

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by members or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to the [West Sussex Plan](#) priorities of:

- **Best Start in Life** (those concerning children, young people and schools)
- **A Prosperous Place** (the local economy, infrastructure, highways and transport)
- **A Safe, Strong and Sustainable Place** (Fire & Rescue, Environmental and Community services)
- **Independence in Later Life** (services for older people or work with health partners)
- **A Council that Works for the Community** (finances, assets and internal Council services)

The most important decisions will be taken by the Cabinet sitting in public. The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the County Council’s website and from Democratic Services, County Hall, West Street, Chichester, PO19 1RQ, all Help Points and the main libraries in Bognor Regis, Crawley, Haywards Heath, Horsham and Worthing. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

Woodlands Meed College Site, Burgess Hill - Allocation of Funding for Project Delivery	
<p>Woodlands Meed is a Special School and College for 2-19 year olds located in Burgess Hill. The existing accommodation at the College site has significant suitability and condition issues meaning the College is unable to offer the full curriculum and unable to accommodate the full range of Special Educational Needs.</p> <p>In order to address this, in February 2019 the Cabinet Member for Education and Skills took a decision (ES18 (18/19)) to approve the allocation of £0.5m from the Capital Programme to enable a costed design to be produced for rebuilding and expanding Woodlands Meed College on its current site. This has involved the appointment of a full design team through the County Council's Multi-Disciplinary Consultant to undertake the design work required to develop the feasibility design into a formal proposal enabling costs to be sought for all elements of the proposal.</p> <p>The Cabinet Member for Education and Skills will be asked to agree the allocation of funds from the Capital Programme to enable the rebuilding and expansion project at Woodlands Meed to proceed.</p>

School Funding 2020/21

In September 2017 the Government announced its plans to allocate funding to Local Authorities (LAs) for Schools and High Needs through a new National Funding Formula (NFF). It is the long term intention for mainstream schools to receive this funding directly from Government, but no date for this has yet been set. Until then the County Council is responsible for distributing funding to schools through its locally agreed formula. The County Council needs to review its local formula factors and unit values for the allocation of funding to mainstream schools to determine how best to make changes to move towards full NFF implementation.

Finance regulations require that schools and academies are consulted about any proposals to change the local formula or other funding arrangements that may affect future school funding. Formal consultation with schools and academies about proposed changes for 2020/21 took place between 23rd October and 13th November 2019 and the outcome of this consultation is to be discussed by the Schools Forum at its meeting at the end of November.

Along with proposals to change the local formula, the consultation also covered the potential transfer of funds from the Schools block to the High Needs block to address cost pressures in this budget.

Following analysis of the responses from schools to the consultation proposals and the outcome of the consultation with the Schools Forum the Cabinet Member will be asked to consider whether to approve the changes to the distribution of funding for 2020/21.

Admission Arrangements for Community and Voluntary Controlled Schools in West Sussex and the Coordinated Scheme of Admissions	
<p>The County Council has a statutory duty to set the school admission arrangements for community and voluntary controlled schools in West Sussex and to publish a national scheme of coordination for all schools. The scheme of coordination allows parents to complete one application form to the authority in which they reside, this is to ensure that each child receives one offer of a school place. It is proposed that the coordinated scheme for the normal admission round remains the same for 2021</p> <p>With regard to admission arrangements the proposal is to make changes to the oversubscription criteria in two areas, to include a higher priority for children of staff who have been in post for more than two years in the school to which they are applying; and to include children who are subject of a Special Guardianship Order (SGO) to be considered as the same as Children Looked After in order of priority.</p> <p>There are also proposals for consultation to move the catchment area for the Kilnwood Vale Development in North Horsham from the catchment area of Waterfield Primary School and Ifield Community College to a new Kilnwood Vale catchment for primary aged children and Millais and Forest catchment area for secondary age children.</p> <p>The Cabinet Member will be asked to endorse the proposed admission arrangements for community and voluntary controlled schools in West Sussex for the academic year commencing September 2021 and approve the coordinated scheme of admissions.</p>

Reduction in the Post-16 Support Service	
<p>The post-16 support service works with those young people not in employment, education or training (NEET). The service assists with carrying out the statutory requirement of tracking those individuals who are NEET and supports greater participation through the organisation of Careers/Apprenticeship Fairs across the county and arranges the Apprenticeship Graduation Ceremony.</p> <p>The funding of the service is currently supplemented by the European Structural and Investment Fund (ESIF) project which is a joint scheme with Brighton and Hove City Council. The programme finishes on 31 December 2020.</p> <p>NEET tracking is the statutory element of the work carried out by the post-16 support service, therefore, once the ESIF funding ceases it is proposed that, as well as ESIF fixed term contracts coming to an end, the County Council will reduce the level of service provided. Work is progressing on assessing the impact of options – from a reduction in the level of service to complete withdrawal of the service.</p> <p>The Cabinet Member for Education and Skills will be asked to assess the outcome of this work and approve a proposal to either reduce or withdraw the post-16 support service.</p>
