

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [cabinet member](#) portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	A summary of the proposal.
Decision By	Who will take the decision - if the Cabinet, it will be taken at a Cabinet meeting in public.
Date added	The date the proposed decision was added to the Forward Plan.
Month	The decision will be taken on any working day in the month stated. If a Cabinet decision, it will be taken at the Cabinet meeting scheduled in that month.
Consultation/ Representations	How views and representations about the proposal will be considered or the proposal scrutinised, including dates of scrutiny committee meetings.
Background Documents	The documents containing more information about the proposal and how to obtain them (via links on the website version of the Forward Plan). Hard copies are available on request from the decision contact.
Lead officer (report author)	The contact details of the decision report author.
Contact	Who in Democratic Services you can contact about the entry.

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

For questions contact Katherine De La Mora on 033 022 22535, email katherine.delamora@westsussex.gov.uk.

Adults Services

Commissioning and Contract Management for Avila House - Extra Care Housing Scheme

West Sussex County Council are working in Partnership with District & Borough Councils and Registered Housing providers to develop New Extra Care Housing Schemes across West Sussex.

Extra Care Housing provides specialist accommodation to adults who require adapted properties and have been assessed as having eligible needs for care and support. The Schemes provide individual adapted apartments, and an onsite care team. Extra Care Housing is enabling residents of West Sussex to remain independent within their communities and provide an alternative option to Residential Care.

Avila House is an existing building in Worthing that is being converted to provide an extra care scheme for adults who require care, support and suitable housing. Avila House will be the first scheme in the county to accept referrals for adults who meet the criteria age 18 years plus.

Construction at Avila House is due to commence in September 2022 and anticipated to be completed in approximately 1 year. This will enable the first customers to be moving in November 2023.

The Executive Director for Adults will be asked to approve a direct award to Leonard Cheshire to provide the care and support contract at Avila House.

Procurement Commissioning of Care and Support at Home

Care and support at home services (also known as domiciliary care or home care) are purchased by the county council on behalf of people who have been assessed as having eligible social care needs. These services support people to maintain their independence through the delivery of personal care and support, provided within a person's own home.

The county council currently commissions the majority of these services from a framework agreement which commenced in 2015. This will come to an end at the latest by March 2024. This framework was developed jointly with NHS Continuing Healthcare who also use the contract. In addition, the county council purchases services from the wider market through a legacy contractual agreement and a more recent contingency contract.

The commissioning of these services is currently being reviewed with proposals being developed for new arrangements and contractual agreements. These will enable the achievement of our strategic aim to support people to live independent and fulfilled lives and also to reduce the need for long term residential services as part of the ambitions set out in the [Adult social care strategy 2022-25](#). New arrangements will seek to ensure there is capacity across West Sussex to meet the needs of those with care and support needs and supports a sustainable care and support at home provider market in West Sussex. The expected value of the annual spend on domiciliary care for the life of these new arrangements is approximately £35 million, potentially rising to £40 million over the life of the contract depending on inflationary and demographic pressures.

Following the review, the Cabinet Member for Adults Services will be asked to approve the commencement of a procurement process to source the future care and support at home services and delegate authority for contract award to the Director of Adults and Health.

Provision of Domestic Abuse Housing Support Services in West Sussex

The Director of Adults and Health has approved the procurement of Domestic Abuse Housing Support Services in West Sussex. The new contract is to be in place by 1st August 2023. The initial term of the new contract will be for two years with the option to extend for up to a further two years. The contract value has been set at £450k per year from funding supplied by the Domestic Abuse Act additional burdens for safe accommodation support, provided through the government's Department for Levelling Up, Housing and Communities.

The contracted services will provide support and accommodation to those fleeing Domestic Abuse in West Sussex. The accommodation will be provided in dispersed units rather than in traditional refuge style and will be accessible to a much wider range of customers, such as those with older male children, women with additional needs such as mental or physical health issues, larger families and men experiencing domestic abuse.

Hospital Discharge Care Services (Adults)

The Director of Adults and Health will be asked for a decision on the commissioning of Hospital Discharge social care initiatives to support people who are medically ready to be discharged from hospital and require the support of ongoing health and social care services.

The NHS Sussex Integrated Care System (ICS) is a partnership that brings together NHS organisations and local authorities, including West Sussex County Council, to plan services across geographical areas. The County Council, working together with the Integrated Care Board and as part of the ICS has developed a plan for the commissioning of hospital discharge care which would utilise ICB and County Council discharge funding to commission the services required to support people's discharge from hospital.

