Nigel Jupp
Cabinet Member for Education and Skills

Dear Mr Jupp,

Education and Skills Portfolio – Transfer of Section 106 Funding to the Department of Education for Bohunt, Horsham

I am writing to advise of the intention for an officer to authorise the above matter that requires an urgent decision; I enclose a copy of the report.

The report recommends that approval is given to the use of Section 106 Development Agreement funds received in relation to the North of Horsham development, for transfer to the Department for Education towards the permanent school site and accommodation for Bohunt Horsham as detailed in the report and for officers to have authority to enter into such agreements as are required to give effect to the proposal.

The decision is urgent due to the need for the County Council to conclude an urgent agreement with the Department for Education and the Academy Trust.

I should be grateful if you would kindly endorse this letter and return it to me to confirm you have been consulted on this matter. A copy of this letter has also been sent to the Chairman of the Children and Young People's Services Scrutiny Committee as required under Standing Order 3.47.

The decision will be published via modern.gov and reported through The Bulletin in the usual way.

Yours sincerely,

A handwritten signature in black ink that reads 'Tony Kershaw'.
