Review of Financial Regulations and Financial Procedures

Report by Director of Finance, Performance and Procurement and Director of Law and Assurance

Recommendations

- (1) That the revised Financial Regulations be endorsed for onward approval by the Regulation, Audit and Accounts Committee;
- (2) That the proposal to hold the Treasury Management Policy Statement and the Financial Procedures outside of the Council's Constitution be endorsed for onward approval by the County Council on 20 July 2018, as part of the current review of the Constitution, subject to endorsement by the Regulation, Audit and Accounts Committee at its meeting on 23 July 2018; and
- (3) That the Financial Regulations and Financial Procedures are reviewed in 2021.

1. Introduction

- 1.1 The Financial Regulations and Financial Procedures are part of the authority's Constitution. They are intended to help the County Council exercise its statutory financial responsibilities, safeguard its finances and assets, and ensure the proper record keeping and reporting of its financial accounts.

2. Review of Financial Regulations and Procedures

- 2.1 In line with good practice the Financial Regulations and Financial Procedures are now reviewed every three years, with the last review carried out in 2015. The Financial Regulations set out the financial policies and the framework for managing the Council's financial affairs. They seek to ensure that the Council conducts its affairs in a way that complies with specific statutory provisions, generally accepted accounting principles and professional good practice. The Financial Procedures set out the controls in place for the key areas covered in the Financial Regulations, along with the responsibilities of the Directors in respect of each the key areas. There is currently a review of the Council's Constitution underway and in line with this it is proposed that the Treasury Management Policy Statement, which is currently part of the Financial Regulations, and the Financial Procedures should be held outside of the Constitution.

2.2 An exercise has recently been undertaken to review both documents and updated regulations are attached as Appendix 1. These reflect the current organisational structure and the changes include the inclusion of the Council's capital governance process, updates to the Treasury Management governance arrangements along with minor changes to reflect updated regulations and to clarify the Council's current processes.
