

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	A summary of the proposal.
Decision By	Who will take the decision - if the Cabinet, it will be taken at a Cabinet meeting in public.
Date added	The date the proposed decision was added to the Forward Plan.
Month	The decision will be taken on any working day in the month stated. If a Cabinet decision, it will be taken at the Cabinet meeting scheduled in that month.
Consultation/ Representations	How views and representations about the proposal will be considered or the proposal scrutinised, including dates of Scrutiny Committee meetings.
Background Documents	The documents containing more information about the proposal and how to obtain them (via links on the website version of the Forward Plan). Hard copies are available on request from the decision contact.
Author	The contact details of the decision report author
Contact	Who in Democratic Services you can contact about the entry

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

Commissioning and Contract Management for Avila House - Extra Care Housing Scheme

West Sussex County Council are working in Partnership with District & Borough Councils and Registered Housing providers to develop New Extra Care Housing Schemes across West Sussex.

Extra Care Housing provides specialist accommodation to adults who require adapted properties and have been assessed as having eligible needs for care and support. The Schemes provide individual adapted apartments, and an onsite care team. Extra Care Housing is enabling residents of West Sussex to remain independent within their communities and provide an alternative option to Residential Care.

Avila House is an existing building in Worthing that is being converted to provide an extra care scheme for adults who require care, support and suitable housing. Avila House will be the first scheme in the county to accept referrals for adults who meet the criteria age 18 years plus.

Construction at Avila House is due to commence in September 2022 and anticipated to be completed in approximately 1 year. This will enable the first customers to be moving in September 2023.

The Executive Director for Adults will be asked to approve a direct award to Leonard Cheshire to provide the care and support contract at Avila House.

Recommissioning of Hospital Discharge Care Services (Adults)

The Cabinet Member for Adults Services will be asked to approve a decision regarding the re-commissioning of a range of Hospital Discharge Care (HDC) services for people who are medically ready to be discharged from hospital. These include hospital discharge care services providing support within an individual's own home, and Discharge to Assess with Reablement services based in residential care homes.

The current configuration of home-based HDC has two cohorts of services. One of which will reach the end of its initial three-year period of contractual agreements with the County Council on 31 March 2023, albeit with potential within the contract to extend, and the other will come to the end of the contract arrangements on the same date.

The current configuration of Discharge to Assess with Reablement residential care services will reach the end of its final year of contractual agreements with the County Council on 31 March 2023.

The intention is to work with partners across the health and social care system to ensure there will be sufficient support to continue to facilitate hospital discharge from 01 April 2023 and recommendations will be presented for decision to support this outcome.

Housing Related Support Contract Extensions and Reprocurement Home Services

The Director of Adults and Health will be asked to consider the extension of five Housing Related Support contracts from 01 April 2023 – 31 March 2025. The initial term of these contracts ends on 31 March 2023 and the contracts allow for an extension for a further two years.

A sixth service – in Mid Sussex – will be subject to a competitive tender as the existing provider has indicated that they no longer wish to provide the service post 31 March 2023. The new contract will be for an initial term of two years with the option to extend

for a further two years.

All six services are co-funded 50/50 with the Council's partners in the District and Borough Councils and are called 'Pathways Home' in all areas. The contracted services provide Housing Related Support to vulnerable working age adults in a variety of accommodation settings.

Better Care Fund Section 75 Agreement 2022-2023

The Better Care Fund (BCF) is a programme spanning both the NHS and local government which seeks to join-up health and care services, so that people can manage their own health and well-being and live independently in their communities for as long as possible.

The programme is planned and delivered at Health and Wellbeing Board area level across England. For West Sussex, day to day oversight of BCF is within the remit of the Joint Commissioning Strategy Group on behalf of the Health and Wellbeing Board. BCF planning is undertaken on an annual basis, which follows the issuing of national BCF planning guidance from NHS England.

The national BCF programme requires local systems to enter into a joint commitment via an Agreement under Section 75 of the NHS Act. This enables budgets and decision-making authority to be delegated between West Sussex County Council and NHS Sussex Integrated Care Board, to the benefit of the BCF Programme.

Due to national circumstances, BCF planning guidance was again issued very late into the current year. This has resulted in a delay to BCF planning and the drafting of the Section 75 agreement in all areas across England. Following the issuing of annual planning guidance by NHS England in July, the Joint Commissioning Strategy Group has

submitted a BCF plan for 2022-23 to NHS England for Approval. The Health and Wellbeing Board will have the formal duty to approve the final plan when it meets on 3rd November 2022.

