The County Council must give at least 28 days’ notice of all key decisions to be taken by members or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to the [West Sussex Plan](#) priorities of:

### Finance, assets, performance and risk management

Each month the Cabinet Member for Finance reviews the Council’s budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as ‘rolling decisions’.

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council’s budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

### **Award of Contract for the replacement of Modular Units at Southwater Infant and Junior Schools, Horsham - Phase 2**

In order to accommodate the demand for pupil places in the Southwater area of Horsham it is necessary to replace the modular teaching accommodation at Southwater Infant and Junior Schools. In January 2020 the Cabinet Member for Education and Skills approved the allocation of additional monies from Section 106 funds to enable this replacement work to take place (decision reference [ES07\(19/20\)](#)). As part of this decision he also delegated authority to the Director of Property and Assets to award the contract for carrying out these works.

The feasibility work and detailed design for the replacement of the four modular units have now been completed and planning permission granted. The work will be divided into two elements and tendered as two separate contracts:-

Phase 1 - The Supply and Installation of Modular Units Package  
Phase 2 - Enabling Works

The tendering process for Phase 1 is due to start shortly; a competitive tendering exercise for Phase 2 will also now commence. On completion the Director of Property and Assets will be asked to approve the award of the contract to the preferred provider to deliver the Enabling Works.

<b>Expansion of Queen Elizabeth II Silver Jubilee School, Horsham</b>	
<p>The Special Educational Needs and Disability (SEND) Strategy 2019-2024 aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs. There is a requirement to both increase places at certain special schools and to ensure existing school accommodation meets the needs of the pupils on roll.</p> <p>Following a review of current numbers on roll and the existing accommodation at Queen Elizabeth II Silver Jubilee School in Horsham the need for additional accommodation has been identified, to ensure suitable provision for the needs of the pupils currently on roll. The school caters for a wide-range of Special Educational Needs and Disability for pupils aged between 2 and 19, including children with severe learning difficulties, complex social and communication difficulties, profound and multiple learning difficulties and complex needs.</p>	

A proposed project to deliver an increase in space would enable the school to offer suitable accommodation and support spaces for 105 pupils.

The feasibility work for the project to accommodate the pupils is now underway. Following detailed design and associated cost estimates the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.

### **Executive Director Children, Young People and Learning**

#### **Award of contract for remodelling works at Cissbury Lodge Children's Home, Worthing**

The children's in-house residential service is made up of six homes, of which three, including Cissbury Lodge, are currently closed and awaiting refurbishment whilst feasibility studies and design work are undertaken.

A strategy for the residential service was approved by the Cabinet Member for Children and Young People in October 2019 (decision reference CYP03(19/20)). It seeks to ensure that outcomes for vulnerable children are maximised and that long-term care costs are minimised. It is essential that the assets that enable support to children are redeveloped in order to support the delivery of this strategy as a part of the wider 'children first' improvement plan being driven forward by the Council.

Cissbury Lodge's contribution to the delivery of this strategy will come through the remodelling of the home to ensure the most efficient use of the existing footprint of the homes whilst maximising the potential service offering of the site.

As part of a separate decision process approval will be sought from the Executive Director Children, Young People and Learning for the commencement of a procurement to undertake these remodelling works. Once the procurement process has been completed the Executive Director will be asked to agree the award of contract to the preferred contractor for the delivery of works at Cissbury Lodge.

<b>Woodlands Meed College Site, Burgess Hill - Allocation of Funding for Project Delivery</b>	
<p>Woodlands Meed is a Special School and College for 2-19 year olds located in Burgess Hill. The existing accommodation at the College site has a number of condition issues meaning the College is unable to offer the full curriculum and unable to accommodate the full range of Special Educational Needs.</p> <p>In order to address this, in February 2019 the Cabinet Member for Education and Skills took a decision (ES18 (18/19)) to approve the allocation of £0.5m from the Capital Programme to enable a costed design to be produced for rebuilding and expanding Woodlands Meed College on its current site. This has involved the appointment of a full design team through the County Council's Multi-Disciplinary Consultant to undertake the design work required to develop the feasibility design into a formal proposal enabling costs to be sought for all elements of the proposal.</p> <p>A further survey of the existing building's condition and suitability to meet the needs of the College's students has now been undertaken. Following assessment of the outcome of this survey and exploration of access options Cabinet will be asked to agree the allocation of funds from the Capital Programme to enable the new investment at Woodlands Meed to proceed.</p>
