

## Chanctonbury County Local Committee

30 July 2018

### Progress Report

Date & Minute No.	Subject:	Action / Progress	Officer/Member Contact:
07/03/18 Min 51	<b>Safe crossing points in Steyning</b>	The Safer Routes to School Team are working with the local Primary School and looking at the possibility of a school crossing patrol. The Grammar School would like more permanent crossings. It was agreed that the Area Highway Manager, Schools, Parish Council and Members would arrange a walk around the area and discuss options.	Area Highways Manager
UPDATE	A site meeting was held with key stakeholders on 18 <sup>th</sup> April 2018 and it was agreed that the Grammar School will liaise with Steyning Parish Council to produce an application for a Community Highway Scheme.		
07/03/18 Min 51	<b>Update on the improvement works in Lower Street, Pulborough.</b>	The Area Highways Manager undertook to get an update from the Project Manager.	Area Highways Manager
UPDATE	<p>The improvement works in Lower Street are completed. Some footway maintenance works followed on from the improvement scheme and subject to some remedial works associated with this there are no other works programmed for Lower Street.</p> <p>However, the Area Highway Manager has met with Pulborough Parish Council to discuss ongoing concerns with a view to formulating further proposals.</p>		
Misc	<p><b>Updates on Traffic Regulation Orders and Community Highways Schemes attached</b></p> <p>Updates attached on schemes that have been previously approved and also on new schemes submitted but still subject to further assessment and selection.</p>