Now that the planning process is completed, a new Section 75 agreement must be entered into, to replace the previous agreement, which incorporates any updates and changes from last year's plan, with the core terms of the agreement remaining consistent. A draft agreement will be presented to the Joint Commissioning Strategy Group in November for ratification before final joint is given. The Director of Adults and Health will be asked to agree the 2022-23 Section 75 agreement on behalf of West Sussex County Council by 31st December 2022.

Short Break Services for Family and Friends Carers (Adults) Award of Contract(s)

A range of short break services for those providing care and support to an adult with frailty/living with dementia are in the process of being recommissioned. The current configuration of services that provide short break services are in the final year of contractual agreement with the County Council. The intention is that provision will re-focus on the different needs of these carers across the county, following a period of lockdowns/pandemic.

Short Break Services for Family and Friends Carers will be part of a range of options that carers will be able to choose from and refer themselves into so as to gain a break. The services will usually be aimed at the 'cared for person' and include:

- Regular activity based sessions away from the home environment e.g. outings or clubs that are based at a venue. Weekday, weekend or evening provision
- One to one support at home and trips out

There may also be other services that involve the carer and cared for enjoying outings/activities together as carers value being out of the house as valuable respite from daily routine.

Following the Cabinet Member for Adult Services decision on the commencement of a procurement process, that will follow the principles of good outcomes, quality of service, value for money and additional social capital when evaluating tenders, the Director of Adults and Health will be asked to award the contract(s).

Commissioning of specialist support staff to assist delivery of the Family Safeguarding Model for Children and Young People (Rolling Entry)

As part of the redesign of Children’s Services the Council is implementing a Family Safeguarding Model of practice which requires specialist staff to deliver services to support adults in families open to Children’s Social Care.

Whilst the County Council and Health provides some of these services, the Family Safeguarding Model is an integrated approach with co-located teams made up of all the services required to provide an effective intervention. Therefore, it will be necessary to work with partner service providers to contribute to delivering elements of the wrap-around support for families, particularly those facing issues with mental health, domestic abuse and substance misuse.

The partner service providers will be those already delivering mental health support (Sussex Partnership Foundation Trust and/or Sussex Community Foundation Trust), substance misuse support (Change, Grow, Live), and domestic abuse support (the Probation Service), in line with nationally recognised best practice.

In August 2022 the Director for Children, Young People and Learning approved the award of contracts to Change, Grow, Live and The Probation Service for the provision of specialist staff ([decision OKD24 \(22/23\)](#) refers).

The Director for Children, Young People and Learning will be asked to approve the direct award of contracts to Sussex Partnership Foundation Trust and/or Sussex Community

Foundation Trust to source the provision of mental health support staff to support delivery of the Family Safeguarding Model.

Cabinet Member for Learning and Skills

Proposed Expansion of Yapton CE Primary School - Allocation of Design Fees

The County Council has a statutory duty to ensure there are sufficient primary and secondary school places for all children who need a place. The Basic Need requirements are reviewed annually to identify the next tranches of projects and to ensure planned projects are still required following review of projection data of pupil numbers. The requirements across the county are set out in the annual update of the [Planning School Places document](#).

Pupil projections for the Barnham/Westergate planning area are indicating there are insufficient places for children starting school which is in part due to the significant house building across the area. The County Council are often unable to offer local places to movers into the area outside of the annual admissions round as all schools are full. It is therefore proposed that Yapton CE Primary School is expanded from 1.5 form entry (FE) (315 places) to 2FE (420 places) to meet the current demand for places. Additional land has been secured through a S106 Agreement to support the expansion of the school.

Following conclusion of a feasibility study to consider how best to expand the school to meet Department for Education (DfE) and West Sussex guidelines for school

accommodation, further design work is now required to develop an expansion project that will meet the overall programme for delivery of places by 2024.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of funds to enable the design work to commence.

Award of contract for construction of an All Weather Pitch at The Forest School, Horsham

In July 2020 the Cabinet Member for Education and Skills approved the siting of additional accommodation for QEII School on some of the existing playing field at The Forest School (Decision reference [ES02\(20/21\)](#)). In order to mitigate the impact of the loss of the playing field an All Weather Pitch will be constructed at The Forest School.

The All-Weather pitch will enable pupils to undertake outside sport activities all year round whilst also providing the school the ability to generate additional income through letting.

As part of a separate key decision process the Cabinet Member for Learning and Skills approved the allocation of capital funding from Section 106 contributions to undertake a project to provide an All Weather Pitch at The Forest School ([Decision LS05\(21/22\)](#) refers). The Cabinet Member also delegated authority to the then Director of Property and Assets to award the contract for the project.