A decision will be required to confirm the proposed process for commissioning the provision, considering the existing contractual arrangements for hospital discharge services and demand for additionality to support the system at pressured periods.

The intention is to ensure there will be sufficient services in place over the next eighteen months to continue facilitating individuals' discharge from hospitals in a time-efficient way and to support people to return home where possible in line with our strategic objectives and intentions. The plan will also support the partnership working between the County Council and its health partners across the NHS.

Community Reablement Service Contract Extension

West Sussex County Council has a contract with Essex Cares Limited (ECL) for the provision of Community Reablement Services. Reablement is the term to describe services to support residents following a change in ability, most likely due to a medical condition or episode. A Community Reablement Service is essential to prevent people requiring longer term support, enabling people to retain/regain independence and remain at home.

The existing service expires on 30th November 2023. It is intended that a single tender waiver be agreed for ECL to continue to provide the Community Reablement Service for a further 16 months (until 31st March 2025). This is to allow the additional time required for the optimum decision to be made on the commissioning strategy for this category of services. This is related to the complexity of the work that is currently being undertaken through the Integrated Intermediate Care Programme, which has the potential to optimise budgets and maximise use of collective health and social care resources to reduce duplication and unnecessary delays to care and support related to this category of services.

Community Based Social Support Contract Extension

Promoting the independence of adults with support needs through preventative and early intervention is a key driver of the adult social care strategy to support more people to stay in their own homes, find employment and explore community solutions to support people to maintain their homes.

key decision [AH02 19/20](#) approved the procurement of Community Based Social Support Services and delegated authority to the Director of Adults and Health to agree to future extensions of the contract up to a maximum contract period. The contract began on 1st April 2020, to run for an initial three years until 31st March 2023, with the option to extend for a further 4 years, to a maximum of 7 years until 31st March 2027.

The contract awarded was divided into 2 Lots (Independent Living and Supported Employment) with each Lot awarded independently of each other. Both Lots were awarded to The Aldingbourne Trust.

The Director of Adults and Health will be asked to approve to extend both Lot 1 and Lot 2 contracts for a further six months of the up to 4-year extension provision allowed for in the contract to 30th June 2024.

Carer Information, Advice Assessment and Support Service Procurement

The Cabinet Member for Adults Services will be asked to agree that a tender process be commenced to commission a new service for the Carer Information, Advice, Assessment and Support Service, to begin on 1st April 2024. The current contract with the County Council is in the final year. The intention is that provision will re-focus on the growing carer population and the different needs of these carers across the county. The procurement will follow the principles of good outcomes, quality of service, value for money and additional social capital when evaluating tenders.

**Phase 2 Special Support Centre Programme - Warden Park Secondary Academy
- Allocation of Additional Funding for Project Delivery**

There is a need to increase provision for children and young people with Special Educational Needs and Disabilities (SEND) through the creation of additional places in Specialist Support Centres that are attached to mainstream schools and academies. This will assist with the aim of enabling children to attend school locally.

In December 2019 Cabinet approved the proposal to develop Phase two of the project for opening additional Special Support Centres in accordance with capital governance processes ([decision reference CAB03\(19/20\)](#)). In October 2020 the Cabinet Member for Education and Skills approved the allocation of design fees to progress 6 of the Special Support Centres (SSC) including expanding the SSC at Warden Park Academy to create additional places ([Decision reference ES09 \(20/21\)](#)).

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including education infrastructure at Warden Park Secondary Academy (decision [ES10 \(20/21\)](#) refers).

Since that approval further design work has been undertaken and costed in relation to expanding the SSC at Warden Park Academy. This indicates that additional funding will be required over and above the S106 allocation to deliver the works required.

The Cabinet Member for Learning and Skills will be asked to approve the allocation of additional capital funding from the Capital Programme to enable the project to create additional places at the Special Support Centre at Warden Park Academy to proceed.

Allocation of S106 funding to enable expansion of St Wilfrid's Catholic School, Crawley

St Wilfrid's Catholic School in Crawley is currently a 5 form entry (5FE) 11-16 Secondary School. The school has grown in recent years to meet the demand for places, taking bulge classes of 30 pupils in each of the last three years. This has led to the requirement for additional accommodation to enable the school to become a 6FE 11-16 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

It is intended that the expansion is delivered as a school managed project. Therefore, following detailed design and associated cost estimates provided by the school, the Assistant Director (Property and Assets) will be asked to approve the allocation of the S106 funds to the school to enable the project to proceed.

