

## Administration Performance Previous 12 Months (1 July 2020 to 30 June 2021)

The table below shows performance against the relevant targets. The casework reported does not include periodic tasks (such as the triennial valuation, publication of the Annual Benefit Statements, End of Year processes or notification of changes to Regulations) response times to enquiries made by members (which has a five working day expectation) and work in progress

The table below shows work in progress as at 30 June 2021. The day count reflects the time from date of receipt of the initiating request. Therefore it includes time whilst cases are on hold with the administration team pending further information. The casework reported does not include work being work on under the historic leavers and interfunds project, which forms part of the data improvement plan.
