The swale is existing. The building has been removed.</p> <p>1. Please confirm the exact location of the route to check for conflicts with proposed planting area by the swale.</p> <p>2. Please advise if the proposed chalkland restoration area with mown path would be acceptable for RoW use</p> <p>3. It is proposed to change the level of this area using the chalk spoil from the wider development area, to provide a good quality chalk base for the enhancement. It is estimated this will be a maximum of 290mm from existing levels. Final details can be conditioned to ensure suitability for landscape, ecology and accessibility. Is this acceptable.</p> <p>This area has an extant outline permission for 5no. holiday pods, this is an alternative scheme.</p>	511978	111075	30/06/2022	21/07/2022	Public Rights of Way	Katrina Harper	RECON - Katrina Harper	Storrington	Paul Marshall