Allocation of S106 funding to enable expansion of The Holy Trinity CE Secondary School, Crawley

The Holy Trinity CE Secondary School in Crawley is currently a 7 form entry (7FE) 11-18 Secondary School. To meet the increased need for pupil places in Crawley and the wider area, it is necessary to accommodate a bulge class of 30 pupils at the school in September 2022. Projections indicate an ongoing demand for additional Secondary places and therefore it is proposed that the school be expanded from 7FE to 8FE (210 to 240 per year) to meet the demand. Additional accommodation is required to enable the school to become an 8FE 11-18 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

It is intended that the expansion is delivered as a school managed project. Therefore, following detailed design and associated cost estimates provided by the school, the Assistant Director (Property and Assets) will be asked to approve the allocation of the S106 funds to the school to enable the project to proceed.

Award of contract for construction of an All Weather Pitch at The Forest School, Horsham

In July 2020 the Cabinet Member for Education and Skills approved the siting of additional accommodation for QEII School on some of the existing playing field at The Forest School (Decision reference [ES02\(20/21\)](#)). In order to mitigate the impact of the loss of the playing field an All Weather Pitch will be constructed at The Forest School.

The All-Weather pitch will enable pupils to undertake outside sport activities all year round whilst also providing the school the ability to generate additional income through letting.

As part of a separate key decision process the Cabinet Member for Learning and Skills approved the allocation of capital funding from Section 106 contributions to undertake a project to provide an All Weather Pitch at The Forest School ([Decision LS05\(21/22\)](#) refers). The Cabinet Member also delegated authority to the then Director of Property and Assets to award the contract for the project.

The Assistant Director (Property and Assets) will be asked to approve the award of contract for the proposed project at The Forest School.

Award of contract for works to expand Lindfield Primary Academy, Haywards Heath

Following a review of pupil projections for the North of the County, and in particular the Haywards Heath/Lindfield areas, it was necessary to provide for a bulge class of 30 pupils at Lindfield Primary Academy. The additional pupils started at the school in September 2021 with temporary arrangements in place to accommodate the extra children.

It is proposed to expand the school by creating 1 additional classroom as an extension to the existing school buildings, along with other necessary associated works, to provide permanent provision for this bulge class.

In November 2020 the Cabinet Member for Education and Skills approved the allocation of Section 106 funding for education infrastructure capital projects, including the expansion of Lindfield Primary ([decision ES10 \(20/21\)](#) refers). As part of the decision the Cabinet Member also delegated authority to the then Director of Property and Assets to undertake a procurement exercise and to enter into contracts for delivery of the projects. At the time of this decision it was not considered that an individual project would require an allocation in excess of £500,000; following a feasibility study the works required at Lindfield Primary will exceed this value, meeting the criteria for an individual officer key decision.

The Assistant Director (Property and Assets) will be asked to approve the award of contract for the expansion project.

Award of Enabling Works Contract for delivery of the new Bedelands Secondary School in Burgess Hill

The new 6 form entry Secondary School and Special Support Centre to be built in the Brookleigh development will provide 900 pupil places to the Burgess Hill area.

In July 2022 the Cabinet Member for Learning & Skills approved a budget allocation of £53.845m for delivery of the new school and delegated authority to the Assistant Director (Property & Assets), in consultation with the Cabinet Member, to enter into a contract or contracts to enable the progression of the project within the overall agreed budget ([decision LS04\(22/23\)](#) refers).

Procurement of this scheme used the Southern Construction Framework, with the successful contractor, Willmott Dixon Limited, being awarded the Pre-Construction Services Agreement (PCSA) ([decision OKD45\(22/23\)](#) refers) to develop the design and tender the enabling works and main works packages. In addition to the PCSA, two further awards of Construction Works contract are required as part of this project. The first will be for an enabling works package and the second for the main construction works. Approval is now sought for entering into a contract for the enabling works.

The Assistant Director (Property and Assets), in consultation with the Cabinet Member for Learning and Skills, will be asked to enter into an Enabling Works Contract with Willmott Dixon Limited to deliver the enabling works for the Bedelands Secondary School project.

Award of grant funding for Provision of Adult Skills Programmes

Adult learning is a non-statutory provision, externally funded via the Department for Education through the Education Skills Funding Agency (ESFA). The County Council receive a total £3.1m Adult Education Budget each year from the ESFA which funds the provision of learning for adults to obtain skills or qualifications and/or enhance their wellbeing.

