

Scrutiny Work Planning Guide and Checklist

1. Principles

- (a) Scrutiny should improve outcomes for West Sussex by providing:
 - Robust challenge to the executive and service performance; and
 - Timely opportunities to influence budget and policy planning
- (b) Scrutiny holds the executive to account and should be objective, evidence-based, transparent and constructive
- (c) It acts as a critical friend to the decision-maker to enable the most effective delivery of the Council's priorities.
- (d) It takes a strategic perspective, focussing on the wider community needs and outcomes for all residents and service users
- (e) It should aim for consensus and avoid party politics.

2. Work Programme Planning

The Committee plans its business and considers what to scrutinise. Business emerges from sources including:

- The Forward Plan or items referred by a Cabinet Member
- Member requests for an item to be considered.
- Performance issues identified from the Total Performance Monitor or other sources
- A proposed decision being 'called-in'.
- The annual process of developing budget and corporate priorities.

Committee members should have a good understanding of the budget and performance issues for their portfolio. The Committee should prioritise business to ensure time for detailed scrutiny of the most important issues within the resources available, using the checklist at paragraph 5.

Scrutiny Committees should have a **clear focus on the objectives and desired outcomes** for their work. This should inform work prioritisation, planning agendas and the approach to managing meetings. The Committee should do so by use of the checklist set out below which should focus on key lines of enquiry.

Performance and Finance Select Committee (PFSC) should ensure all scrutiny arrangements are effective and are dealing with the most important issues for the Council. It may do so by receiving and considering scrutiny committee work programmes from time to time. An annual report for PFSC allows it to monitor the scrutiny work programme and developments and to highlight best practice and training needs. As set out in Standing Orders, paragraph 8.12), the scrutiny work programme should be reviewed by the end of May each year by PFSC and then by County Council.

3. Agenda Planning

A pre-agenda meeting (PrAM) is held two weeks before the formal meeting attended by the chairman and vice-chairman, Democratic Services officers, and the officers preparing reports. It is a brief session of no more than one hour to:

- Ensure the agenda and approach meet the needs of the committee

- Agree scrutiny aims or outcomes from each item
- Plan the management of the meeting (timing, presentations, witnesses)
- Decide whether a pre-meeting would be helpful
- Discuss what information members may need for effective scrutiny

The pre-agenda meeting should identify the key lines of enquiry for scrutiny of the subject and ensure that the report covers what is required for the scrutiny focus. Its role is not to review draft reports.

Agendas should be short to allow time and focus to produce meaningful outcomes. Items for information only must not be taken. Information gathering and questions of detail should be dealt with outside formal meetings.
