

Worthing County Local Committee

11 June 2018

Progress Report

Date received or Minute No/Ref:	Where issue was raised:	Subject:	Contact:
Feb 2018 Min 52	Member update	Enforcement of the Controlled Parking Zone in Worthing	Mike Thomas
May 2018 update	WSCC Officers have engaged with the enforcement team. A political decision was taken some time ago to reduce the number of Civil Enforcement Officers. Any additional CEOs would require additional funding. There is a Joint Overview and Scrutiny Committee in July MT has asked the Parking Strategy Team / Enforcement Team to discuss this element as part of the review. The enforcement team have reported that compliance is high and as such they do not believe additional enforcement is required.		
Feb 2018 Min 57	Talk with Us	School crossing outside Thomas a Beckett School	Mike Thomas
May 2018 update	The signs at this location have been reviewed. It is anticipated that any further signs would not offer significant benefit, however this will be reviewed in the whole as part of the School Travel Plan and any subsequent proposals. It is noted that a School Crossing Patrol Assistant has now been working at this location for a while now.		
	Update for CLC	New TROs Proposals	Mike Thomas
	See Attachment		
	Update for CLC	New CHSs Proposals	Mike Thomas
