				<p>overgrown and not used, into the area for the MUGA to be installed. Due to the siting of the MUGA, Daily Mile Track and Clamber Stack, they will not encroach onto the existing playing field. Sports England have been consulted and are in agreement with our plans subject to there being no negative impact on our football pitch. We can confirm that there will be no impact, and will now consult formally with Sport England as part of this application.</p> <p>Measurements/specifics as follows: . Forest Climber to be placed on top of existing playing field, with a safety flooring installed; . Daily Mile track to be installed around the perimeter of the school field, a total length of 1m x 215m; . MUGA to be installed on an area that is currently a bible garden, and not used as part of the playing field.</p> <p>Measurements - 18.5m x 15m. This area is currently heavily planted, and fenced off from the current playing area, therefore space to play is not being lost.</p>
