Forward Plan of Key Decisions

Recommendation: The Health & Adult Social Care Select Committee (HASC) is asked to identify any decisions to be previewed by the Committee, considering new entries from the latest extract of the Forward Plan of Key Decisions, since the last HASC meeting on 8 March 2018.

CABINET MEMBER FOR ADULT SOCIAL CARE AND HEALTH (based on Forward Plan published on 1 June 2018)

New Entries to the Forward Plan since the last meeting of the Committee

Procurement of Housing Support Services (New)	
<p>This decision concerns the commissioning of two separate housing support services for residents who face a particularly high risk of homelessness; mental health service users and ex-offenders. The report will recommend that the Council undertakes a procurement process to let two new contracts to organisations who are able to provide housing support to residents in these groups who are at risk of homelessness:</p>	
<p>Hospital Based Housing Support for Mental Health Service Users. This service will build upon an existing pilot which has been operating successfully for 18 months. The service will be based within various NHS settings and provide targeted support to help patients manage housing risks which they are likely to face on discharge. The anticipated value of this contract is approximately £236,000 per annum.</p>	
<p>Accommodation Based Support for Ex-Offenders. A significant proportion of offenders are homeless on release from prison. This accommodation based service will provide short term accommodation for ex-prisoners on release and support to access housing options in the private rented sector. The anticipated value of this contract is expected to be approximately £240,000 per annum.</p>	
<p>The Cabinet Member will be asked to authorise a procurement process for services to commence from 1 January 2019, and to delegate authority to the Director of Adults' Services to let the contracts.</p>