The Assistant Director (Property and Assets) will be asked to approve the award of contract for the proposed project at The Forest School.

Allocation of S106 Funding to create provision for accommodating bulge classes at Sir Robert Woodard Academy, Lancing

Following a review of pupil projections for starting secondary school in Shoreham and Lancing in 2022, it is necessary to provide for two bulge classes of 30 pupils at Sir Robert Woodard Academy for September 2022 to ensure sufficient places are available for those starting secondary school.

The project will provide additional general teaching accommodation in modular accommodation and external dining facilities, enabling the school to accommodate a temporary increase in pupil numbers. This will be funded by monies from S106 funds which have been received specifically for creating additional secondary aged capacity within the planning area at Sir Robert Woodard Academy.

The Assistant Director (Property and Assets) will be asked to approve the budget required for delivering the expansion project at Sir Robert Woodard Academy in Lancing.

Award of contract for delivery of a Special Support Centre at Maidenbower Infants School, Crawley

There is a need to increase provision for children and young people with Special Educational Needs and Disabilities (SEND) through the creation of additional places in Specialist Support Centres that are attached to mainstream schools and academies. This will assist with the aim of enabling children to attend school locally.

In December 2019 Cabinet approved the proposal to develop Phase two of the project for opening additional Special Support Centres in accordance with capital governance processes ([decision CAB03\(19/20\)](#) refers). In October 2020 the Cabinet Member for Education and Skills approved the allocation of design fees to progress 6 of the Special Support Centres (SSCs) including Maidenbower Infants School in Crawley ([Decision reference ES09 \(20/21\)](#))

Since that approval further design work has been undertaken and costed in relation to delivery of the SSC at Maidenbower Infants School.

As part of a separate key decision process the Cabinet Member for Learning and Skills will be asked to approve the allocation of capital funding for delivery of the SSC and to delegate authority to launch a procurement for the necessary works.

Following completion of the procurement exercise the Assistant Director (Property and Assets) will be asked to approve the award of the construction contract to the preferred provider for the construction phase, of the project to provide a Special Support Centre at Maidenbower Infants School.

Allocation of Funding for Expansion of QEII Silver Jubilee School, Horsham

The [Special Educational Needs and Disability \(SEND\) Strategy 2019-2024](#) aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex

to meet increasing needs.

Following a review of current numbers on roll, projected needs and the existing accommodation at QEII School in Horsham the need for further additional accommodation has been identified, to enable the school to accommodate up to 65 additional young people in a phased approach from September 2022. The school caters for 2 to 19 year olds with Special Educational Needs.

It is proposed that the additional provision is provided on a satellite site in Horsham, to be leased by the County Council. Refurbishment work will be required to ensure the accommodation at the satellite site is appropriate for the pupils who will be located there. The additional physical space created through this work will enable QEII School to accommodate the most complex young people with SEND.

The feasibility work for the project to accommodate the pupils has been commissioned. Following detailed design and associated cost estimates the Cabinet Member for Learning and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

Allocation of Funding for Design Fees for Expansion of Brantridge School, Staplefield, Haywards Heath

[The Special Educational Needs and Disability \(SEND\) Strategy 2019-2024](#) sets out the aim to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs.

Brantridge School in Staplefield is an Academy that caters for 48 6 to 11 year olds with Special Educational Needs including Social, Emotional and Mental Health Needs. To assist in managing the growing demand for places an increase in pupil numbers and a change in age range to incorporate secondary aged pupils has recently been agreed, meaning that overall provision will rise from 48 to 128 places in total.

The need to create a secondary block has been identified to enable the school to accommodate these 80 additional secondary aged young people in a phased approach.

The viability work for the project to accommodate the pupils has now been completed. Following detailed feasibility and associated cost estimates the Cabinet Member for Learning and Skills will be asked to approve the allocation of the funds required to enable full design to proceed.

Allocation of Funding for Schools Access Initiative	
<p>The County Council encourages the inclusion, where appropriate, of all pupils with disabilities in mainstream schools. To assist in enabling this it is proposed that additional funds are approved for the Schools Access Initiative budget to fund adaptations and improvements to school buildings to ensure their accessibility to pupils where reasonably practicable. This will improve the educational and social outcomes for children and their families and reduce the requirement for more costly specialist Special Educational Needs and Disabilities (SEND) provision. Works funded by the budget could include installing hygiene facilities, ramps and making acoustic improvements.</p> <p>In February 2022 the County Council approved an allocation of £250,000 for the Schools Access Initiative for the 2022/23 financial year. The Cabinet Member for Learning and Skills will be asked to approve the allocation of additional funding from Basic Need Capital Provision to provide a School Access Initiative budget for 2023/24 to 2026/27.</p>

Phase 2 Special Support Centre Programme - Warden Park Secondary Academy - Allocation of Additional Funding for Project Delivery

There is a need to increase provision for children and young people with Special Educational Needs and Disabilities (SEND) through the creation of additional places in Specialist Support Centres that are attached to mainstream schools and academies. This will assist with the aim of enabling children to attend school locally.

