

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [cabinet member](#) portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	A summary of the proposal.
Decision By	Who will take the decision - if the Cabinet, it will be taken at a Cabinet meeting in public.
Date added	The date the proposed decision was added to the Forward Plan.
Month	The decision will be taken on any working day in the month stated. If a Cabinet decision, it will be taken at the Cabinet meeting scheduled in that month.
Consultation/ Representations	How views and representations about the proposal will be considered or the proposal scrutinised, including dates of scrutiny committee meetings.
Background Documents	The documents containing more information about the proposal and how to obtain them (via links on the website version of the Forward Plan). Hard copies are available on request from the decision contact.
Lead officer (report author)	The contact details of the decision report author.
Contact	Who in Democratic Services you can contact about the entry.

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

Adults Services

Adult Social Care Reablement in a Residential Setting

Reablement bed-based services are currently provided within four residential care services across the county. The services provide care, support and reablement for people being discharged from hospital who are not initially able to return home. Through the provision of occupational therapy support and support from the residential service to work towards reablement goals and relearn skills customers can have an opportunity to work towards moving home where possible after their stay in the service.

In March 2023 three of the current contracts were directly awarded [OKD59 22/23](#) for a one-year period which will cease on 31 March 2024. The Council is reviewing these services to consider the future for the service provision, considering customer outcomes, and financial and non-financial benefits. Upon completion of the review the Cabinet Member for Adults Services will be asked for a decision regarding future commissioning.

Provision of Domestic Abuse Housing Support Services in West Sussex

The Director of Adults and Health has approved the procurement of Domestic Abuse Housing Support Services in West Sussex. The new contract is to be in place by 1st August 2023. The initial term of the new contract will be for two years with the option to extend for up to a further two years. The contract value has been set at £450k per year from funding supplied by the Domestic Abuse Act additional burdens for safe accommodation support, provided through the government's Department for Levelling Up, Housing and Communities.

The contracted services will provide support and accommodation to those fleeing Domestic Abuse in West Sussex. The accommodation will be provided in dispersed units rather than in traditional refuge style and will be accessible to a much wider range of customers, such as those with older male children, women with additional needs such as mental or physical health issues, larger families and men experiencing domestic abuse.

Contract Arrangements Nursing Dementia Residential Care Beds	
<p>In April 2022 A decision (OKD03 22/23) was taken to award a block contract for 11 dementia nursing beds at Aster Grove in Littlehampton, to meet increasing demand for suitable dementia nursing care and accommodation at a sustainable rate.</p> <p>The contract is currently being reviewed with proposals being developed for new contractual agreements which will enable the achievement of the Council's strategic aim to support people to live safe and fulfilled lives, as part of the ambitions set out in the Adult Social Care Strategy 2022 - 2025. Analysis and planning will consider the need for residential services providing nursing dementia care within the southern part of West Sussex and potentially to other geographical areas.</p> <p>Following the completion of the review, the Director of Adults and Health will be asked to approve the new contractual agreement to source residential based dementia nursing care.</p>

Annual Review of Fees paid to independent providers of Adult Social Care

Rates and fees paid to independent providers of adult social care provision in the community and in accommodation based services are subject to annual review. The review will consider usual maximum rates for care homes and care homes with nursing; individually agreed rates paid to care homes and care homes with nursing and rates for supported living, shared lives; extra care and other community-based services.

Decisions on fees to be paid in the financial year 2024-25 will take account of a range of information, including but not limited to; recent decisions on National Living Wage, the current market position, the need and demand for services, the Council's strategic priorities, financial challenges for providers of care and support services and the financial position for the Council and the adult social care budget. During 2023 commissioners have engaged with representatives of the adult social care market to reflect feedback on both the challenges for the market and in the fees review process and in preparation for the review of fees.

The Director of Adults and Health will be asked to agree the fees and rates paid for commissioned services related to the adult social care and health portfolio for 2024-25.

Award of Contract Care and Support at Home Services

Care and support at home services (also known as domiciliary care or home care) are purchased by the county council on behalf of people who have been assessed as having eligible social care needs. These services support people to maintain their independence through the delivery of personal care and support, provided within a person's own home.

The county council currently commissions the majority of these services from a framework agreement which commenced in 2015. This will come to an end at the latest by March 2024. This framework was developed jointly with NHS Continuing Healthcare who also use the contract. In addition, the county council purchases services from the wider market through a legacy contractual agreement and a more recent contingency contract.

