Coastal West Sussex Priorities

Local Community Networks

Networks of health, councils, voluntary sector, patient/public leaders working with local communities.

Their purpose is about the creation of shared approaches to organising and improving the health and wellbeing for their local populations.

The eight LCNs across Coastal West Sussex

- Rural North Chichester
- Chichester
- Regis
- REAL Care (Rustington, East Preston, Angmering, Littlehampton)
- North Cissbury
- South Cissbury
- Adur
- Chanctonbury

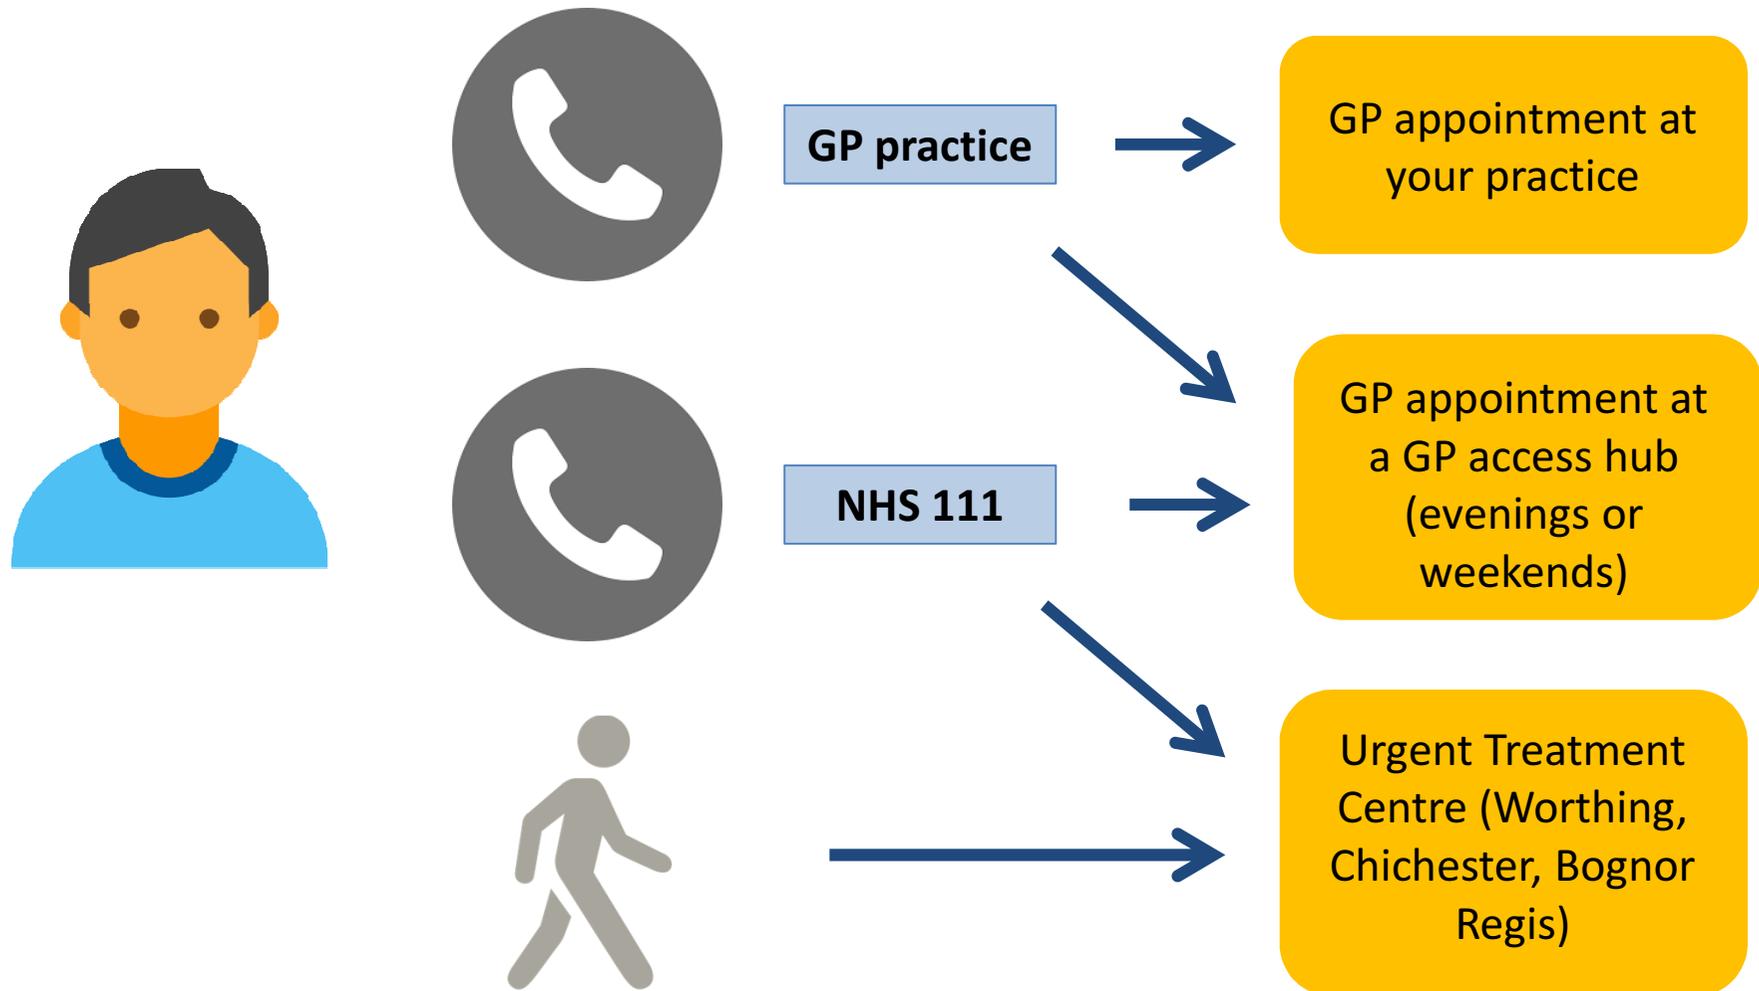

Frail and Aging Programme

A fundamental cultural shift in how our workforce's':

- find the right individuals to work with – for greater outcomes;
- Work together differently through Multi-Disciplinary Teams (MDTs)
- Use shared new integrated Care Plans to help manage people **in** the community;
- use our community assets to improve outcomes for people;
- Focus on working with Care Homes and with Dementia and Falls.

Urgent Care

Changes to Urgent Care

What we can expect to see...

Urgent Treatment Centres (UTCs)

Three new UTCs in Coastal West Sussex: two open 16 hours a day, 7 days, at existing acute hospital sites, and one at Bognor Regis War Memorial Hospital (open 12 hours, 7 days a week).

GP access Hubs

A number of locations across Coastal West Sussex to provide urgent GP appointments when GP practices are closed. They will be accessed via the new 111 service or your GP practice. Open until 10pm weekdays and additional clinics at the weekends.

- Change due to come in 2019 (GP access pilot from October 2018)

Prevention Programme

- Start Well:
 - Childhood obesity
 - Mental Health
- Live Well:
 - Social prescribing
 - Targeted prevention
- Age Well
 - Dementia friendly communities
 - Loneliness and social isolation

A life course approach

Social isolation
Dementia

- Wellbeing and resilience across the life-stages
- Targeted action / early intervention for early ill-health
- Self-Management
- Community & policy to promote health and wellbeing
- Navigating support

People and our communities

- Absolutely vital to shaping this work and developing the LCNs
- Public members involved in Regis and REAL Care
- Regis Community Board established and has been focused on promoting local support such as carers, social care
- REAL Care patient group has held a public meeting with 50+ people in attendance
- Healthwatch West Sussex supporting further development of public voice in our work
