

# Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [Cabinet Member](#) portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

<b>Contact</b>	Who in Democratic Services you can contact about the entry.

## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

## Adults Services

### Director of Adults and Health

#### Housing Related Support Contract Extensions and Reprourement Home Services

The Director of Adults and Health will be asked to consider the extension of five Housing Related Support contracts from 01 April 2023 – 31 March 2025. The initial term of these contracts ends on 31 March 2023 and the contracts allow for an extension for a further two years.

A sixth service – in Mid Sussex – will be subject to a competitive tender as the existing provider has indicated that they no longer wish to provide the service post 31 March 2023. The new contract will be for an initial term of two years with the option to extend for a further two years.

All six services are co-funded 50/50 with the Council's partners in the District and Borough Councils and are called 'Pathways Home' in all areas. The contracted services provide Housing Related Support to vulnerable working age adults in a variety of accommodation settings.

### Cabinet Member for Adults Services

#### Recommissioning of Hospital Discharge Care Services (Adults)

The Cabinet Member for Adults Services will be asked to approve a decision regarding the re-commissioning of a range of Hospital Discharge Care (HDC) services for people who are medically ready to be discharged from hospital. These include hospital discharge care services providing support within an individual's own home, and Discharge to Assess with Reablement services based in residential care homes.

The current configuration of home-based HDC has two cohorts of services. One of which will reach the end of its initial three-year period of contractual agreements with the County Council on 31 March 2023, albeit with potential within the contract to extend, and the other will come to the end of the contract arrangements on the same date.

The current configuration of Discharge to Assess with Reablement residential care services will reach the end of its final year of contractual agreements with the County Council on 31 March 2023.

The intention is to work with partners across the health and social care system to ensure there will be sufficient support to continue to facilitate hospital discharge from 01 April 2023 and recommendations will be presented for decision to support this outcome.

**Director of Adults and Health**

**Short Break Services for Family and Friends Carers (Adults) Award of Contract(s)**

A range of short break services for those providing care and support to an adult with frailty/living with dementia are in the process of being recommissioned. The current configuration of services that provide short break services are in the final year of contractual agreement with the County Council. The intention is that provision will re-focus on the different needs of these carers across the county, following a period of lockdowns/pandemic.

Short Break Services for Family and Friends Carers will be part of a range of options that carers will be able to choose from and refer themselves into so as to gain a break. The services will usually be aimed at the 'cared for person' and include:

- Regular activity based sessions away from the home environment e.g. outings or clubs that are based at a venue. Weekday, weekend or evening provision
- One to one support at home and trips out

There may also be other services that involve the carer and cared for enjoying outings/activities together as carers value being out of the house as valuable respite from daily routine.

Following the Cabinet Member for Adult Services decision on the commencement of a procurement process, that will follow the principles of good outcomes, quality of service, value for money and additional social capital when evaluating tenders, the Director of Adults and Health will be asked to award the contract(s).

**Commissioning and Contract Management for Avila House - Extra Care Housing Scheme**

West Sussex County Council are working in Partnership with District & Borough Councils and Registered Housing providers to develop New Extra Care Housing Schemes across West Sussex.

Extra Care Housing provides specialist accommodation to adults who require adapted properties and have been assessed as having eligible needs for care and support. The Schemes provide individual adapted apartments, and an onsite care team. Extra Care Housing is enabling residents of West Sussex to remain independent within their communities and provide an alternative option to Residential Care.

Avila House is an existing building in Worthing that is being converted to provide an extra care scheme for adults who require care, support and suitable housing. Avila House will be the first scheme in the county to accept referrals for adults who meet the criteria age 18 years plus.

Construction at Avila House is due to commence in September 2022 and anticipated to be completed in approximately 1 year. This will enable the first customers to be moving in September 2023.

The Executive Director for Adults will be asked to approve a direct award to Leonard Cheshire to provide the care and support contract at Avila House.

**Director of Adults and Health**

**Better Care Fund Section 75 Agreement 2022-2023**

The Better Care Fund (BCF) is a programme spanning both the NHS and local government which seeks to join-up health and care services, so that people can manage their own health and well-being and live independently in their communities for as long as possible.