Following the review of the commissioning of these services proposals will be developed for new arrangements and contractual agreements. New arrangements will seek to ensure there is capacity across West Sussex to meet the needs of those with care and support needs and supports a sustainable care and support at home provider market in West Sussex. The expected value of the annual spend on domiciliary care for the life of these new arrangements is approximately £35 million, potentially rising to £40 million over the life of the contract depending on inflationary and demographic pressures.

Following the commencement and completion of a procurement process, as approved by the Cabinet Member for Adults Services, the Director of Adults and Health will be asked to agree contract award.

Deprivation of Liberty Safeguards Assessments (DoLS)

Deprivation of Liberty Safeguards Assessments (DoLS) is the legal framework that protects people’s human rights if they are deemed to be ‘deprived of liberty’ in a hospital or care home. To meet high levels of demand for DoLS assessments, West Sussex County Council uses a range of in-house and externally commissioned DoLS assessors. From Autumn 2019 a significant tranche of this work has been carried out by a national provider: Action First Assessments Ltd, via a framework agreement created by Nottinghamshire County Council.

Approval for this arrangement was initially agreed until 31/03/21. The agreement was then extended for a further period until 31/08/22 and then again until 31/03/2024.

Future contracting decisions are being made in the context of legal changes could be implemented in the coming months. These changes will replace DoLS with a new legal framework: the Liberty Protection Safeguards. As yet government have not confirmed an implementation date, however on 5 April 2023 the Department of Health and Social Care announced the implementation of the LPS, the Mental Capacity (Amendment) Act 2019, will be delayed “beyond the life of this Parliament” (therefore likely beyond Autumn 2024).

To deliver business as usual, DoLS workload and manage waiting lists ahead of the legal changes, the Director of Adult Services will be asked to approve a direct contract award for a further 24 months until 31st March 2026. This will ensure continuity of service. A revised timetable will allow the County Council to explore the market, review viability of future delivery models and explore opportunities to enhance the service offer to meet increased customer need.

Extra Care Commissioning

Supporting residents to live healthy and independent lives as they grow older in West Sussex is a key priority in the West Sussex County Council's [Adult Social Care Strategy](#) within the context of [Our Council Plan](#).

Extra Care schemes combine accommodation with care and support services providing an alternative option for people who require care but want to retain their independence through having their own front door. West Sussex County Council (WSCC) commissions the provision of care and support at Monaveen Extra Care scheme in Eastergate.

A care and support provider is required for a multi-year contract from 2024/25 onwards and following a procurement process the Director of Adults and Health will be asked to award a contract to the successful bidder.

Contract Award - Day Opportunities, Supported Employment and Volunteering Services for Adults with Learning Disabilities and/or Autism

West Sussex County Council (WSCC) set up day service contracts in 2015 with independent organisations to provide day services for adults with Learning Disabilities and/or Autism. The current contracts with the County Council are in their final year of and need to be re-tendered. Much has changed since the contracts were set up and Commissioners have reviewed the model of Day, Employment and Volunteering Services and whether this continues to best meet individuals' needs.

The intention is that the outcome will be co-designed, community-based interventions that raise aspiration, encourage independence and healthy active lives. The process will also consider how commissioned services link in to and complement the Council's directly provided services.

Following the approval of a tender process to re-commission new services by the Cabinet Member for Adults Services the Director of Adults and Health will be asked to award the contract (s) to the successful bidder, following the principles of good outcomes, quality of service, value for money and additional social capital when evaluating tenders.

Commissioning of College Alternative Provision for Key Stage 4 Learners

The County Council currently commissions the Chichester College Group to deliver education provision for Key Stage 4 pupils aged 14-16, whose educational and developmental needs are deemed to be better suited and supported through a more vocationally based curriculum.

The package of provision, procured in 2021 (decision [OKD11\(21/22\)](#) refers), is known as 'Freshstart' and is delivered across selected campuses constituting the Chichester College Group (CCG).

Building on the success of the service to date, it is proposed to continue to commission CCG to offer this provision for a further year. The Interim Assistant Director (Education and Skills) will be asked to approve the award of a contract to the Chichester College Group for the continuation of the provision of services under the 'Freshstart' programme.