In March 2023 the Cabinet Member for Learning and Skills approved the commencement of an open procurement process to secure contracts with multiple providers to deliver adult skills programmes. The Cabinet Member also delegated authority to the Assistant Director (Education and Skills) to award contracts to successful providers (decision [LS10\(22/23\)](#) refers).

This summer, providers will be invited to bid for funding from the Adult Skills element of the budget for contracts across 13 targeted lots totalling a value of up to £1.3m

On conclusion of the procurement the Assistant Director (Education and Skills) will be asked to award the contracts to the successful providers for an initial 3-year period 2023 – 2026.

Additional budget allocation for delivery of a Special Support Centre at Edward Bryant School, Bognor Regis

In June 2022 the Cabinet Member for Learning and Skills approved the funding to enable establishment of a new 12 place Special Support Centre (SSC) at Edward Bryant Primary School in Bognor Regis for pupils with Social Communication Needs ([decision LS03\(22/23\)](#) refers).

Since that time inflationary pressures have led to additional costs and the Multi-Disciplinary Consultant has reported that additional funds are needed for this project to be completed.

The Cabinet Member for Learning and Skills will be asked to approve the additional budget allocation to enable the delivery of the new SSC at Edward Bryant school.

Award of contract for the replacement of modular teaching accommodation at Slinfold CE Primary School

Slinfold CE Primary School is a 140 place Primary School for 4–11-year-olds incorporating five classrooms and a pre-school on site. Two of the five classrooms are in 30-year-old modular classrooms, which have significant suitability and condition issues due to the age of the buildings, and are nearing the end of their life.

In December 2021, the Cabinet Member for Learning and Skills approved the allocation of £1.158m funding to replace the modular classrooms with a two class extension and delegated authority to the then Director of Property and Assets to award the contract ([Decision LS12 \(21/22\)](#) refers).

A procurement has been undertaken and the Assistant Director (Property and Assets) will be asked to approve the award of the construction contract to the preferred provider for the construction phase of the project to replace the classrooms at Slinfold CE Primary School.

Allocation of Capital Funding to create increased provision for girls' changing at St Andrew's CE High School, Worthing

In October 2020, following a public consultation, the proposal to alter St Andrew's CE High School for Boys, Worthing to a co-educational school from September 2021 entry was confirmed ([Decision ES08\(20/21\)](#) refers).

Following the change in 2021, the number of girls attending St Andrew's CE High School is increasing and therefore a further increase to changing provision is required to ensure adequate provision for girls. As St Andrew's CE High School is a Voluntary Aided School and the County Council do not own the freehold of the building, it has been agreed that the project can be delivered as a school managed project. The Governing Body has appointed consultants who are currently undertaking the design work for the proposed scheme.

Following detailed design and associated cost estimates the Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the budget required and the passporting of funds to St Andrew's CE High School to deliver the extension to girls' changing facilities.

**Creation of Sixth Form provision at St Oscar Romero Catholic School, Worthing
- Determination of Statutory Proposals**

St Oscar Romero Catholic School currently offers provision for 11–16-year-olds. The Governors of the school propose to extend the age range to 11-18 through [creation of a sixth form](#), commencing in September 2024.

In accordance with [Department for Education \(DfE\) guidance](#) for the addition of a sixth form the governors published formal statutory proposals for a four week period seeking representations from stakeholders on the proposals.

Following assessment of any representations received the Director of Children, Young People and Learning will be asked to determine whether the creation of a sixth form at St Oscar Romero school should proceed.

Award of Contract for delivery of a Special Support Centre at Edward Bryant School, Bognor Regis

In June 2022 the Cabinet Member for Learning and Skills approved the funding to enable establishment of a new 12 place Special Support Centre (SSC) at Edward Bryant Primary School in Bognor Regis for pupils with Social Communication Needs. The Cabinet Member also delegated authority to the Assistant Director (Property and Assets) to enter into a construction contract with the successful tenderer upon completion of a procurement process for delivery of the SSC (decision [LS03\(22/23\)](#) refers).

As part of a separate decision process approval is currently being sought to allocate additional funding to the project to take account of inflationary cost pressures since the original allocation was approved.

The project at Edward Bryant Primary School to deliver a new SSC will involve design and construction of a a new building, internal remodelling within the existing school building and external works.

