

## Questionnaire for primary schools on the delivery of Collective Worship

West Sussex SACRE has a statutory responsibility to monitor provision for Religious Education in the county and is required to submit an annual report to the Department of Education on the work of SACRE and the quality of Religious Education each year. West Sussex SACRE has developed an online questionnaire to support fulfilling this responsibility. Alongside input into the annual report SACRE can also use this information to make recommendations to West Sussex County Council about the strengths and weaknesses of that provision, how good practice might be shared and what support might be offered. This includes planning appropriate CPD opportunities for West Sussex schools.
