

Proposals for Traffic Regulation Orders and Traffic Management Matters

Traffic Regulation Orders

Location:

Worthing: Broadwater Street West, South Farm Road and adjoining roads

Proposals:

The [proposal \(PDF, 96KB\)](#) is for limited waiting restrictions to be introduced on the A24 Broadwater Street West, to prevent the long-term parking of large vehicles and thereby enable more effective use of this parking facility. The introduction of double yellow line junction protection for Lamorna Grove is also proposed to provide safer egress onto the A24 and prevent parking at the adjacent bus stop.

Provisional decision method:

Delegated officer decision
