You requested that the visibility splays be submitted on one plan, the agent, Sara Burrell, has said that the scale on a 1:2500 to show both the north and south visibility splay on one document would be much smaller and harder to distinguish therefore the visibility splays for the existing access (which is to be retained) and the proposed access are on two plans, see email from Sara Burrell dated 24th June for further information. Please could you provide comments on the plans, I would be grateful if you would be able to look at this as soon as possible.
