## **PROPOSAL**

### **1. Background and Context**

- 1.1 Outside bodies are external organisations and partnerships which have requested that the County Council appoints an Elected Member or a representative to them. Participation in outside bodies:

- Contributes to the County Council’s strategic functions, priorities or community leadership roles.
- Supports partnership and joint working.
- Enables Members to gain and share knowledge and expertise.

1.2 All Members are eligible to be appointed as representatives of the County Council on outside bodies. Members appointed to outside bodies must respond to all reasonable requests for information about the work of the outside body and their participation in it.

## **2. Proposal Details**

2.1 A vacancy has arisen on the Council of Governors for Western Sussex Hospitals NHS Foundation Trust, which is an outside body that the Cabinet Member for Adults and Health is responsible for making Member appointments to. The role of the Elected Member on NHS Trust Council of Governors is to hold the Board of Directors to account for the performance of the trust and to represent the interests of the members of the trust and the public.

2.2 It is proposed that the Cabinet Member for Adults and Health makes the following appointment:

<b>Outside Body</b>	<b>No of Appointments</b>	<b>Proposed Member Appointment</b>
Western Sussex Hospitals NHS Foundation Trust	1	Mr Mike Magill

## **FACTORS TAKEN INTO ACCOUNT**

### **3. Consultation**

3.1 The Cabinet reviewed the list of outside bodies in December 2019 ([Report ref: CAB09 19/20](#)) to ensure that the County Council continues to appoint to bodies that are relevant to the County Council and which are consistent with its priorities.

### **4. Financial (Revenue and Capital) and Resource Implications**

4.1 There are no financial or resource implications.

### **5. Legal Implications**

5.1 There are no legal implications.

### **6. Risk Assessment Implications and Mitigations**

6.1. Members must consider the implications and responsibilities of being involved with outside bodies as they must:

- Continue to comply with the County Council's Code of Conduct when they are acting as a representative of the Council.
- Comply with the code of conduct of the outside body they are appointed to if one exists.
- Declare a personal interest in any business of the County Council where it relates to a body they are appointed to by the County Council.

6.2 All Members are recommended to make sure that when they take up their appointment with the outside body they have access to the key documents regulating the organisation such as its constitution or terms of reference to ensure they are aware of what the body can and cannot do, and receive a briefing on the body or their role within it if necessary.

6.3 There is a risk that appointments will not be made to all of the outside bodies which could hinder the County Council in furthering its interests and priorities, and not develop the external facing role of Members.

## **7. Other Options Considered**

7.1 The Cabinet Member for Adults and Health may choose not to appoint to an outside body but should consider whether there are any implications arising for the County Council by not making an appointment.

## **8. Equality and Human Rights Assessment**

8.1 An equality duty assessment is not considered applicable for this decision, as those residents with protected characteristics are at no greater disadvantage to those without those characteristics, as the decision concerns appointments to outside bodies only.

## **9. Social Value and Sustainability Assessment**

9.1 Not applicable.

## **10. Crime and Disorder Reduction Assessment**

10.1 None.
