable at public expense.

In [January 2019](#), the Cabinet Member for Highways and Infrastructure approved the commencement of a procurement process for a new Highways Maintenance Term Contract or set of contracts and delegated authority to the Director of Highways and Transport to finalise the terms of and award the Highway Maintenance Term Contract, or set of contracts at the conclusion of the procurement process.

In November 2019, the Director of Highways, Transport and Planning [appointed contractors](#) to a four-year Framework Agreement to commence 1 April 2020 for capital works for highways.

Lots 4, 5 and 6 (carriageways, footways and infrastructure works) are procured annually and a formal procurement process will be undertaken in the autumn for the delivery of highway works in 2022-23.

At the conclusion of the procurement process, the Director of Highways, Transport and Planning will be asked to award the highway improvement contracts - phase 2.

Director of Highways, Transport and Planning

Award of Contract for Highways Core Professional Services

The supply of professional design services and client support is critical to ensuring the County Council can meet its statutory duty to maintain the highways and to ensure that, in constructing new roads, the authority takes such measures as appropriate to reduce the possibilities of accidents. The contracts awarded for these services in 2016 are due to end in 2022 and new contracts are required.

A competitive procurement process will be undertaken and, when concluded, the Director of Highways, Transport and Planning will be asked to award the contract for Highways Core Professional Services in accordance with the County Council's Standing Orders on Procurement and Contracts.

Delivery of the Ash Dieback Action Plan - Contract Award
<p>Ash Dieback is a disease that is likely to kill 95% of the county's ash trees over the next 10–20 years and will have a major impact on the county's landscape, the wildlife it supports, other ecosystems that trees provide and climate change.</p> <p>It will also have a high impact on the county and the County Council, posing a significant risk to people, property (including schools) and the delivery of services (including highways). Therefore, a corporate Ash Dieback Action Plan has been prepared to</p>

manage the impact of the disease.

The aim of the Plan is to effectively address the risks presented by the impact of ash dieback (which will require a programme of reactive and proactive tree removal and replanting), conserve the ecosystems in which ash trees are found across the county, and prepare for a positive regeneration phase with a net biodiversity gain.

In September 2021, the Cabinet Member for Highways and Transport approved the commencement of a procurement process for a tree felling contract for Ash Dieback infected trees and delegated authority to the Director of Highways, Transport and Planning to award the contract to the successful bidder.

Upon the conclusion of the procurement process, the Director of Highways, Transport and Planning will be asked to appoint a tree felling contractor.

Highways England A27 Arundel Bypass: Approval of Consultation Response

The A27 Arundel Bypass has been included in the Government's Roads Investment Strategy (2020-25). In 2020, National Highways (formerly Highways England) announced the preferred route for the A27 Arundel Bypass, which will replace the existing single carriageway road with a dual carriageway bypass. The proposed bypass will feature approximately 8km of dual carriageway to the south of the existing A27.

The proposal, the A27 Arundel Bypass, is a Nationally Significant Infrastructure Project requiring a Development Consent Order (DCO) from the Secretary of State (rather than planning permission from the local planning authority). The County Council is a statutory consultee in the DCO process.

Formal consultation on the proposal is taking place from 11 January to 8 March 2022.

The Cabinet will be recommended to approve the County Council's response to the formal consultation on 15 March 2022 (as agreed with National Highways).
