

SECTION 1

Appendix A - Community Highway Schemes - Approved for Progression

Local Member	Division	Parish	Scheme Name	Description	Approx Cost	District	Moderation Panel Comments
Andrew Baldwin	Holbrook	Horsham	Jackdaw Lane, Horsham	Request for dropped kerbs close to play area	£10,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Andrew Kerry-Bedell	Harbour Villages Ward	Chidham and Hambrook	Chidham Lane	Stop up layby / footway widening and extension of SKC marking	£50,000	Chichester	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Andy McGregor	Lancing	Lancing	Lancing Coastal Cycle Path, Lancing	Request for improvements/widening of coastal cycle path close to The Perch	£50,000	Adur	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process. However this is dependent on securing third party land. This has been agreed in principle.
Bruce Forbes	Ardingly	Ardingly	College Road & Street Lane	Footway enhancement	£55,000	Mid Sussex	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Charlotte Kenyon	Pulborough	West Chiltington	West Chiltington Lane	No Entry into slip road and engineering improvements to junction	25,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Christian Mitchel	Broadbridge	Warnham	Bell Road Traffic Calming	Bell Road Traffic Calming	£80,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Ian Gibson	East Grinstead	East Grinstead	Footway Crossing Enhancements - Park Road / Maypole Road.	Drop Crossings due to pedestrian visibility issues.	£20,000	Mid Sussex	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Jeremy Hunt	Chichester North	West Dean / Lavant	A286 Lavant Road	Speed limit reduction	£5,000	Chichester	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Joy Dennis	Hurstpierpoint	Hurstpierpoint	High Street (Phase2) TRO & Engineering Works.	Footway Improvements / TRO / Bollards / Cycle Stands.	£50,000	Mid Sussex	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Kate O Kelly	Midhurst ward	Midhurst	Ashfield Road one way	Ashfield Road 20mph / one way and traffic calming	£40,000	Chichester	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Kirsty Lord	Hassocks	Hassocks	A273 / B2112 pedestrian refuge	Pedestrian refuge in central hatching	£50,000	Mid Sussex	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Liz Bennett	East Grinstead	East Grinstead	Footway Enhancement (Blackwell Farm Triangle)	School Safety Zone / Connectivity / TRO	£40,000	Mid Sussex	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Liz Bennett	East Grinstead	East Grinstead	Footway / Cycle Enhancement (Cycle Forum Application).	Elizabeth Crescent (Hospital) Connectivity / TRO.	£75,000	Mid Sussex	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Liz Bennett	East Grinstead	East Grinstead	Pedestrian Crossing Facility / Lindfield Road	Build Out / TRO / Bollards - Connectivity	£25,000	Mid Sussex	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Nigel Jupp	Southwater & Nuthurst	Southwater	Cedar Drive, Southwater	Request for ped refuge	£15,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process. This score is based on a rejection of the proposal to install a pedestrian refuge, and on an approval for a dropped kerb and small footway (through verge on north side of road) at speed hump to the west of Castlewood Rd junction
Nigel Jupp	Southwater & Nuthurst	Nuthurst	Nuthurst Rd, Nuthurst	Parking restrictions/School Safety Zone / Footpath extension	£40,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process, however this may be more appropriate as an LTIP scheme.
Paul Linehan	Bramber Castle	Steyning	High Street, Steyning	Village-wide 20mph zone	£20,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Paul Linehan	Bramber Castle	Upper Beeding	Shoreham Rd, Upper Beeding	Installation of ped refuge and reduction in speed limit at Location 1, ped refuge and signage at location 2 (both locations associated with South Downs Way.) Improved carriageway signage at 3rd crossing point location	£25,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Paul Linehan	Bramber Castle	Steyning	Godstalls Lane, Steyning	Request for removal of verge within public highway, to allow for free access of refuse and emergency vehicles	£20,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process. As part of the feasibility process alternative options, such as a TRO will be considered to ensure best value principles are followed.
Paul Marshall	Storrington	Amberley	The Street, Houghton	Footway clearance through Houghton, with feasibility scheme for pedestrian access between Houghton and Amberley	£50,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process. A feasibility study will be required.
Paul Marshall	Storrington	Storrington	Rectory PROW Enhancement	PROW by Church in Church St	£30,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.
Paul Marshall	Storrington	Washington	London Road Northbound, Washington	Request to develop area of verge into slip lane exiting onto A24, with improvements to slip lane entering Rock Rd	£75,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process, however the proposal is likely to exceed budget limits of CHS. Officers are to review other methods of funding proposals. The initial cost estimate is unlikely to represent the true cost which may be significantly higher depending on design and may make the scheme unaffordable.
Paul Marshall	Storrington	Storrington	A283 Storrington Road	Equine enhancement scheme	£20,000	Horsham	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process. It should be noted this is dependant on funding from British Horse Society.
Sean McDonald	Northbrook	Northbrook	Titnore Lane Improvements	Traffic Management	£80,000	Worthing	Community Scheme has been reviewed and it has met the criteria threshold for progression under this process.

Division	Parish	Local Member	Scheme Name	Description	Approx Cost	Locality Area	Further Assessment required
East Grinstead	East Grinstead	Cllr Liz Bennett	Traffic Signals (Junction Management) Sandhawes Hill / Holtye Road	Traffic Signals (Junction Management)	£200,000	Mid Sussex	Due to the pressures on the Highways revenue maintenance budgets, and the costs associated with maintaining controlled crossing facilities, signalling this junction is not appropriate but we will undertake an assessment to consider other options such as carriageway widening etc.
