
Report to Communities, Highways and Environment Scrutiny Committee

24 November 2021

End of September 2021 (Quarter 2) Quarterly Performance and Resources Report – Focus for Scrutiny

Report by Director of Law and Assurance

Summary

The Quarterly Performance and Resources Report (PRR) is the Council's reporting mechanism for corporate performance, finance, savings delivery and business performance. It reflects the new priorities, outcomes and measures included in Our Council Plan. It is available to each scrutiny committee on a quarterly basis. Each committee will consider how it wishes to monitor and scrutinise performance relevant to their area of business

The report (Annex A) reflects the portfolio position at the end of September 2021.

The PRR includes information which is specifically relevant to the portfolio responsibilities of the scrutiny committee within sections 4, 5 and 7, including a summary of the performance, finance, capital and risk position within the CHESC portfolio.

The current Risk Register (Appendix 5) is included to give a holistic understanding of the Council's current performance reflecting the need to manage risk proactively.

Focus for scrutiny

The Committee is asked to consider the portfolio PRR (the Annex report attached). Areas for scrutiny include:

- 1) The effectiveness of measures taken to manage the financial position and expectations;
- 2) The particular performance indicators and measures identified as most critical to the focus of the Committee and whether the narrative provides assurance about the position presented and likely outcomes;
- 3) The on-going impact of the Covid-19 emergency situation on financial resilience and performance within the portfolio;
- 4) Any areas of concern in relation to the management of corporate risk;
- 5) Whether the report indicates any issues needing further scrutiny relevant to the Committee's portfolio area and, if so, the timing of this and what further data or information may be required; and
- 6) Identification of any specific areas for action or response by the relevant Cabinet Member.

The Chairman will summarise the output of the debate for consideration by the Committee.

1. Background and context

- 1.1 The Performance and Resources Report (PRR) replaces the Quarterly Performance Report (QPM). The PRR is designed to be used by all Scrutiny Committees as the main source of the County Council's performance information.
- 1.2 Annex B – How to Read the Performance and Resources Report, provides some key highlights on the structure, content and a detailed matrix of the sections of the report which are expected to be reviewed by the different scrutiny committees.
- 1.3 The background and context to this item for scrutiny are set out in the attached annexes and appendices. As it is a report dealing with internal or procedural matters only the Equality, Human Rights, Social Value, Sustainability, and Crime and Disorder Reduction Assessments are not required.