A procurement for the works is currently being undertaken. On conclusion, and following confirmation of additional funding being allocated to the project, the Assistant Director (Property and Assets) will be asked to approve the award of the construction contract to the preferred provider to deliver the new SSC at Edward Bryant School.

Award of contract for modifications to Arun House to provide a Satellite site for Queen Elizabeth II Silver Jubilee School, Horsham

In March 2023 the Cabinet Member for Learning and Skills approved the budget required to enable the phased establishment of a satellite site to Queen Elizabeth II Silver Jubilee school (QE2) to provide additional pupil places (decision [LS11 \(22/23\)](#) refers). The County Council’s Multi-Disciplinary Consultant (MDC) has been appointed to undertake the full design of the satellite site. The new accommodation will provide up to an additional 60 places increasing the current school’s capacity for 15-19yr olds, from the current 120 to 180 planned places.

The Cabinet Member also approved the delegation of authority to the Assistant Director (Property and Assets) to commence a procurement process and enter into a construction contract or contracts with the successful tenderer or tenderers to carry out the work.

A procurement process is being undertaken and, following completion, the Assistant Director (Property and Assets) will be asked to approve the award of contract for the phased establishment of the satellite site to QE2 school.

Community Support, Fire and Rescue

West Sussex Fire and Rescue Service - Award of contract for 2 x bulk water carriers

West Sussex Fire and Rescue has commenced the procurement of 2 bulk water carriers using lot 5 of the Framework Agreement for UK Fire and Rescue Emergency Response Vehicles.

The specification for the vehicles is based on an 18-tonne chassis (day cab), with 9000ltrs of water carrying capacity. The vehicles will replace the 2 currently in service which have reached the end of their operational life. The estimated value of the contract is £600,000 for both vehicles.

Upon completion of the procurement process the Chief Fire Officer will be requested to approve the award of a contract to the most economically advantageous bidder.

Children and Young People Domestic Abuse Outreach Service

West Sussex County Council has been allocated £1,498,174 from Department for Levelling Up, Housing and Communities (DLUHC) to respond to the duties that have been placed on the council under the Domestic Abuse Act 2021. The Cabinet Member for Adults Services delegated authority to the Assistant Director (Communities) to approve appropriate funding allocations ([Key decision AS03 21/22 refers](#)).

This service is for children and young people residing in West Sussex, aged 5-18 (or up to 25 where the young person has care leaver status or additional needs) who are victims of Domestic Abuse (DA) as defined by the Domestic Abuse Act 2021. Children and young people are deemed to be victims under the 2021 Act as a result of seeing, hearing or otherwise experiencing DA between two people where the child is related to at least one of them whether that be the victim or perpetrator

The Assistant Director (Communities) has approved the procurement of the Children and Young People Domestic Abuse Outreach Service and will be asked to award the contract to the successful bidder that meets the principles of good outcomes, quality of service and value for money.

The new contract is to be in place by the end of 2023. The initial term of the new contract will be for 3 years with the option to extend for up to a further 2 years. The contract will be paid for from funding supplied by the Domestic Abuse Act additional burdens for safe accommodation support, provided through the government's Department for Levelling Up, Housing and Communities.

West Sussex Fire and Rescue Service - Award of contract for breathing apparatus and ancillary equipment

West Sussex Fire and Rescue Service are leading an aggregated procurement to standardise Breathing Apparatus and ancillary equipment (BA) on behalf of the 4F Group consisting of West Sussex Fire and Rescue Service, East Sussex Fire Authority, Surrey Fire and Rescue Service and Kent and Medway Fire and Rescue Authority.

Aside from the collaborative process and initial financial efficiencies from procurement, the project outcomes will strongly influence a variety of longer-term benefits which will include:

1. standardisation of Breathing Apparatus (BA) equipment across 4F.
2. enabling the wider programme of operational alignment (for example BA).
3. seamless cross-border mobilisation of FRS assets and firefighters who can work together using the same operational guidance, training, and equipment.

The procurement will utilise a National Fire Chiefs Council (NFCC) endorsed Framework Agreement with each organisation entering into its own call-off agreement for the provision of equipment and support services. The estimated total contract value for West Sussex is £1.7m based on a 10-year contract.

Following the completion of the procurement process, the Chief Fire Officer seeks to award the Contract for the purchase of this equipment to the bidder submitting the most economical and technologically suitable tender and following extensive practical evaluation processes by 4F leads.

Streetlighting LED Conversion Project

The Streetlighting Light Emitting Diode (LED) Conversion Project aims to convert all of the County Council owned Street Lighting Asset Luminaires to LEDs and introduce a Central Monitoring System to allow the remote operation of lighting.

In July 2019, the Cabinet Member for Highways and Infrastructure [approved the capital allocation and delegated authority](#) to approve the changes to the Street Lighting Private Finance Initiative (PFI) contract.

Delays have arisen as a result of lengthy negotiations about the Deed of Variation which is required to amend the PFI contract to allow the installation of LEDs. Cost increases have occurred due to inflationary pressures since the above decision was made. In February 2023, following discussions with suppliers, the County Council re-evaluated the costs required to deliver this project and identified a shortfall.

The Cabinet Member for Highways and Transport will be asked to approve an additional budget allocation in order to allow the project to proceed.

Funding for the installation of Electric Vehicle Chargepoints

In December 2019, the County Council published its [Electric Vehicle \(EV\) Strategy](#) outlining its ambitions for supporting electric vehicle adoption across the county. Subsequently, the County Council, Arun District Council, Adur and Worthing Councils, Crawley Borough Council, Horsham District Council and Mid Sussex District Council [appointed](#) a chargepoint operator (Connected Kerb) to install and operate EV chargepoints on a 100% concession basis.

In December 2022, the Cabinet Member for Highways and Transport [approved](#) the addition of £1.804m capital On-Street Residential Chargepoint Scheme grant funding to the capital programme for the purpose of installing EV chargepoints in West Sussex.

Further funding has now been secured, over £5million, from the On-Street Residential Chargepoint Scheme of the Office of Zero Emission Vehicles (OZEV) and Local Electric Vehicle Infrastructure (LEVI) to deliver up to 1000 chargepoints across West Sussex and an additional 200 passive chargepoints that can be activated when demand increases. The grant contributes up to 60% of the installation costs, with the remaining 40% of installation costs being funded by Connected Kerb. The chargepoints will be installed on-street (subject to the Traffic Regulation Order process) and within district/borough council car parks.

The Cabinet Member for Highways and Transport will be asked to approve the allocation of funding to the capital programme for the purpose of installing Electric Vehicle chargepoints in West Sussex.

A259 Bognor Regis to Littlehampton Corridor enhancement scheme - preferred scheme

The A259 Bognor Regis to Littlehampton Corridor enhancement scheme involves improvement to several locations along the corridor, including junction capacity, active travel and bus priority provisions. It was identified as a priority scheme in the [Strategic Transport Investment Programme](#) by the County Council in 2019/20 and considered as one of the top ten priority schemes in the South East by Transport for the South East.

The proposed scheme involves improvement to a series of key junctions along the corridor, including junction capacity, non-motorised and bus users' infrastructure provisions and was subject to a public consultation in summer 2021.

The Department for Transport (DfT) approved the Strategic Outline Case in autumn 2021 and, in March 2022, the Cabinet Member for Highways and Transport [authorised](#) the Assistant Director (Highways, Transport and Planning) to prepare and submit the Outline Business Case (OBC) to the DfT.

Following the 2023 public consultation, the Cabinet Member for Highways and Transport will be asked to confirm the preferred scheme and to approve the capital funding allocation for the development of the Full Business Case for submission to the DfT.

Decision by	Cabinet Member for Highways and Transport (Cllr Joy Dennis)
Date added	9 June 2023
Month	August 2023
Consultation/ Representations	Public consultation completed in April 2023 Representations concerning this proposed decision can be made to the decision maker, via the report author, by the beginning of the month in which the decision is due to be taken.

Highway Maintenance Delivery Contract Framework Procurement Lots 4 - 6

In November 2019, the county council [approved](#) the award of four-year framework agreements for the delivery of highways capital maintenance services.

The frameworks terminate at the end of March 2024. Following review of the performance of the current frameworks it is considered appropriate to undertake a procurement process for new frameworks for Lots 4, 5 and 6 with a start date of April 2024.

The Cabinet Member for Highways and Transport will be asked to:

1. approve the procurement process for Lots 4, 5 and 6 framework agreements for the delivery of capital highways work
2. delegate authority to the Assistant Director (Highways, Transport and Planning) to finalise the terms of and award the highway framework agreements Lots 4, 5, 6 at the conclusion of the procurement process in accordance with the County Council's Standing Orders on Procurement and Contracts.

Decision by	Cabinet Member for Highways and Transport (Cllr Joy Dennis)