The programme is planned and delivered at Health and Wellbeing Board area level across England. For West Sussex, day to day oversight of BCF is within the remit of the Joint Commissioning Strategy Group on behalf of the Health and Wellbeing Board. BCF planning is undertaken on an annual basis, which follows the issuing of national BCF planning guidance from NHS England.

The national BCF programme requires local systems to enter into a joint commitment via an Agreement under Section 75 of the NHS Act. This enables budgets and decision-making authority to be delegated between West Sussex County Council and NHS Sussex Integrated Care Board, to the benefit of the BCF Programme.

Due to national circumstances, BCF planning guidance was again issued very late into the current year. This has resulted in a delay to BCF planning and the drafting of the Section 75 agreement in all areas across England. Following the issuing of annual planning guidance by NHS England in July, the Joint Commissioning Strategy Group has submitted a BCF plan for 2022-23 to NHS England for Approval. The Health and Wellbeing Board will have the formal duty to approve the final plan when it meets on 3<sup>rd</sup> November 2022.

Now that the planning process is completed, a new Section 75 agreement must be entered into, to replace the previous agreement, which incorporates any updates and changes from last year's plan, with the core terms of the agreement remaining consistent. A draft agreement will be presented to the Joint Commissioning Strategy Group in November for ratification before final joint is given. The Director of Adults and Health will be asked to agree the 2022-23 Section 75 agreement on behalf of West Sussex County Council by 31<sup>st</sup> December 2022.

## Children and Young People

**Director of Children, Young People and Learning**

---

**Commissioning of specialist support staff to assist delivery of the Family Safeguarding Model for Children and Young People (Rolling Entry)**

As part of the redesign of Children’s Services the Council is implementing a Family Safeguarding Model of practice which requires specialist staff to deliver services to support adults in families open to Children’s Social Care.

Whilst the County Council and Health provides some of these services, the Family Safeguarding Model is an integrated approach with co-located teams made up of all the services required to provide an effective intervention. Therefore, it will be necessary to work with partner service providers to contribute to delivering elements of the wrap-around support for families, particularly those facing issues with mental health, domestic abuse and substance misuse.

The partner service providers will be those already delivering mental health support (Sussex Partnership Foundation Trust and/or Sussex Community Foundation Trust), substance misuse support (Change, Grow, Live), and domestic abuse support (the Probation Service), in line with nationally recognised best practice.

In August 2022 the Director for Children, Young People and Learning approved the award of contracts to Change, Grow, Live and The Probation Service for the provision of specialist staff ([decision OKD24 \(22/23\)](#) refers).

The Director for Children, Young People and Learning will be asked to approve the direct award of contracts to Sussex Partnership Foundation Trust and/or Sussex Community Foundation Trust to source the provision of mental health support staff to support delivery of the Family Safeguarding Model.

**Award of contract for refurbishment of Contact Centre at Orchard House Children's Home**

Orchard House children's home in Cuckfield is part of the County Council's Residential Service. The buildings at the site provide a range of services including court-ordered supervised contact between children and families.

The Cabinet Member for Children and Young People approved the allocation of funding for remodelling the wider Orchard House site and the launch of two separate procurement processes to undertake the works, with the refurbishment of the contact centre being one of these tender opportunities (decision [CYP04\(21/22\)](#) refers)

The Cabinet Member also delegated authority for the award of the contracts to carry out the works. Therefore, on completion of the procurement process the Director of Children, Young People and Learning will be requested to approve the award of a contract to carry out the refurbishment of the contact centre to the successful provider.

## Learning and Skills

### Cabinet Member for Learning and Skills

#### Proposed Expansion of Yapton CE Primary School - Allocation of Design Fees

The County Council has a statutory duty to ensure there are sufficient primary and secondary school places for all children who need a place. The Basic Need requirements are reviewed annually to identify the next tranches of projects and to ensure planned projects are still required following review of projection data of pupil numbers. The requirements across the county are set out in the annual update of the [Planning School Places document](#).