Allocation of Capital Funding to create increased provision for girls' changing at St Andrew's CE High School, Worthing

In October 2020, following a public consultation, the proposal to alter St Andrew's CE High School for Boys, Worthing to a co-educational school from September 2021 entry was confirmed ([Decision ES08\(20/21\)](#) refers).

Following the change in 2021, the number of girls attending St Andrew's CE High School is increasing and therefore a further increase to changing provision is required to ensure adequate provision for girls. As St Andrew's CE High School is a Voluntary Aided School and the County Council do not own the freehold of the building, it has been agreed that the project can be delivered as a school managed project. The Governing Body has appointed consultants who are currently undertaking the design work for the proposed scheme.

Following detailed design and associated cost estimates the Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the budget required and the passporting of funds to St Andrew's CE High School to deliver the extension to girls' changing facilities.

Allocation of funding to create bulge classes for secondary pupils in East Grinstead

Following a review of pupil projections for starting secondary school in East Grinstead, it is necessary to create provision for a bulge class in both September 2024 and 2025 to deliver additional places to accommodate the growing number of secondary pupils.

Viability studies are currently being undertaken at the two secondary schools in the town – Imberhorne and Sackville to assess which school should be expanded to accommodate the bulge classes.

Following completion of the viability studies, and on determining which school should be expanded, funds will be sought in line with the cost estimate to enable the works to be taken forward. The monies for the project will be allocated from S106 funds which have been received to fund additional capacity for secondary aged pupils in East Grinstead.

The Assistant Director (Property and Assets) will be asked to approve the budget required for the project to create provision for the bulge classes.

Allocation of S106 funding to enable expansion of St Wilfrid's Catholic School, Crawley

St Wilfrid's Catholic School in Crawley is currently a 5 form entry (5FE) 11-16 Secondary School. The school has grown in recent years to meet the demand for places, taking bulge classes of 30 pupils in each of the last three years. This has led to the requirement for additional accommodation to enable the school to become a 6FE 11-16 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

It is intended that the expansion is delivered as a school managed project. Therefore, following detailed design and associated cost estimates provided by the school, the Assistant Director (Property and Assets) will be asked to approve the allocation of the S106 funds to the school to enable the project to proceed.

Allocation of S106 Funding for Replacement of Modular Teaching Accommodation at St Augustine's CE Primary School, Haywards Heath

St Augustine's CE Primary School, located in Scaynes Hill, close to Haywards Heath, is a four class Primary School with a broad range of buildings including a single modular unit which was installed on the site in excess of 30 years ago. The building has significant suitability and condition issues and requires replacement with new teaching accommodation meeting current Building Regulations and Department for Education Building Bulletins standards.

The Assistant Director (Property and Assets) will be asked to approve the allocation of capital funding from Section 106 contributions and the launch of a procurement exercise to enable a project to be undertaken to replace the modular classroom with new purpose built classroom.

Extension of the Dynamic Purchasing System for Independent Alternative Provision for children with Special Educational Needs and Disabilities (SEND)

The County Council has a statutory obligation to provide suitable education for all pupils including those who, because of exclusion, illness or other reasons, would not otherwise receive suitable education in a school setting, (predominantly children with Special Educational Needs and Disabilities (SEND)). This is termed Alternative Provision.

This is commissioned using the Dynamic Purchasing System (DPS) for Independent Alternative Provision (IAP), which enables the efficient sourcing of IAP services from a range of qualified providers. The DPS was established in 2021 ([decision OKD16 \(21/22\)](#) refers) for a maximum period of four years and six months.

The initial term of the DPS expires in February 2024 and the original contract allows for a further 2 year extension. Over the initial term the DPS has proved important in enabling the County Council to source much needed IAP placements that meet the education needs of pupils.

Agreement will be sought from the Interim Assistant Director (Education and Skills) to extend the DPS for a further 2 years from 1st March 2024.