In December 2019 Cabinet approved the proposal to develop Phase two of the project for opening additional Special Support Centres in accordance with capital governance processes ([decision reference CAB03\(19/20\)](#)). In October 2020 the Cabinet Member for Education and Skills approved the allocation of design fees to progress 6 of the Special Support Centres (SSC) including expanding the SSC at Warden Park Academy to create additional places ([Decision reference ES09 \(20/21\)](#)).

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including education infrastructure at Warden Park Secondary Academy (decision [ES10 \(20/21\)](#) refers).

Since that approval further design work has been undertaken and costed in relation to expanding the SSC at Warden Park Academy. This indicates that additional funding will be required over and above the S106 allocation to deliver the works required.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of additional capital funding from the Capital Programme to enable the project to create additional places at the Special Support Centre at Warden Park Academy to proceed.

Allocation of funding for creation of a Satellite Site for Fordwater School, Chichester
<p>The Special Educational Needs and Disability (SEND) Strategy 2019-2024 aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools</p>

Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs.

Fordwater School in Chichester caters for 144 pupils aged 2 to 19 with severe and complex learning difficulties. To assist in managing the growing demand for places additional accommodation to enable the school to expand is required. In August 2022 a decision was taken by the Cabinet Member for Finance and Property (decision [FP06 \(22/23\)](#) refers) to lease a building at Chichester High School to create a satellite site for Fordwater School which will offer provision for secondary aged pupils. This will enable Fordwater's capacity to increase from 144 to 184 places in total in a phased approach from September 2022.

Remodelling work will be required to ensure the accommodation at the satellite site is appropriate for the pupils who will be located there.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of the funds required to enable a contractor to be appointed to undertake the remodelling works required.

Allocation of S106 funding to enable expansion of St Wilfrid's Catholic School, Crawley

St Wilfrid's Catholic School in Crawley is currently a 5 form entry (5FE) 11-16 Secondary School. The school has grown in recent years to meet the demand for places, taking bulge classes of 30 pupils in each of the last three years. This has led to the requirement for additional accommodation to enable the school to become a 6FE 11-16 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

It is intended that the expansion is delivered as a school managed project. Therefore,

following detailed design and associated cost estimates provided by the school, the Assistant Director (Property and Assets) will be asked to approve the allocation of the S106 funds to the school to enable the project to proceed.

Allocation of S106 funding to enable expansion of The Holy Trinity CE Secondary School, Crawley

The Holy Trinity CE Secondary School in Crawley is currently a 7 form entry (7FE) 11-18 Secondary School. To meet the increased need for pupil places in Crawley and the wider area, it is necessary to accommodate a bulge class of 30 pupils at the school in September 2022. Projections indicate an ongoing demand for additional Secondary places and therefore it is proposed that the school be expanded from 7FE to 8FE (210 to 240 per year) to meet the demand. Additional accommodation is required to enable the school to become an 8FE 11-18 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

<p>Following a review of pupil projections for the North of the County, and in particular the Haywards Heath/Lindfield areas, it was necessary to provide for a bulge class of 30 pupils at Lindfield Primary Academy. The additional pupils started at the school in September 2021 with temporary arrangements in place to accommodate the extra children.</p> <p>It is proposed to expand the school by creating 1 additional classroom as an extension to the existing school buildings, along with other necessary associated works, to provide permanent provision for this bulge class.</p> <p>In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including the expansion of Lindfield Primary (decision ES10 (20/21) refers). As part of the decision the Cabinet Member also delegated authority to the then Director of Property and Assets to undertake a procurement exercise and to enter into contracts for delivery of the projects. At the time of this decision it was not considered that an individual project would require an allocation in excess of £500,000; following a feasibility study the works required at Lindfield Primary will exceed this value, meeting the criteria for an individual officer key decision.</p> <p>The Assistant Director (Property and Assets) will be asked to approve the award of contract for the expansion project.</p>

Review of primary age pupil provision across the Worthing and Durrington area

The County Council has a statutory duty to ensure there are sufficient primary and secondary school places for all children who need a place. The number of pupil places needed is reviewed annually and the requirements across the county are set out in the annual update of the [Planning School Places document](#).

