##### **1 Background and context**

- 1.1 Internal Audit is an assurance function whose primary purpose is to provide an independent and objective opinion to the organisation on the control environment comprising risk management, control and governance, in support of the objectives of the Council.
- 1.2 The annual audit plan is prepared to take into account key areas of risk and was approved by the Regulation, Audit & Accounts Committee (RAAC). The internal audit plan has been delivered in accordance with the Public Sector Internal Audit Standards (PSIAS).
- 1.3 Audit work has been undertaken to obtain all information and explanations considered necessary to provide sufficient assurance that the control environment is both reasonable and effective. Whilst no assurance can ever be absolute, on the basis of audit work completed, it is the Head of Internal Audit's opinion that the County Council's framework of governance, risk management and control is 'reasonable'.