Award of Adult Learning Community Learning Grant funded Programmes	
<p>Adult learning is a non-statutory provision, externally funded via the Department for Education through the Education Skills Funding Agency (ESFA). The County Council receive a total £3.1m Adult Education Budget each year from the ESFA which funds the provision of learning for adults to obtain skills or qualifications and/or enhance their wellbeing and/or improve their life skills/personal development.</p> <p>In March 2023 the Cabinet Member for Learning and Skills approved the launch of a procurement and the commencement of an expression of interest process to secure a range of providers to deliver the adult skills and community learning programme (decision LS10(22/23) refers).</p> <p>In August 2023 approval was granted for the award of contracts to deliver the adult skills provision (decision OKD11 (23/24) refers).</p> <p>Expressions of interest are now being sought from providers to bid for funding from the Community Learning Grant element of the budget. The process will secure Grant Funding Agreements with multiple providers to deliver community focussed programmes which engage with and support the most vulnerable and disengaged residents.</p> <p>On conclusion of the process the Interim Assistant Director (Education and Skills) will be asked to award the contracts to the successful providers for an initial period up to 31 July 2025.</p>

Additional budget allocation for delivery of the new Secondary School at Brookleigh, Burgess Hill

In July 2022, the then Cabinet Member for Learning & Skills approved funding for the delivery of a new Secondary School at Brookleigh (formerly known as Northern Arc) in Burgess Hill, to provide 900 pupil places to the Burgess Hill area and include a Special Support Centre ([LS04\(22/23\)](#) refers).

Since then, inflationary and other pressures have increased the total estimated cost of the project and additional funds are now required for this project to be completed. Approval will therefore be sought for an additional budget allocation to enable the delivery of the Bedelands Academy Secondary School project.

Should the proposal be ready in time for inclusion in the Quarter 3 Performance and Resources Report at the Cabinet meeting on 12 March approval for the budget uplift will be sought as part of that report. If not, approval will be sought via a decision by the Cabinet Member for Children and Young People, Learning and Skills.

Decision by	Cabinet Member for Children and Young People, Learning and Skills (Cllr Jacquie Russell)

Early Years and Childcare Strategy 2024 -2026

The County Council have a range of statutory duties related to early years and childcare services which include the provision of sufficient childcare places to meet the needs of families in West Sussex. This includes planning to deliver the Department for Education's plans to expand the early years entitlement by increasing access to free childcare which will commence in a phased approach from April 2024.

The Council is therefore developing 'Right from the Start', which is the Early Years and Childcare Strategy to support changes locally. These include improved collaborative working, delivering on the expansion of childcare as well as ensuring a strategic framework for maintaining efficient and high-quality provision and increased outcomes. The Strategy will set out the vision for providing support for children and their families from pre-birth to aged five for early education entitlements, and from birth to 14 where families access wraparound childcare provision.

The Cabinet Member for Children Young People, Learning and Skills will be asked to approve adoption of the Early Years and Childcare Strategy.

Relocation of Jessie Younghusband Primary School and Expansion of St Anthony's School - Publication of Statutory Notices

St Anthony's School in Chichester is a Special School for children and young people aged between 4 and 16 with moderate learning difficulties. There is a need to expand St Anthony's to ensure there are appropriate and sufficient places in accordance with the County Council's [Special Educational Needs and Disability \(SEND\) Strategy 2019-2024](#).

Sharing a site with St Anthony's School is Jessie Younghusband Primary School which is a 4-11 Primary School providing up to 210 places. It is proposed to relocate Jessie Younghusband from the current location to a new 1 Form of Entry (FE) Primary School (210 places) which is being built on the housing development west of Chichester, known as Minerva Heights. This would provide the opportunity to expand St Anthony's into the vacant Jessie Younghusband site.

In December 2023 the Cabinet Member for Children and Young People, Learning and Skills approved the launch of a public consultation, in accordance with Department for Education (DfE) guidance, to seek views on the proposals. ([decision CYPLS05\(23/24\)](#) refers). The consultation is open until 31 January 2024 and views and comments are invited from interested parties to assist in further shaping the proposals.

Following the conclusion of the consultation the feedback received will be reviewed; should it be determined that any of the proposals should proceed, the appropriate method for formalising the changes will be undertaken.

For the proposed relocation of Jessie Younghusband Primary School and expansion of St Anthony's School this would mean progressing the publication of statutory notices, in accordance with [DfE guidance for making prescribed alterations to maintained schools](#). Therefore, following a review of the consultation feedback, the Cabinet Member for Children and Young People, Learning and Skills would be asked to consider whether to proceed with approving the publication of statutory notices for the relocation of Jessie Younghusband and expansion of St Anthony's school. As part of this proposal the Cabinet Member would also be asked to consider delegating authority to the Interim Assistant Director (Education and Skills) to determine the outcome following conclusion of the statutory notice period.