Pupil projections for the Worthing & Durrington locality of schools suggest there is a significant surplus provision of places at primary schools in the borough. After engagement with headteachers and the school governing bodies across the Worthing and Durrington area a number of planned changes in admission numbers and school organisation are proposed, with effect from September 2024 entry, to reduce this surplus. These potential changes will be the subject of public consultation, in accordance with Department for Education guidance, to seek views and comments from interested parties and assist in further shaping the proposals.

The Cabinet Member for Learning & Skills will be asked to agree that public consultation can be commenced on options to reduce the surplus provision of primary places in the Worthing and Durrington area.

Endorsement Community Asset Transfer Lease: Phoenix Centre	
<p>The County Council's Asset Management Strategy supports the principle of the transfer of community assets in order to empower and strengthen local communities. The Council believes that transferring appropriate public assets to communities leads to more responsive services that better meet local people's priorities. The following vacant property has been identified as suitable for Community Asset Transfer:</p>	

- Phoenix Centre, Westloats Lane, North Bersted, Bognor Regis, West Sussex, PO21 5JD

This has been declared surplus to operational requirements following the redesign of the Council's Early Help Centres ([CAB02 21/222](#)).

Constituted community groups, charitable organisations, voluntary groups and Town and Parish Councils working in partnership with local community groups have been invited to apply for transfer of this property. The Council is looking to work with suitable organisations that are able to demonstrate, through a selection process, the ability to take on, manage and maintain these assets through a Full Repairing and Insuring Lease, with terms to be agreed, subject to contract. Providing a suitable proposal comes forward, a preferred lessee will be chosen.

The Cabinet Member for Finance and Property will be asked to approve the granting of a lease of the property of over 14 years in term at nil rent.

Bus Services Improvement Plan/Enhanced Partnership - Spending Plan

In April 2022 the Government confirmed that the Council could be awarded c. £17.4m to deliver some of the ambitions in its [Bus Services Improvement Plan](#).

The ambitions will be delivered through a new [Enhanced Partnership](#) that the Council has agreed to enter with local bus companies. The work will also require collaboration with other partners including Borough and District Councils.

The funding is available until 31 March 2025 by when the ambitions will have to be delivered.

This includes some capital highways improvements schemes that could prove technically challenging and presents some financial risk to the Council.

Subject to the receipt of funding from the Department of Transport, the Cabinet Member for Highways and Transport will be asked to approve the capital funding allocation and the schemes outlined in the [Summary Enhanced Partnership Plan Spending Plan](#) approved in June 2022.

Public Health and Wellbeing

Cabinet Member for Public Health and Wellbeing

Integrated Care System Partnership Strategy

All Integrated Care Systems across England are being asked by NHS England and the Department of Health and Social Care to develop and agree a high-level Integrated Care Strategy by March 2023. This is an opportunity for the NHS, Local Government, the Voluntary Sector and wider strategic partners to articulate through a simple public-facing strategy their shared objectives for health, care and wellbeing for Sussex.

The aim is to achieve better health and care for all across Sussex with everyone to live longer, healthier, and fulfilling lives and have access to the best possible services and support when they need them. An 'Integrated Care Strategy' is being developed that will set out the ambitions that are believed will bring the biggest benefit and positive change for residents through all partners working collectively together.

The Sussex Health and Care Assembly has been established to oversee the development of the strategy and its impact. The Assembly is a new statutory joint committee between the NHS and Local Authorities in Sussex and is made up of a wide range of leaders from the NHS, local authorities, universities, voluntary and community organisations, Healthwatch and other specialist members with expertise in further education, housing and local enterprise.

With the oversight of the Sussex Health and Care Assembly, the draft strategy is now being written up, following a period of co-production and suggestions for content. Much of this will be about what we have already committed to and agreed as our priorities, but now capitalising on the opportunities created by being part of an Integrated Care System. A draft of the strategy is expected to be circulated to the Health and Wellbeing Board virtually during November, for comments and support. The Health and Wellbeing Board chairman, and Cabinet Member for Public Health and Wellbeing, Councillor Bob Lanzer, will collate feedback and confirm to the Leader of the Council if the Health and Wellbeing Board supports the strategy. The Cabinet Member for Public Health and Wellbeing will be asked to provide his formal approval of this key decision before the final strategy is presented to the Sussex Health and Care Assembly in December for sign off.

Further information and updates on our developing strategy can be found on the Sussex Health and Care Partnership website:
