Standards Committee Annual Report

Part I

Report by Director of Law and Assurance

Recommendation

That, subject to any amendments agreed by the Committee, the draft report be approved.

1. Discussion

- 1.1 The Committee is able to submit an annual report to the County Council to outline its activities over the last year.
- 1.2 A draft report is attached that sets out the key activities of the Committee. The Committee is invited to approve the draft report subject to any amendments it feels would be appropriate. The final version will be submitted to the County Council on 18 October 2019.

2. Resource Implications and Value for Money

None directly arising from this report.

3. Equalities

An Equalities Impact Report is not applicable as the report focuses entirely on the internal work of a committee.

4. Risk Management Implications

An annual report made available to all members assists the Committee in its role to promote high standards of conduct, which should assist in reducing the risk of members breaching the Code of Conduct.

5. Crime and Disorder Act and Human Rights Act Implications

None directly arising from this report.