Worthing High School - Allocation of Funding for Expansion of the Special Support Centre

There is a need to increase provision for children and young people with Special Educational Needs and Disabilities (SEND) through the creation of additional places in Specialist Support Centres that are attached to mainstream schools and academies. This will assist with the aim of enabling children to attend school locally.

In October 2020 the then Cabinet Member for Education and Skills agreed that work was progressed to explore the options for expanding existing Special Support Centres (SSC) or creating new SSCs. One of these proposals was for the expansion of the SSC at Worthing High School to create additional places and the redesignation of the SSC from Additional Learning Needs to Social Communication Needs ([Decision reference ES09 \(20/21\)](#)).

Since that time options appraisals and design work has been undertaken and costed in relation to providing suitable and sufficient accommodation for an expanded SSC at Worthing High School.

The Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the allocation of capital funding from the Capital Programme to enable the project to expand the Special Support Centre at Worthing High School to progress.

Award of contract for delivery of a Special Support Centre at Maidenbower Infants School, Crawley

There is a need to increase provision for children and young people with Special Educational Needs and Disabilities (SEND) through the creation of additional places in Specialist Support Centres (SSC) that are attached to mainstream schools and academies. This will assist with the aim of enabling children to attend school locally.

During 2022 the then Cabinet Member for Learning and Skills approved the allocation of capital funding for creation of a new 12 place SSC at Maidenbower Infants School in Crawley and delegated authority to launch a procurement for the necessary works ([decision LS07\(22/23\)](#) refers).

Following completion of the procurement process the Assistant Director (Property and Assets) will be asked to approve the award of the construction contract to the preferred provider for the construction phase, of the project to provide a Special Support Centre at Maidenbower Infants School.

Additional budget allocation for the replacement of modular teaching accommodation at Slinfold CE Primary School

Slinfold CE Primary School is a 140 place Primary School for 4–11-year-olds, incorporating five classrooms and a pre-school on site. Two of the five classrooms are in 30-year-old modular classrooms which have significant suitability and condition issues due to the age of the buildings and are nearing the end of their life.

In December 2021, the Cabinet Member for Learning and Skills approved the allocation of £1.158m to replace the modular classrooms with a two class extension and delegated authority to the Director of Property and Assets to award the contract ([Decision LS12 \(21/22\)](#) refers).

Since that time there have been programme delays due to the identification of Great Crested Newts as well as inflationary pressures. Additional funds are therefore required to complete the project.

The Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the additional budget allocation to enable the delivery of the project at Slinfold CE Primary school.

Community Support, Fire and Rescue

Contingency Accommodation Arrangements (Rolling Entry)

Since November 2021, West Sussex County Council (WSSCC) has been responsible for providing support for refugees and family groups in the county under the British government resettlement scheme.

In March 2023, the UK government announced plans to permanently end the use of bridging accommodation. Previously used bridging hotel accommodation was served closure notices by the Home Office and in accordance with government requirements the hotels closed on 31 August 2023. Home Office contingency accommodation remains available until 31 December 2023, after this point no further Home Office accommodation is available. West Sussex County Council is therefore charged with securing accommodation for the remaining refugee families otherwise at risk of homelessness.

Securing accommodation is within a commercial rental market and therefore the ability to present a quick decision is frequently required. All accommodation is financed using Home Office grant monies at no cost to West Sussex County Council.

The Assistant Director (Communities) is asked to approve the allocation of government grant monies to acquire rental accommodation for refugees, in accordance with government requirements and conditions.

West Sussex Fire and Rescue Service - Award of contract for breathing apparatus and ancillary equipment

West Sussex Fire and Rescue Service are leading an aggregated procurement to standardise Breathing Apparatus and ancillary equipment (BA) on behalf of the 4F Group consisting of West Sussex Fire and Rescue Service, East Sussex Fire Authority, Surrey Fire and Rescue Service and Kent and Medway Fire and Rescue Authority.

Aside from the collaborative process and initial financial efficiencies from procurement, the project outcomes will strongly influence a variety of longer-term benefits which will include:

1. standardisation of Breathing Apparatus (BA) equipment across 4F.
2. enabling the wider programme of operational alignment (for example BA).
3. seamless cross-border mobilisation of FRS assets and firefighters who can work together using the same operational guidance, training, and equipment.

The procurement will utilise a National Fire Chiefs Council (NFCC) endorsed Framework Agreement with each organisation entering into its own call-off agreement for the provision of equipment and support services. The estimated total contract value for West Sussex is £1.7m based on a 10-year contract.

Following the completion of the procurement process, the Chief Fire Officer seeks to award the Contract for the purchase of this equipment to the bidder submitting the most economical and technologically suitable tender and following extensive practical evaluation processes by 4F leads.

Award of contract for Minibus Hire Services

The County Council hires vehicles to support operations when the need cannot be met from within the owned fleet.

There is a requirement to re-procure the minibus hire contract to ensure the provision of vehicles continues to represent best value against a refreshed hire profile and support specification.

The term of the contract will be 3 years starting in August 2024 and the anticipated spend is approximately £2,900,000 over the contract term based on 75 vehicles.

The Chief Fire Officer has agreed the commencement of a compliant procurement process, in line with Council's Standing Orders on Procurement and Contracts, and will be asked to award the contract to the successful supplier.

Environment and Climate Change

Award of Call-off Contract at the Halewick Lane Battery Storage site

The Halewick Lane Battery Storage project proposes the re-development of the previously derelict North Sompting Waste Management Site into an income generating battery storage project.

The Cabinet Member for Environment [delegated authority](#) to the Director of Environment and Public Protection to award a contract for scheme following the completion of the procurement process.

A call-off contract through the REFIT Framework is required which will permit a contractor to develop and complete a fully costed design, known in the framework terms as an Investment Grade Proposal (IGP). At the completion of the IGP period, and subject to the review and approval of the fully costed design for the project, the County Council will look to award a full design and build contract to a contractor (which will be the subject of a further key decision).

Upon the conclusion of the procurement process, the Assistant Director (Environment and Public Protection) will be asked to award the call-off contract through the REFIT framework.

Award of Design and Build contract at the Halewick Lane Battery Storage site

The Halewick Lane Battery Storage project proposes the re-development of the previously derelict North Sompting Waste Management Site into an income generating battery storage project.

Following a review of the details previously approved by the Cabinet Member for Environment and Climate Change, a revised business case indicates that revisions to the scheme by using a first-life battery option will generate increased revenue from the project and expanding the scheme will provide better value for money. Therefore, the Cabinet Member for Environment and Climate Change [approved](#) a re-procurement process increasing the system size to 24MW with the specification of first life batteries.

A call-off contract through the REFIT Framework is required which will permit a contractor to develop and complete a fully costed design, known in the framework terms as an Investment Grade Proposal.

At the conclusion of the call-off contract, the Assistant Director (Environment and Public Protection) will be asked to award the full design and build contract for the scheme.

Contract Award - Solar Photovoltaic and Battery Storage Programme

In December 2022, the Cabinet Member for Environment and Climate Change [approved](#) the procurement of a single supplier to survey, design, supply and install solar photovoltaic (PV) panel systems and 'Behind-the-Meter' (BTM) battery storage technology across suitable corporate and school sites and delegated authority to the Assistant Director (Environment and Public Protection) to award the contract.

The County Council is now seeking to identify a suitably qualified and interested organisation from the private, public and third (voluntary, community and charitable) sectors to undertake the work.

The Solar PV and Battery Storage Programme will support the County Council's commitment to becoming carbon neutral by 2030 as set out in the Climate Change Strategy 2020-2030.

It will also help meet the agreed priorities in the 2030 Energy Strategy by reducing grid electricity consumption, increasing renewable energy generation in the county, enhancing grid resilience, and reducing carbon dioxide emissions. In addition to electricity cost savings from the corporate sites, schools will also benefit from a reduction in electricity costs over 25 years.

Upon the conclusion of the procurement process, the Assistant Director (Environment and Public Protection) will be asked to award the contract to the bidder submitting the most economically advantageous tender with regard to cost and quality.

Streetlighting LED Conversion Project

The Streetlighting Light Emitting Diode (LED) Conversion Project aims to convert all of the County Council owned Street Lighting Asset Luminaires to LEDs and introduce a Central Monitoring System to allow the remote operation of lighting.

In July 2019, the Cabinet Member for Highways and Infrastructure [approved the capital allocation and delegated authority](#) to approve the changes to the Street Lighting Private Finance Initiative (PFI) contract.