Pupil projections for the Barnham/Westergate planning area are indicating there are insufficient places for children starting school which is in part due to the significant house building across the area. The County Council are often unable to offer local places to movers into the area outside of the annual admissions round as all schools are full. It is therefore proposed that Yapton CE Primary School is expanded from 1.5 form entry (FE) (315 places) to 2FE (420 places) to meet the current demand for places. Additional land has been secured through a S106 Agreement to support the expansion of the school.

Following conclusion of a feasibility study to consider how best to expand the school to meet Department for Education (DfE) and West Sussex guidelines for school accommodation, further design work is now required to develop an expansion project that will meet the overall programme for delivery of places by 2024.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of funds to enable the design work to commence.

### Assistant Director (Property and Assets)

**Allocation of S106 Funding to create provision for accommodating bulge classes at Sir Robert Woodard Academy, Lancing**

Following a review of pupil projections for starting secondary school in Shoreham and Lancing in 2022, it is necessary to provide for two bulge classes of 30 pupils at Sir Robert Woodard Academy for September 2022 to ensure sufficient places are available for those starting secondary school.

The project will provide additional general teaching accommodation in modular accommodation and external dining facilities, enabling the school to accommodate a temporary increase in pupil numbers. This will be funded by monies from S106 funds which have been received specifically for creating additional secondary aged capacity within the planning area at Sir Robert Woodard Academy.

The Assistant Director (Property and Assets) will be asked to approve the budget required for delivering the expansion project at Sir Robert Woodard Academy in Lancing.

**Allocation of Funding for Expansion of QEII Silver Jubilee School, Horsham**

The [Special Educational Needs and Disability \(SEND\) Strategy 2019-2024](#) aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs.

Following a review of current numbers on roll, projected needs and the existing accommodation at QEII School in Horsham the need for further additional accommodation has been identified, to enable the school to accommodate up to 65 additional young people in a phased approach from September 2022. The school caters for 2 to 19 year olds with Special Educational Needs.

It is proposed that the additional provision is provided on a satellite site in Horsham, to be leased by the County Council. Refurbishment work will be required to ensure the accommodation at the satellite site is appropriate for the pupils who will be located there. The additional physical space created through this work will enable QEII School to accommodate the most complex young people with SEND.

The feasibility work for the project to accommodate the pupils has been commissioned. Following detailed design and associated cost estimates the Cabinet Member for Learning and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

#### **Allocation of Funding for Schools Access Initiative**

The County Council encourages the inclusion, where appropriate, of all pupils with disabilities in mainstream schools. To assist in enabling this it is proposed that additional funds are approved for the Schools Access Initiative budget to fund adaptations and improvements to school buildings to ensure their accessibility to pupils where reasonably practicable. This will improve the educational and social outcomes for children and their families and reduce the requirement for more costly specialist Special Educational Needs and Disabilities (SEND) provision. Works funded by the budget could include installing hygiene facilities, ramps and making acoustic improvements.

In February 2022 the County Council approved an allocation of £250,000 for the Schools Access Initiative for the 2022/23 financial year. The Cabinet Member for Learning and Skills will be asked to approve the allocation of additional funding from Basic Need Capital Provision to provide a School Access Initiative budget for 2023/24 to 2026/27.

**Phase 2 Special Support Centre Programme - Warden Park Secondary Academy  
- Allocation of Additional Funding for Project Delivery**

There is a need to increase provision for children and young people with Special Educational Needs and Disabilities (SEND) through the creation of additional places in Specialist Support Centres that are attached to mainstream schools and academies. This will assist with the aim of enabling children to attend school locally.

In December 2019 Cabinet approved the proposal to develop Phase two of the project for opening additional Special Support Centres in accordance with capital governance processes ([decision reference CAB03\(19/20\)](#)). In October 2020 the Cabinet Member for Education and Skills approved the allocation of design fees to progress 6 of the Special Support Centres (SSC) including expanding the SSC at Warden Park Academy to create additional places ([Decision reference ES09 \(20/21\)](#)).

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including education infrastructure at Warden Park Secondary Academy (decision [ES10 \(20/21\)](#) refers).

Since that approval further design work has been undertaken and costed in relation to expanding the SSC at Warden Park Academy. This indicates that additional funding will be required over and above the S106 allocation to deliver the works required.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of additional capital funding from the Capital Programme to enable the project to create additional places at the Special Support Centre at Warden Park Academy to proceed.

**Allocation of funding for creation of a Satellite Site for Fordwater School, Chichester**

The [Special Educational Needs and Disability \(SEND\) Strategy 2019-2024](#) aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs.

Fordwater School in Chichester caters for 144 pupils aged 2 to 19 with severe and complex learning difficulties. To assist in managing the growing demand for places additional accommodation to enable the school to expand is required. In August 2022 a decision was taken by the Cabinet Member for Finance and Property (decision [FP06 \(22/23\)](#) refers) to lease a building at Chichester High School to create a satellite site for Fordwater School which will offer provision for secondary aged pupils. This will enable Fordwater's capacity to increase from 144 to 184 places in total in a phased approach from September 2022.

Remodelling work will be required to ensure the accommodation at the satellite site is appropriate for the pupils who will be located there.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of the funds required to enable a contractor to be appointed to undertake the remodelling works required.

**Allocation of S106 funding to enable expansion of St Wilfrid's Catholic School, Crawley**

St Wilfrid's Catholic School in Crawley is currently a 5 form entry (5FE) 11-16 Secondary School. The school has grown in recent years to meet the demand for places, taking bulge classes of 30 pupils in each of the last three years. This has led to the requirement for additional accommodation to enable the school to become a 6FE 11-16 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

It is intended that the expansion is delivered as a school managed project. Therefore, following detailed design and associated cost estimates provided by the school, the Assistant Director (Property and Assets) will be asked to approve the allocation of the S106 funds to the school to enable the project to proceed.

**Allocation of S106 funding to enable expansion of The Holy Trinity CE Secondary School, Crawley**

The Holy Trinity CE Secondary School in Crawley is currently a 7 form entry (7FE) 11-18 Secondary School. To meet the increased need for pupil places in Crawley and the wider area, it is necessary to accommodate a bulge class of 30 pupils at the school in September 2022. Projections indicate an ongoing demand for additional Secondary places and therefore it is proposed that the school be expanded from 7FE to 8FE (210 to 240 per year) to meet the demand. Additional accommodation is required to enable the school to become an 8FE 11-18 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

**Award of Contract for delivery of the new Secondary School in Burgess Hill**

The new 6 form entry Secondary School and Special Support Centre to be built in the Brookleigh (formerly known as Northern Arc) development will provide 900 pupil places to the Burgess Hill area.

In July 2022 the Cabinet Member for Learning & Skills approved a budget allocation of £53.845m for delivery of the new school and delegated authority to the Assistant Director (Property & Assets) to enter into a contract or contracts to enable the progression of the project within the overall agreed budget ([decision LS04\(22/23\)](#) refers).

Procurement of this scheme is taking place using the Southern Construction Framework. On conclusion of the procurement, approval will be sought to appoint the main contractor under a Pre-Construction Services Agreement.

The Assistant Director (Property and Assets), in consultation with the Cabinet Member for Learning and Skills, will be asked to approve the appointment of and to enter into a Pre-construction Services Agreement with the successful contractor to deliver the Burgess Hill Northern Arc Secondary School project.

Following a review of pupil projections for starting secondary school in Mid Sussex, and particularly in Hassocks, due to increasing pupil numbers it is necessary to provide for a bulge class of 30 pupils at Downlands School in September 2022 and September 2023, creating a total of 60 additional places. To accommodate this temporary increase in pupil numbers a project will be delivered to invest in teaching and non-teaching areas at the school.

In September 2022, the Assistant Director (Property and Assets) approved the allocation of £2.3m of received S106 contributions to fund the expansion and to procure the delivery of works as set out in Decision [ODK26 \(22/23\)](#).

<b>Education and Learning Strategy 2023 - 2025</b>
--

The [School Effectiveness Strategy](#), agreed in 2018, set out the vision for Education in West Sussex until 2022. Implementing this strategy has led to the highest proportion of schools achieving Ofsted Good or Outstanding and improvements in pupil outcomes, but there is still much more to do.

The strategy expires this year and it is proposed to implement a new Education and Learning Strategy that determines key priorities to support education and learning in West Sussex for the next three years. The aim is for the new strategy to be closely linked with the Council's Strategic Corporate Plan, the commitment to tackling climate change and other key plans in place to support children.

Engagement with key stakeholders has been undertaken to develop the new strategy. The combination of the feedback from this and detailed analysis of the County Council's performance data relating to education and learning has been fundamental to informing and shaping the final Strategy.

The Cabinet Member for Learning and Skills will be asked to approve the Education and Learning Strategy 2023 – 2025 and the implementation timeline for embedding the key themes and workstreams into practice.

<b>School Funding 2023/24</b>
-------------------------------

West Sussex County Council is required, under national funding regulations, to consult schools and the Schools Forum on proposed changes to funding arrangements affecting mainstream school budgets.

Since much of the West Sussex local funding formula is now at the National Funding Formula factor values, and given the strong steer from schools in the responses to the 2022/23 schools funding consultation, with Schools Forum's approval no consultation document was sent out to mainstream schools for 2023/24. Feedback from Schools Forum has been taken into account in the development of the local funding formula for mainstream schools in 2023/24.

Despite continuing pressures within the High Needs Dedicated Schools Grant (DSG) block a one-off transfer from the Schools DSG block to help reduce the DSG deficit is not being considered for 2023/24.

Following consideration of the feedback from Schools Forum the Cabinet Member for Learning and Skills will be asked to approve the 2023/24 local funding formula for all mainstream schools in the county.

**Procurement for delivery of years 2 and 3 of the Multiply adult numeracy programme**

West Sussex County Council (WSCC) has been awarded an allocation of £3,689,038 by the Department for Education (DfE) to deliver "Multiply". Funding is phased over 3-years, up to 31 March 2025.

**Multiply** is for those aged 19+ who do not have a level 2 maths qualification (GCSE 4-9 / A\*-C). It aims to help people improve their ability to understand and use maths in daily life, home, and work - whether that be improving household finances, helping children with homework, making more sense of the facts in the media, or improving numeracy skills specific to a line of work.

In year 1, following a competitive expression of interest commissioning process, grants were awarded to a range of organisations to deliver a raft of new and innovative interventions to engage adults and support them to improve their numeracy. (Key Decision [OKD35 \(22/23\)](#) refers, October 2022).

It is now proposed to proceed with commissioning provision for years 2 and 3 of the Multiply Programme.

The Cabinet Member for Learning and Skills will be asked to approve the launch of a procurement process to enable delivery of the Multiply Programme for the period April 2023 to March 2025. The Cabinet Member will also be asked to delegate authority to the Assistant Director (Education and Skills) to approve the award of contracts to successful providers.

**Award of contract for works to expand Lindfield Primary Academy, Haywards Heath**

Following a review of pupil projections for the North of the County, and in particular the Haywards Heath/Lindfield areas, it was necessary to provide for a bulge class of 30 pupils at Lindfield Primary Academy. The additional pupils started at the school in September 2021 with temporary arrangements in place to accommodate the extra children.

It is proposed to expand the school by creating 1 additional classroom as an extension to the existing school buildings, along with other necessary associated works, to provide permanent provision for this bulge class.

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including the expansion of Lindfield Primary ([decision ES10 \(20/21\)](#) refers). As part of the decision the Cabinet Member also delegated authority to the then Director of Property and Assets to undertake a procurement exercise and to enter into contracts for delivery of the projects. At the time of this decision it was not considered that an individual project would require an allocation in excess of £500,000; following a feasibility study the works required at Lindfield Primary will exceed this value, meeting the criteria for an individual officer key decision.

The Assistant Director (Property and Assets) will be asked to approve the award of contract for the expansion project.

**Review of primary age pupil provision across the Worthing & Durrington area -  
Publication of Statutory Notices**

The County Council has a statutory duty to ensure there are sufficient primary and secondary school places for all children who need a place. Pupil projections for the Worthing and Durrington locality of schools shows there is a significant surplus provision of places at primary schools in the borough. After engagement with headteachers and the school governing bodies across the Worthing and Durrington area a number of planned changes in admission numbers and school organisation are proposed, with effect from September 2024 entry, to reduce this surplus.

In November the Cabinet Member for Learning and Skills approved the launch of a public consultation, in accordance with Department for Education (DfE) guidance, on proposed solutions to reduce the number of primary school places across the Worthing and Durrington area (decision [LS08\(22/23\)](#) refers). The consultation is open until 20 January 2023 and views and comments are invited from interested parties to assist in further shaping the proposals.

Following the conclusion of the consultation the feedback received will be reviewed; should it be determined that any of the proposals should proceed, the appropriate method for formalising the changes, as set out in decision LS08(22/23), will be undertaken.

For the re-organisation proposals related to three schools this would mean progressing the publication of statutory notices, in accordance with [DfE guidance for making prescribed alterations to maintained schools](#). Therefore, following a review of the consultation feedback, the Cabinet Member for Learning and Skills will be asked to consider whether to proceed with approving the publication of statutory notices for the reorganisation of primary education across the school sites of Lyndhurst Infants, Springfield Infants and Chesswood Junior. Should this proceed the Cabinet Member will also be asked to consider delegating authority to the Assistant Director (Education and Skills) to determine the outcome following conclusion of the statutory notice period.

**Proposed change of age range at Woodgate Primary School, Pease Pottage**

Woodgate Primary School in Pease Pottage is a school that caters for children aged four to eleven-year-olds. There is also a pre-school nursery at the site offering provision for children aged two to four years old.

The Assistant Director (Education and Skills) has agreed to consult on a proposed change of age range to alter provision, so the school serves two to eleven-year-olds, from 1st May 2023. The proposed change means the school would incorporate the current pre-school provision within the age range of the maintained primary school, extending the age range by two years.

This age range change would assist in simplifying the transfer of the entire school to the Sussex Learning Trust which is taking over the sponsorship of the school as an academy from early May 2023.

In accordance with the Department for Education’s [statutory guidance for making prescribed alterations to maintained schools](#) a four-week informal consultation with all major stakeholders will be undertaken during January 2023, to obtain feedback regarding the proposals.

Following assessment of the outcome of the consultation, should it be determined that the proposals should proceed, the Cabinet Member for Learning and Skills will be asked to consider whether to approve the publication of statutory notices for a four-week period, seeking representations on the proposed change of age range. The Cabinet Member will also be asked to consider delegating authority to the Assistant Director (Education and Skills) to determine the outcome following conclusion of the statutory notice period.

<b>Endorsement Community Asset Transfer Lease: Phoenix Centre</b>
---

The County Council's [Asset Management Strategy](#) supports the principle of the transfer of community assets in order to empower and strengthen local communities. The Council believes that transferring appropriate public assets to communities leads to more responsive services that better meet local people's priorities. The following vacant property has been identified as suitable for Community Asset Transfer:

- Phoenix Centre, Westloats Lane, North Bersted, Bognor Regis, West Sussex, PO21 5JD

This has been declared surplus to operational requirements following the redesign of the Council's Early Help Centres ([CAB02 21/222](#)).

Constituted community groups, charitable organisations, voluntary groups and Town and Parish Councils working in partnership with local community groups have been invited to apply for transfer of this property. The Council is looking to work with suitable organisations that are able to demonstrate, through a selection process, the ability to take on, manage and maintain these assets through a Full Repairing and Insuring Lease, with terms to be agreed, subject to contract. Providing a suitable proposal comes forward, a preferred lessee will be chosen.

The Cabinet Member for Finance and Property will be asked to approve the granting of a lease of the property of over 14 years in term at nil rent.