Delays have arisen as a result of lengthy negotiations about the Deed of Variation which is required to amend the PFI contract to allow the installation of LEDs. Cost increases have occurred due to inflationary pressures since the above decision was made. In February 2023, following discussions with suppliers, the County Council re-evaluated the costs required to deliver this project and identified a shortfall.

The Cabinet Member for Highways and Transport will be asked to approve an additional budget allocation in order to allow the project to proceed.

Highways and Transport Delivery Programmes 2024-2025

The Highway and Transport Delivery Programmes identify capital highways infrastructure maintenance and transport improvement schemes for delivery during 2024/25 and beyond. Capital funding for the Delivery Programmes is predominantly received from the Government for roads maintenance (the Local Highway Maintenance Block), and transport improvements (the Integrated Transport Block) supported by additional funding from developer agreements and contributions.

The indicative forward programmes for Highway Infrastructure Maintenance, Local Transport Improvements (LTIP) and Community Highway Schemes (CHS), have informed the 2024/25 Highways and Transport Delivery Programmes. These provide transparency of the maintenance and improvement investment needs and the funding priorities prepared and selected for review and approval in this decision.

The Cabinet Member for Highways and Transport will be asked to approve –

1. the Highway and Transport Delivery Programmes 2024-25; and
2. delegate authority to the Assistant Director (Highways, Transport and Planning) to adjust the 2024/25 Delivery Programmes to take account of budgetary pressures and any changes in priority arising as a result of network availability, emergencies, or other operational circumstances, in consultation with the Cabinet Member.

It should be noted that the above will be subject to confirmation of funding at a Full Council meeting.

Public Health and Wellbeing

Healthy Child Programme Procurement

The Health and Social Care Act 2012 sets out the statutory responsibility for the West Sussex County Council to deliver and commission public health services for children and young people aged 5-19 years. On 1st October 2015 the Council became responsible for statutory children's public health services, referred to as the Healthy Child Programme (HCP). This is a national programme of pre-school and school age services from Health visitors including the Family Nurse Partnership (FNP) and School nurses delivering Public Health outcomes for children and young people 0-19 years of age (25 years of age for young people with special educational needs and disabilities). The current Healthy Child Programme contract will conclude in March 2025.

The Cabinet Member for Public Health and Wellbeing will be asked to endorse the procurement of a new contract to deliver the Healthy Child Programme in West Sussex and delegate authority to the Director of Public Health to award the contract(s).

Decision by	Cabinet Member for Public Health and Wellbeing (Cllr Bob Lanzer)

Award of Contract Healthy Child Programme

The Health and Social Care Act 2012 sets out the statutory responsibility for the West Sussex County Council to deliver and commission public health services for children and young people aged 5-19 years. On 1st October 2015 the Council became responsible for statutory children's public health services, referred to as the Healthy Child Programme (HCP). This is a national programme of pre-school and school age services from Health visitors including the Family Nurse Partnership (FNP) and School nurses delivering Public Health outcomes for children and young people 0-19 years of age (25 years of age for young people with special educational needs and disabilities). The current HCP contract will conclude in March 2025.

Following a procurement process agreed by the Cabinet Member for Public Health and Wellbeing, the Director of Public Health will be asked to award the contract(s).

Extension WSCC Dynamic Purchasing System for Learning and Development Service Training Providers

The WSCC Dynamic Purchasing System (DPS) for learning and development service training providers, used by East Sussex, Brighton & Hove and Surrey County Councils, was implemented in April 2017 following a key decision CR05 16-17 in September 2016, with a validity period of 4 years which ended in April 2021.

A further key decision was taken in January 2021 to extend its validity period to the end of March 2023 followed by a further key decision in March 2023 to extend the DPS for a further year to end of March 2024.

The Cabinet Member for Support Services and Economic Development will be asked to endorse the extension of the DPS for a further two years to end March 2026.

Decision by	Cabinet Member for Support Services and Economic Development (Cllr Steve Waight)
Date added	19 February 2024
Month	March 2024
Consultation/ Representations	<p>Consultation has been undertaken with other public bodies using the DPS – i.e. Brighton and Hove City Council, Surrey County Council and East Sussex County Council.</p> <p>Representation can be made via the officer contact.</p>
